CPS Latino Committeemen Resign Over Budget Cuts

By: Ashmar Mandou

After a heated debate Wednesday afternoon, majority of the members of a Chicago Public Schools advisory committee for Latino students have resigned to protest school budget cuts that have affected primarily minority communities. "We see this not just as an assault on Latino students. neighborhoods families, but we see this as a continuation of cuts in the African-American community and now cuts in the Latino community," said Jose Rico, committee member. "We see this as one and the same," added Rico after nearly all of the committee members had submitted their resignations. Earlier this month, CPS was faced with a \$46 million "spending freeze" in an attempt to cover \$215 million in state assistance that did not come through.

"We knew there would be consequences. It became very clear very quickly that some our schools, and frankly many of our Hispanic schools with large populations and poverty, were disproportionately impacted," said school

board President Frank Clark. The public outcry by education activists came as the Chicago Board of Education was scheduled to approve its latest budget for the year, a \$5.4 billion spending plan that includes a series of cuts. "This is about time that the Latino community

stands up on its own two feet and says, 'Enough is enough, this has to end," said Alderman George Cardenas. "We are going to demand changes in CPS leadership and leadership structure. This cannot continue." Many schools have avoided the dismissal of teachers, instead schools have resorted to federal and state funds targeted for disadvantaged students to help stabilize their budgets. Rauner's administration issued a statement in regards to CPS. "The Rauner Administration strongly condemns cuts implemented by the Chicago Public School

District, which were caused by decades of fiscal mismanagement, and disproportionately affected low-income students." The Latino Advisory Committee was formed in 2014 under former CPS CEO Barbara Byrd-Bennett in an effort to bulk up the district's outreach

de manera desproporcio-

to a growing population within the school system. "We understand that these are tough decisions, and the role of the council has always been to be able to provide some input and to be able to deliberate on these decisions, and we were not used in that capacity," said Rico.

El Comité Latino de la CPS renuncia por recortes al presupuesto

Por: Ashmar Mandou

Después de un intenso debate el miércoles por la tarde, la mayoría de los miembros del comité consultivo de escuelas públicas de Chicago para estudiantes latinos han dimitido para protestar contra los recortes al presupuesto escolare que han afectado principalmente a las comunidades minoritarias. "Vemos esto no sólo como un asalto a estudiantes, vecindarios y familias latinos, pero vemos esto como una continuación de recortes en la comunidad afroamericana v ahora recortes en la comunidad latina", dijo José Rico, miembro del comité. 'Vemos esto como uno v lo mismo", agregó Rico después de que casi todos los miembros del comité hubieran presentado sus renuncias. A principios de este mes, CPS se enfrentó a un "congelamiento de gastos" de 46 millones de dólares en un intento por cubrir 215 millones de dólares en asistencia estatal que no llegó.

"Sabíamos que habría consecuencias. Se hizo muy claro muy rápidamente que algunas de nuestras escuelas, y francamente muchas de nuestras escuelas hispanas con grandes poblaciones y pobreza, fueron afectadas nada ", dijo el presidente del consejo escolar Frank Clark. La protesta pública de los activistas de la educación se produjo cuando la Junta de Educación de Chicago estaba programada para aprobar su último presupuesto para el año, un plan de gastos de \$5.4 billones de dólares que incluye una serie de recortes. "Ya es hora de que la comunidad latina se ponga de pie y diga:" Basta ya es suficiente, esto tiene que terminar ", dijo el concejal George Cárdenas. "Vamos a exigir cambios en el liderazgo y la estructura de liderazgo de CPS. Esto no puede continuar. "Muchas escuelas han evitado el despido de maestros, en lugar las escuelas han recurrido a los fondos federales y estatales destinados a los estudiantes desfavorecidos para ayudar a estabilizar sus presupuestos.

La administración de Rauner emitió una declaración con respecto a CPS. "La Administración de Rauner condena enérgicamente los recortes implementados por el Distrito de Escuelas Públicas de Chicago, que fueron causados por décadas de mala administración fiscal y afectaron desproporcionadamente a estudiantes de bajos ingresos". El Comité Asesor Latino fue formado en 2014 bajo la presidencia de Barbara Byrd-Bennett, un esfuerzo para aumentar el alcance del distrito a una creciente población dentro del sistema escolar. "Entendemos que estas decisiones son duras, y el papel del consejo ha sido siempre poder aportar algo y poder deliberar sobre estas decisiones, y no fuimos utilizados en esa capacidad", dijo Rico.

Author Speaks on the Power of Education

By: Ashmar Mandou

As an educator for over 30 years teaching elementary school students in Mexico and United States, Raul Castillo knows firsthand the significance of reading and writing. So much so that Castillo penned "La Bruja Que No Fue A La Escuela" (The Witch Who Never Went to School), a 26-page Spanish language book with illustration that touches on the love of learning. This Saturday. Feb. 25th Castillo will be in Chicago for a book signing and to meet with families in Pilsen at Giron Books, 1443 W. 18th St., from 4pm., to 6p.m. This week, Lawndale News had the opportunity to interview the author about his love of teaching and the power of education.

Lawndale News: You have been an educator for over 30 years, what prompted you to write "La Bruja Que No Fue A La Escuela?"

Raul Castillo: When I started my job as an bilingual elementary teacher here in the United States 18 years ago, I struggled to find good books written in Spanish. They either weren't translated well from English or there were just stories that didn't reflect much of our culture, expressions, traditions or customs. I also encountered many Hispanic parents who were putting all of their time and attention to their jobs and just a little bit of interest into their children's education. So, I wanted to create a story with a simple, but very important message given by someone who understands their culture.

Without giving too much away, what is "La Bruja Que No Fue A La Escuela" about? It is about a young witch who realizes her magic powers were jeopardized because she wasn't able to put spells or formulas into writing for her lack of education. She meets a young boy who helps her by showing her the power of books and, at the same time, he overcomes his fear of witches.

What did you enjoy most about the process of putting this book together?

Two things. First, seeing the faces and the reactions of my students when they hear this story and, secondly, observing the development of the characters—their resemblances and their personalities—thanks to my wife, Patricia Sanchez. She did an amazing and beautiful job with the color illustrations.

This Saturday you will be in Chicago for a book signing, what are you

looking forward to the most?

I would love to see as many people as possible attend this event. I want to personally thank Giron Books in Chicago and the public relations and marketing team from JJR Marketing in Naperville for their huge efforts in publicizing this event. Our Hispanic community can prove that it is really supporting children's education by attending events like this.

What lesson do you hope young readers take away from your book?

There is no higher power than education. You might be physically strong or have some other "power," but those things do not stay with you forever. Education is a special kind of "power" that you build upon as you grow and it has no limits. It stays with you forever.

Robert J. Lovero, Alcalde Ciudad de Berwyn Legal/Public Notice
Notice of Finding of No Significant Impact
And Notice of Intent to Request Release of Funds
Publication Date: February 23, 2017
City of Berwyn - 6700 w 26th Street, Berwyn IL 60402 - 708/788-2660

This notice satisfies two separate but related procedural Requirements for activities to be undertaken by the City of Berwyn, Illinois (Berwyn).

REQUEST FOR RELEASE OF FUNDS (RROF)

On or about March 10, 2017, Berwyn will submit a request to the U.S. Department of Housing and Urban Development (HUD) for the release of funds under Title I of the Housing and Community Development Act of 1974, as amended, to undertake certain projects known as: (1) Sidewalk replacement including ADA curbs and ramps, (2) lighting improvements, (3) street, sewer and water main improvements on 14th Street from East Avenue to Lombard, and the 1200 & 1300 blocks of Harvey and Highland Avenues, (4) ADA and other improvements to a Sequin owned group home located on Highland Ave in Berwyn, and (5) the Single Family Rehabilitation Program to improve owner occupied housing units by correcting code violations, health and safety issues, and ADA upgrades. These projects are in low to moderate census block groups or are for the purpose of assisting low or moderate income residents of Berwyn. These projects will take place in Berwyn at a total cost of approximately \$ 1,429,500.

FINDING OF NO SIGNIFICANT IMPACT (FONSI)

Berwyn has determined the proposed activities will have no significant impact on the human environment. Therefore, an Environmental Impact Statement under the National Environmental Policy Act (NEPA) of 1969 is not required. The Environmental Review Record (ERR) that documents the environmental determination for each project is on file at the Community Development Department, 6420 w 16th Street, Berwyn, Illinois 60402 and may be examined Monday through Friday 9 a.m. - 5 p.m.

SINGLE FAMILY REHABILITTION PROGRAM TIERED APPROACH - RROF/FONSI

Berwyn has determined the Single Family Rehabilitation Program is categorically excluded under HUD regulations at 24 CFR Part 58 from the NEPA requirements but may be subject to review under other authorities listed in 24 CFR 58.5. This is a program wide Tier 1 Notice to obtain release of funds for the program. Houses constructed prior to 1978 are presumed to contain lead-based paint and/or asbestos. Should testing reveal those elements present in any home and if such an element is required to be abated or controlled because of the project scope of work, the safety of the residents, or the dollar amount of Federal funding being expended on the home, the abatement will take place in accordance with all Federal, State and local regulations. Since individual addresses are not yet know, compliance factors that will be determined on an address specific basis are: Historic Preservation, Contamination and Toxic substances (other than lead based paint and asbestos) and Explosive and Flammable hazards. If any of these specific factors requires mitigation or compliance for an individual property, then an individual Request for Release of Funds process will be completed for that property.

PUBLIC COMMENTS

Any individual, group or agency disagreeing with this determination or wishing to comment on the projects may submit written comments to the Community Development Department, 6420 W. 16th Street, Berwyn, IL, 60402, 708-795-6850, rmendicino@ci.berwyn.il.us. All comments received by March 10, 2017 will be considered by Berwyn prior to the submission of a request for release of funds. Comments should specify which project they are addressing.

ENVIRONMENTAL CERTIFICATION - RELEASE OF FUNDS

Berwyn certifies to HUD that Robert J. Lovero in his capacity as Mayor consents to accept jurisdiction of the Federal Courts if action is brought to enforce responsibilities in relation to the environmental review process and these responsibilities have been satisfied. HUD's acceptance of the certification satisfies its responsibilities under NEPA, and related laws and authorities, and allows Berwyn to use Program funds.

OBJECTIONS TO RELEASE OF FUNDS

Berwyn will submit to HUD a Request for Release of Funds on or about March 10, 2017. HUD will accept objections to its release of funds and the City of Berwyn's certification for a period of fifteen (15) days following the submission date or its actual receipt of the request (whichever is later) only if it is on one of the following bases: (a) the certification was not executed by the Certifying Officer of the City of Berwyn; (b) Berwyn has omitted a step or failed to make a decision or finding required by HUD regulations of 24 CFR Part 58; (c) the grant recipient, or other participants in the projects have committed funds, incurred costs, or undertaken activities not authorized by 24 CFR Part 58 before approval of release of funds by HUD; or (d) another Federal agency acting pursuant to 40 CFR Part 1504 has submitted a written finding that the project is unsatisfactory from the standpoint of environmental quality. Objections must be prepared and submitted in accordance with the required procedures (24 CFR Part 58) and shall be addressed to: Mr. Ray Willis, HUD Director, Chicago Regional Office, 77 W. Jackson Blvd, Chicago, IL 60604. Potential objectors should contact HUD to verify the actual last day of the objection period.

Covenant House Launches Shelter for Homeless Youth in Chicago

By: Ashmar Mandou

Covenant House International officially opened its first new shelter in over a decade at Lawson House located at 30 W. Chicago Avenue and will provide services exclusively to youth experiencing homelessness, expanding the

city's capacity to house youth by 13 percent. Based on 2016 Point-in-Time data, the City estimates that there are as many as 500 youth ages 16-24 experiencing homelessness on any given night in Chicago. "These are young people who have aged out of the foster care system – or,

sadly, maybe never have had a stable, safe place to call home," said Joseph Mole, the new executive director of Covenant House Illinois. "One-third of the homeless youth in our city have been thrown out of their homes by a parent or guardian for a variety of reasons. They need help

to stay away from gangs, drug dealers, child traffickers and pimps who prey on these vulnerable youth. We give them support, compassion, a path out."

Covenant House Illinois opened earlier this month to fill a critical need for youth ages 18-24 with drop-in services and safe daytime space when overnight shelters close in the morning. These services, which will be offered Tuesdays through Satur-

days, include breakfast and lunch, showers, laundry, lockers for safe storage of personal belongings, crisis care, case management and a computer lab. Later in the year, Covenant House Illinois plans to add overnight shelter, beginning with 20 interim beds. "All of us at Covenant House are excited to be part of the collaborative and innovative community in Chicago that is working to end youth homelessness,"

said Mark Hennessy, Board Chairman for Covenant House Illinois. "Chicago homeless young people have additional vulnerabilities because of the violence and weather, but they have the same dreams and aspirations as all our children. With the help of a very strong network of partners in Chicago, we look forward getting more young people away from the despair of the streets."

Loretto Hospital Affirms Children's Dental Health Plays Vital Rose in Overall Well-Being

In honor of National Children's Dental Health the Loretto Month, Hospital Dental Clinic acknowledges dental hygiene is a crucial part of an adolescent's overall health. The dental clinic, which is part of the full spectrum of services in offered Loretto Hospital's Ambulatory Care Clinic, has been in full swing for more than a year providing comprehensive, quality dental care to adults and children ages just a few months old and older. Angelo Stamos, DMD, runs the dental clinic and says children should visit a dentist for regular checkups at least twice a year to avoid costly and longterm damage to teeth and gums. "The more you see a dentist as a child, the less vou'll see one as an adult." Stamos said. "Issues like crooked teeth, tooth decay,

bad breath, are easily fixed as a child rather than as an adult," he said. According to the Centers for Disease Control, cavities affects 1 in 5 children aged 5 to 11 years and 1 in 7 teens. If left untreated, tooth decay can cause pain, infections, and issues with eating, speaking, playing and learning, the CDC reports. "There is an increase

in tooth decay and bad breath because of poor diets related to cheap corn products that form alcohol in the stomach. Also, the sugars in these products can cause cavities. We can treat these conditions with fluoride and vitamins to make sure the teeth become healthy and are less affected by these products," Dr. Stamos said. Fluoride is

a natural mineral found in the earth's crust and distributed throughout nature. Some food and water supply contain this mineral, but it is standard of care by dentists to treat cavities. Children who live in areas with fluoridated tap water experience less tooth decay. In addition to providing adolescent dentistry, Dr. Stamos

specializes in patients with major health problems such as diabetes, high blood pressure, and cardiovascular which may interfere with healthy gums and teeth. Loretto Hospital's general dental services include:

- Check Ups
- Cleanings
- Emergency Dental Care
- Extractions (some restrictions apply)
- Fillings
- Oral Surgery
- Preventive Care
- Root Canals
- Teeth Whitening
- X-Rays

Dental services are available each Tuesday from 2:30 p.m. – 4:30 p.m., and on Fridays from 9 a.m. – 1 p.m. To learn more about the Loretto Hospital Dental Clinic, or to schedule an appointment, call 773-854-5306.
