Mayor, Chicago Park District, Ald. Solis Break Ground on Bridgeport Boat House

Superintendent Michael P. Kelly joined members of the Bridgeport community to break ground on Eleanor boat house, the fourth boat house to be built in the city under the Mayor's tenure. Eleanor boat house will be a rowing training and boat

storage facility that will consist of two buildings. The Park District will offer programming at the facility, which will also be open to the public. The area's rowing community consists of five separate groups: Recovery on Water (ROW), which serves cancer patients and survivors; St. Ignatius College Prep's rowing group; the intramural team at the University of Chicago; the Chicago Training Center (CTC), which provides

rowing opportunities to underserved youth; and Lincoln Park Boat Club (LPBC), a private organization rowing out of multiple city locations. The construction of this south side boat house will cost approximately \$8.5 million, consisting of \$8.2 million in Park District funding and a

\$259,000 grant from the National Fish and Wildlife Foundation Chi-Cal Fund. The boat house, which will be designed by Studio Gang Architects, is projected to be complete in the fall of 2016. For more information, visit www.chicagoparkdistrict.com or call 312-742-PLAY.

Cada año, el Festival Cubano crece más y más, generando cientos de miles de entusiastas del festival en Riis Park. Ahora, en su sexto año, el creador del Festival Cubano, George Herrera, promete que los asistentes tendrán un momento inolvidable saboreando la cocina cubana y escuchando los ritmos cubanos. Antes que el festival empiece, hablamos con Herrera para saber que disfruta más al organizar uno de los festivales de más rápido crecimiento en Chicago.

Lawndale News: Aquí estamos, otro año en que Chicago da la Bienvenida al Festival Cubano! ¿Qué es lo primero que te viene a la mente año tras año cuando empieza el festival cubano y la gente corre a Riis Park?

George Herrera: El día de la inauguración es muy emocionante. El primer

Festival Cubano en Chicago

día es usualmente intenso mientras tratamos de que todo esté en perfecto orden para los asistentes al festival. La primera impresión cuenta mucho para nosotros. Tratamos de crear un factor sorpresa. El primer día es el más dificil, pero una vez que empieza es solo cosa de mantener la diversión familiar y la seguridad todo el fin de semana.

¿Qué dirías que es la mejor parte del proceso al organizar un festival de esta magnitud?

El proceso para un festival

de estas dimensiones es muy detallado. La mejor parte para mi es el entretenimiento que queremos traer. Pasamos dos meses haciendo una selección de los artistas. Luego escogemos nuestros favoritos. Una vez que confirmamos los músicos

que escogemos, todo se pone en movimiento.

Cada año, el festival cubano crece más y más. ¿Sientes como un reto mejorarlo cada vez más cada año?

Definitivamente; El reto cada año es como podemos hacer el festival mayor y mejor que el del año pasado. Mi empresa es conocida por siempre elevar el nivel de todo y hasta ahora no

hemos desilusionado al público. Me siento muy afortunado de tener gente a mi alrededor con el mismo propósito. Crecer más y mejor no necesariamente significa tener mejores artistas, sino cuidar de los pequeños detalles que tengan un impacto mayor en el festival.

¿Qué esperas ver en el festival del este año?

Este año estamos muy entusiasmados con la ampliación del escenario y los juegos mecánicos. Cada año, por mucho que tratamos de programar a todos nuestros músicos locales y otros programas en el escenario principal (junto a los estelares), siempre nos falta tiempo. Los asistentes al festival disfrutarán verdaderamente nuestro nuevo estrado. Además, los juegos mecánicos se duplicarán, agregando muchísimos nuevos juegos para todas las edades.

Como sabes, la comunidad cubana es vibrante y apasionada. Para los asistentes no cubanos que asistan al festival, ¿Qué esperas que saquen de él?

La cultura cubana es hermosa. El impacto y las contribuciones que los cubanos han hecho en nuestras comunidades, por muchas décadas, son el enfoque del festival. La música, la comida, el baile y las artes... queremos que nuestros invitados al festival se vayan conociendo y apreciando la cultura en una nueva perspectiva. Pero más que nada, todos somos latinos unidos. El festival ofrece un poco de todo, a todas las culturas.

El Festival Cubano tiene lugar del 14 al 16 de agosto en Riis Park, Fullerton y Narragansett. Para más información, visite www. thecubanfestival.com

Each year, Festival Cubano gets bigger and better generating hundreds of thousands of festival enthusiasts over at Riis Park. Now, in its sixth vear, the creator of Cuban Fest, George Herrera promises attendees will have a memorable time tasting the Cuban cuisine and listening to Cuban rhythms. Before opening day kicks-off, we spoke with Herrera to get his take on what he enjoys

the entertainment we want to book. We go through a couple of months of artist selection. We then narrow it down to our favorites for the year. Once we confirm the musicians we booked, it sets everything else in motion

Each year, the Cuban fest gets bigger and better. Do you find it challenging to outdo the previous year? Definitely: The challenge each year is how we can of new rides for all ages. As you know, the Cuban community is vibrant and passionate. For non-**Cubans attending the fest** what do you hope they take away?

Cuban culture is so beautiful. The impact and contributions that Cuban people have made in our communities for many decades given a spotlight at the festival. From the

music, food, dance and arts we want our festival guests to walk away

learning and appreciating the culture in a whole new way. But more than anything we are all Latino

most about putting together one of the fastest growing festivals in Chicago.

Lawndale News: Here we are another year Chicago welcomes the Cuban Festival! What comes to mind year after year when the first day of the fest kicks-off and people rush over to Riis Park? George Herrera: It's

very exciting, opening day. The first day is usually intense as we try to make everything perfect for all the festival attendees. First impression for us is a big deal. We try to create the wow factor. The first day is the toughest, but once the show is up and running it's just a matter of keeping the park family fun and safe for the entire weekend.

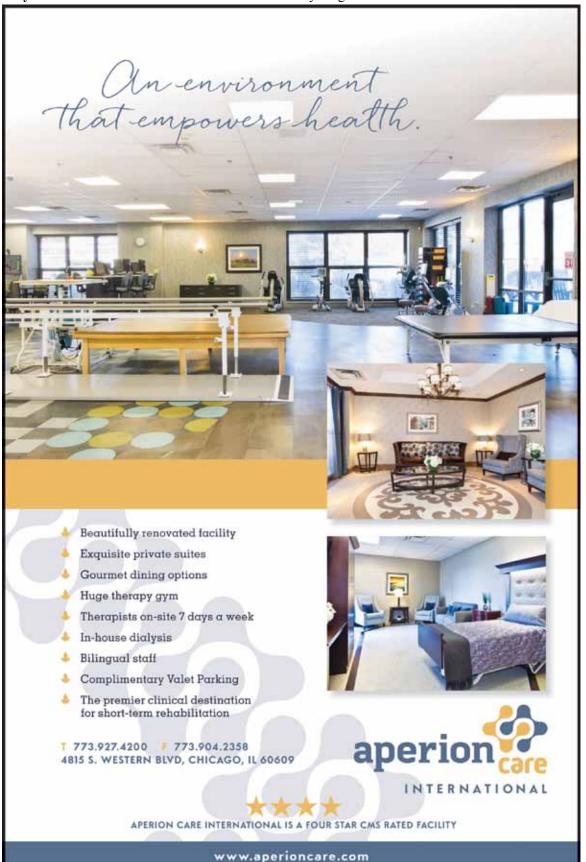

What would you say is the best part of the process when putting together a festival of this magnitude?

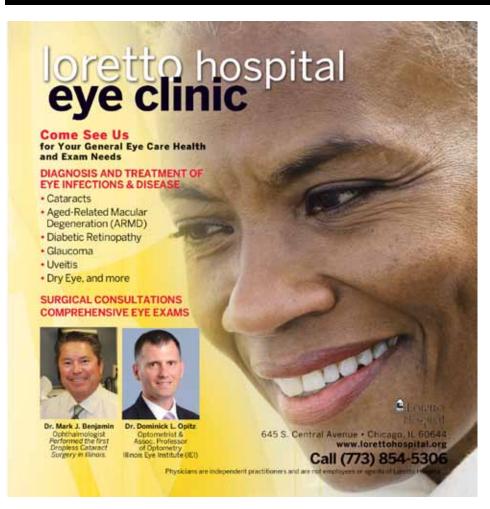

The process for a festival of this size is very detailed. The best part for me is

make the festival bigger and better than the one before. Raising the bar is what my company is known for and so far we have not disappointed the public. I am very fortunate to have great people around me that have this same type of drive. Getting bigger and better doesn't necessarily mean having bigger artists but instead tightening up the small details that have a huge impact on the festival. What are you looking forward to seeing at this

year's fest?

This year we are really excited about our second stage expansion and carnival rides. Every year as much as we try to schedule all local musicians and other programs on the main stage (alongside our headliners), we always run out of time slots. Festival attendees will really enjoy our new and improved stage. In addition, the carnival operation will double in size adding a ton

Erie Family Health Center Can Help Parents Beat the Back-to-School Rush

Erie Family Health Center encourages parents to beat the back-to-school rush. With the choice of convenient back-toback medical and dental appointments, parents can schedule a complete medical or dental exam early this year to avoid long wait times. "At Erie, we understand how busy life can get especially as it gets closer to the first day of school. If your child has not had a complete wellchild visit or a complete dental exam now is the time to schedule one," said Dr. Sara Naureckas, Erie's Medical Director of Child and Adolescent Medicine. "By scheduling these important school checkups today parents can get in and out quickly, avoid the rush and continue enjoying the summer."

Medical exam requirement

Completed medical exam forms are required for children entering pre-kindergarten and kindergarten as well as the 6th and 9th grades.

Dental exam requirement Completed dental exam forms are required for children entering kindergarten, 2nd and 6th grades.

Vaccination requirements Beginning this school year some children will now

require the meningococcal conjugate vaccine (MCV) in addition to the other required vaccinations. In order to enter school, all sixth graders are now required to show proof of one dose of the MCV and all 12th graders will need to show proof of receiving two doses, unless their first

dose was administered after they were 16 years old. Erie will work with parents to ensure that children receive the vaccines they need to enter school.

Back-to-School Health Checklist

Summer fun is almost over for millions American students. It's time to put away the swimsuits, dust off the book bags and head back to school soon. To ensure that students of all ages go to class in the best possible health, the nation's emergency physicians advise parents and guardians to do a little homework of their own and go through a back-toschool health check list. **Checklist:**

•Organize your child's medical history records and emergency medical contact information. Provide copies of this information to your child's school and any day care providers with instructions to take it with them to the emergency department if your child is sick or injured. The form should include information related to prescription medications, medical problems, or previous surgeries as well as pertinent family history and emergency contacts. Free forms can be downloaded on the EmergencyCareForYou website. An emergency information form is also available for children with special needs.

•Coordinate with the school nurse and your child's physician to develop action plans for any health issues, such as asthma or food allergies. Communicate these plans to all appropriate care givers.

•Schedule medical and dental check-ups before school starts. Some children will need immunizations. Consider vision and hearing tests, since impairment can adversely affect learning. Consider a sports check-up if your child will be playing in sports.

•If your child takes the bus, establish a safe, visible pick up/drop off spot, preferably with a group of children and in an area where they can be clearly seen by adults. If your child drives to school, make sure he or she obeys

all laws and wear seatbelts.

•Make sure your children know how to telephone for help. Post emergency contact numbers by every telephone in your home. Have them practice how to call 911or the local emergency number and

give their names address and a brief description of the problem.

•Develop a family

emergency plan in case something happens on the way to (or from) and while at school. Be aware of the emergency and evacuation plans for your children's schools.

Lista de Verificación de Salud de Regreso a la Escuela

La diversión de verano casi acaba para millones de estudiantes estadounidenses. Es hora de dejar los trajes de baño, desempolvar las mochilas y prepararse para el regreso a clases. Para asegurar que estudiantes de todas las edades regresan a clase en la mejor salud posible, los doctores de la nación aconsejan a los padres y tutores que hagan su tarea y verifiquen una lista de salud de regreso a la escuela.

Lista de Verificación:

•Organice los expedientes médicos de su hijo y el contacto de información en caso de emergencia. Entregue copias de esta información a la escuela de su hijo y a todo proveedor de guarderías, con instrucciones de que las lleven consigo al departamento de emergencia si su hijo se enferma o lesiona. La forma debe incluir información relacionada con medicinas de receta, problemas médicos o cirugías anteriores, así como un historial familiar pertinente y contactos en caso de emergencia. Hay una hoja de información de emergencias disponible para niños con necesidades especiales.

•Póngase de acuerdo con la enfermera de la escuela

o el doctor de su hijo, para desarrollar un plan para cualquier problema de salud, como el asma o las alergias a los alimentos. Comunique estos planes a todas las personas apropiadas.

•Programe revisiones médicas y dentales antes de que comience la escuela. Algunos niños necesitarán vacunas. Considere una prueba de la vista y el oído, ya que un problema de estos puede afectar el aprendizaje. Considere una verificación en deportes, si su hijo va a participar en ellos.

•Si su hijo toma el autobús, establezca un lugar visible y seguro para que lo recoja/lo deje, preferiblemente con un grupo de niños y en un área donde puedan ser vistos claramente por adultos. Si su hijo conduce para ir a la escuela asegúrese que obedece todas las señales y se abrocha el cinturón.

•Asegúrese que su hijo sabe como usar el teléfono para pedir ayuda. Ponga números de contacto de emergencia en todos los teléfonos de su casa. Hágalos que practiquen como llamar al 911 o al número de emergencia local y detalle su nombre, dirección y una breve descripción del problema.

• Desarrolle un plan de emergencia familiar en caso de que algo pase en camino, (de regreso) o mientras esté en la escuela. Tenga en cuenta los planes de emergencia y evacuación de las escuelas de sus hijos.

Categorías Presupuestarias Propuestas por CPS en Control del Distrito

Las Escuelas Públicas de Chicago (CPS) publicaron su presupuesto propuesto para el Año Fiscal 2016 (FY16). En las tres categorías de gastos que CPS puede controlar – operaciones, capital y deudas – el gasto se ha reducido del año pasado a ahora. Sin embargo, el distrito no puede resolver la crisis fiscal y como resultado, este presupuesto tiene su base en una afiliación con líderes de Springfield, para estabilizar las finanzas del distrito y terminar años de inequidad de pensiones y la disminución de los fondos estatales. Si Springfield no llega a una resolución durante esta sesión legislativa, CPS se verá forzada a cerrar la brecha de \$500 millones de su presupuesto con una mezcla de cortes adicionales o un endeudamiento más insostenible.

Distrito comienza el año con un déficit estructural de \$1.1 mil millones. Además de depender de \$500 millones de una solución completa al presupuesto, el presupuesto de CPS incluye aproximadamente \$255 millones de un endeudamiento de "estira y encoge" que evita los cortes hoy en el salón de clases, pero que pone una carga aún mayor en generaciones futuras. El presupuesto del distrito utiliza también una combinación de fondos excedentes del TIF y elevar los impuestos de propiedad al tope. Finalmente, este presupuesto incluye \$200 millones en dolorosos cortes que CPS anunció a principios de este verano. CPS ha hecho cerca de mil millones de dólares en cortes desde el 2011 v anticipa la racionalización de la Oficina Central aún más, pero es claro que el

Distrito no puede superar esta crisis.

Εl propuesto presupuesto FY16 estará disponible para comentarios y revisión públicos el 18 de agosto en tres juntas de la ciudad. El presupuesto final se espera que sea presentado a la Junta, para su voto, en la reunión de agosto, que está programada para el 26 de agosto. Para información adicional sobre presupuesto FY16, vea la hoja informativa, anexa, resumen de antecedentes a continuación o el presupuesto detallado del Distrito en: www.cps.edu/ budget.

CPS' Proposed FY16 Budget Categories in District's Control

Chicago Public Schools (CPS) released its proposed budget for Fiscal Year 2016 (FY16). In all three expenditure categories that CPS can control operating, capital and debt service – spending is down over last year. However, the district cannot cut its way out of the fiscal crisis and as a result, this budget relies on a partnership with leaders in Springfield to stabilize the district's finances by ending years of pension inequity and declining state funding. If Springfield doesn't reach a resolution during this legislative session, CPS will be forced to close the \$500 million gap in its budget with a mix of additional cuts or more unsustainable borrowing.

The District begins the year with a \$1.1 billion

structural deficit. addition to relying \$500 million from a comprehensive budget solution, CPS' budget includes about \$255 million in "scoop and toss" borrowing that prevents classroom cuts today, but puts a greater burden on future generations. The district's budget also uses a combination of TIF surplus funds and raising property taxes to the cap. Finally, this budget includes \$200 million in painful cuts that CPS announced earlier this summer. CPS has made nearly a billion dollars in cuts since 2011, and anticipates streamlining the Central Office further, but it is clear that the District cannot cut its way out of

this crisis.

The proposed FY16 budget will be made available for public comment and review on Aug. 18 at three meetings around the city. The final budget is expected to be presented to the Board for a vote at its August meeting, which is scheduled for Aug. 26. For additional information on the FY16 budget, please see the attached fact sheet. background overview below or view the detailed District's budget at: www. cps.edu/budget.

School Immunizations – New Certificate of Religious Exemption Requirement

Parents or legal guardians who object, for religious reasons, to their child being immunized for school entrance must submit a Certificate of Religious Exemption, which now must be signed by a health care provider. Signed into law on August 3, 2015, this new legislation requires a health care provider to sign the certificate confirming they have provided education to the parents or legal guardians about the benefits of immunizations and the health risks of not vaccinating students.

Educational information given by health care providers may include nationally accepted recommendations from federal agencies such as the Advisory Committee

on Immunization
Practices, information
from vaccine information
statements, and vaccine
package inserts. The
certificate also reflects the
parents or legal guardians
understanding that their
child may be excluded
from school in the case

of a vaccine-preventable disease outbreak or exposure. Parents or legal guardians must submit the certificate to their local school authority prior to children entering kindergarten, sixth grade, and ninth grade. This new requirement will

be in place for religious exemption requests beginning October 16, 2015. The new Certificate of Religious Exemption form will soon be available on both the IDPH and the Illinois State Board of Education (ISBE) websites.

Vacunas Escolares – Requisito de Nuevo Certificado de Exención Religiosa

Los padres o tutores legales que se oponen, por razones religiosas, a que su hijo reciba vacunas para entrar a la escuela, debe someter un Certificado de Exención Religiosa, que debe ser firmado por un proveedor de cuidado de salud. Convertida en ley el 3 de agosto del 2015, esta nueva legislación requiere que un proveedor de cuidado de salud firme el certificado, confirmando que ha dado educación a los padres o tutores legales sobres los beneficios de las vacunas y los riesgos de salud de los estudiantes que no se vacunan.

La información educativa provista por los proveedores de salud puede incluir recomendaciones aceptadas a nivel nacional de agencias federales, como el Comité de Asesoría sobre Prácticas de Vacunación, información sobre declaraciones de información de vacunas e insertos de paquetes de vacunas. El certificado refleia también el conocimiento de los padres o tutores legales de que su hijo puede ser expulsado de la escuela en caso de que haya un brote o exposición a una enfermedad prevenible con la vacuna. Los padres o tutores legales deben someter el certificado a su autoridad escolar local antes de que los niños entren al kindergarten, el sexto grado y el noveno grado. Este nuevo requisito tendrá efecto para peticiones de exenciones religiosas a partir del 16 de octubre del 2015. La forma del nuevo Certificado de Exención Religiosa estará disponible pronto en las redes de IDPH y en la de la Junta de Educación Estatal de Illinois (ISBE).

Examen de las Venas Gratuito Ofrecido por USA Vein Clinics

Las enfermedades de las venas afectan a más de 30 millones de estadounidenses y puede ser una condición dolorosa si no es atendida. Mucha gente tiene venas varicosas sin saberlo – el 25 por ciento de las mujeres, el 15 por ciento de los hombres y el 50 por ciento de todos los géneros están afectados por enfermedades de las venas. Aunque cualquiera puede desarrollar esta condición, las enfermedades de las venas son más comunes en la mujer, en las personas mayores, en gente obesa y en personas que pasan grandes períodos de tiempo de pie.

El beneficio inmediato del tratamiento de las venas es la eliminación de síntomas dolorosos; el beneficio a largo plazo es la prevención de otras condiciones médicas más graves, incluyendo coágulos sanguíneos en las piernas y en los tobillos. Si no se trata, un coágulo puede

pasar a otros órganos vitales, incluyendo los pulmones, provocando un embolismo pulmonar que puede ser mortal; o el corazón, lo que puede

provocar un ataque cardíaco.

Para determinar si usted está afectado por esta condición y encontrar soluciones para atenderla, USA Vein Clinics ofrecerá al público en general, un examen gratis de las venas, del 17 al 22 de agosto en todos los locales de Chicago. Llame a USA Vein Clinics al 888-628-9389 hoy para programar un examen gratuito en cualquiera de sus cuatro locales: 3927 W. Belmont Ave., Suite 103, Chicago, IL 6415 W. Archer Ave., Chicago, IL; 4141 Dundee Rd., Northbrook, IL 800 Biesterfield Rd., Suite 201, Elk Grove Village, IL.

Local public officials with the help of environmental justice organizations gathered onto Waukegan lakefront near NRG Energy's coal-fired power plant to celebrate the release of the Obama Administration's first national carbon pollution protections. The Clean Power Plan allows each state the opportunity to develop its own plan to reduce carbon pollution from power plants and ramp up clean energy. The gathering was hosted by The Clean Power Lake County Campaign.

The NRG plant was named one of the nation's environmental justice offenders in a 2012 NAACP report. The Clean Power Lake County Campaign urged public officials for years to plan a conscientious transition away from coal to secure clean energy opportunities in Lake County. The Clean

Lake County Leaders Gather Celebrate President Obama's Clean Power Plan

Power Plan help creates urgency and affirms those calls to action. "Our elected officials and our City Council need to make sure our community

is put first as conversations move forward to evaluate our energy system in Illinois," said Waukegan Fourth Ward Alderman David Villalobos. "In the hopes of making a positive impact for Waukegan, I will be circulating a sign-on letter with my colleagues in the City Council that will be addressed to Governor

Rauner and the Illinois **Environmental Protection** Agency that calls on them to include communities like ours in their decisionmaking process and to

ensure our compliance plan with the Clean Power Plan puts communities like Waukegan first."

A 2014 Lake County Department Health study showed that over 30 percent of children surveyed in Waukegan were diagnosed with asthma or had symptoms of asthma, which is three times the national average for childhood asthma. "What we learned in Pilsen and Little Village—the neighborhoods polluted by the Fisk and Crawford coalfired power plants—is that big polluters will continue to pollute egregiously unless they are held accountable," said Kim Wasserman-Nieto, Director of the Little Village Environmental Justice Organization. "Waukegan and Little Village in Chicago will need to work together to seize the opportunities of the Clean Power Plan and make sure cleaner air and clean energy jobs come to the communities that need it most.
