Thousands March to Protest Elimination of DACA Marcha Masiva para Protestar Contra la Eliminación de DACA

Thousands March to Protest Elimination of DACA

By: Ashmar Mandou

Thousands of immigration activists and supporters descended onto Federal Plaza late Tuesday afternoon to denounce the Trump administration's decision to eliminate the Deferred Action for Childhood Arrivals program. "I am here to show solidarity to my fellow peers," said Andrea Solis, who attended the rally. "We need to focus more on education

than deportations." DACA was introduced by President Obama in 2012 as an enforcement policy that temporarily deferred deportations for hundreds of thousands of young people who were brought to the United States as children. While never intended to be a permanent solution, DACA brought stability to the lives of so many, providing nearly 800,000 young people to date with the opportunity to live,

work, drive, and participate openly in society without fear of apprehension and deportation from the only country they call home, including 42,000 in Illinois. Attorney General Jeff Sessions announced its termination on Tuesday. Angelica Magana, who is undocumented, took the microphone at the plaza rally to call on Illinois Congress members to draft replacement legislation to protect current DACA recipients. "When DACA

passed, it gave me an iota of hope. Now that has been taken away. We will not live in the shadows anymore," Magana said to raucous applause. With the rescission of the Deferred Action for Childhood Arrivals (DACA) initiative, there will be renewed pressure on Congress to pass federal legislation known as the Dream Act to protect young immigrants who are vulnerable to deportation. This fact sheet provides an overview of the Dream Act and other similar legislative proposals, explains changes made to DACA on September 5, 2017, and

provides information about policies at the state level that support Dreamers. The group remained chanting outside ICE headquarters until about 8 p.m. Police officers blocked their potential path onto the nearby expressway, but relations seemed peaceful between protesters and police. The Trump administration has challenged Congress to pass a law by March 5, 2018, that would allow people protected under DACA to stay in the U.S. Later on Tuesday, Trump tweeted that he could "revisit" his decision. On Wednesday, Mayor

Rahm Emanuel called for Governor Bruce Rauner to establish an Illinois Dreamer Bill of Rights. "President Trump's decision to end DACA is not only harmful to these young people; it strikes a blow against our core American values and is an affront to basic human decency," said Emanuel. "The United States is a nation of immigrants, not a country that tears families apart or deports children who have placed their faith in the promise of America. Not only will Chicago continue to welcome dreamers, we

Marcha Masiva para Protestar Contra la Eliminación de DACA

Por Ashmar Mandou

Miles de activistas y simpatizantes de inmigración descendieron a la Plaza Federal la tarde del martes para denunciar la decisión de la administración de Trump de eliminar el programa de Acción Diferida (DACA). “Estoy aquí para mostrar solidaridad con mis compañeros”, dijo Andrea Solís, quien asistió a la manifestación. “Necesitamos enfocarnos más en la educación que en la deportación”. DACA fue introducida por el Presidente Obama en el 2012 como una política que temporalmente difería la deportación de cientos de miles de jóvenes que fueron traídos a Estados Unidos cuando niños. Aunque nunca fue una solución permanente,

are calling on the State to do all it can to remain a welcoming place for the more than 40,000 DACA youth that live, work, and study in Illinois.”

Emanuel introduced a resolution, co-sponsored by Chairman Edward Burke, Clerk Anna Valencia, and the Latino Caucus, which calls on Rauner and the General Assembly to establish an Illinois Dreamers Bill of Rights. The bill would preserve protections for DACA recipients guaranteeing access to state financial aid and scholarships, professional licenses and certifications for jobs and additional protections against deportation. The Mayor’s resolution, presented at the

Chicago City Council, calls on the Governor to enact the following to protect Dreamers:

Ensure that Dreamers can remain in their jobs: In Illinois, Dreamers can become bar-certified attorneys but lack access to licenses and certifications in other fields such as health care, education, social work, and real estate. Governor Rauner and the Illinois General Assembly should change the law to allow Dreamers to enter additional professions and remain in those professions even after DACA expires. **Tighten protections in the newly-passed Illinois Trust Act:** Governor Rauner recently signed the Illinois Trust Act into law and established

important protections for undocumented residents. The law prohibits local governments from detaining undocumented residents on behalf of ICE. At the same time, the Trust Act allows home rule municipalities to opt out of the law and permits governments to communicate with ICE about detained individuals prior to their release. Governor Rauner and the General Assembly should strengthen the Trust Act to prohibit any cooperation or communication with ICE when it comes to Dreamers and disallow any local governments from exempting themselves from these new Dreamer protections.

DACA trajo estabilidad a la vida de muchos, dando a cerca de 800,000 jóvenes a la fecha, la oportunidad de vivir, trabajar, conducir y participar abiertamente en la sociedad sin el temor de ser aprendidos y

deportados del único país que ellos llaman hogar, incluyendo a 42,000 en Illinois. El procurador General Jeff Sessions anunció su terminación el martes. Angélica Magaña, quien es indocumentada,

tomó el micrófono en la manifestación de la plaza para pedir a los miembros del Congreso de Illinois que redacten una legislación de reemplazo para proteger a los recipientes actuales de

Grassroots Movement Launches Disruption Campaign

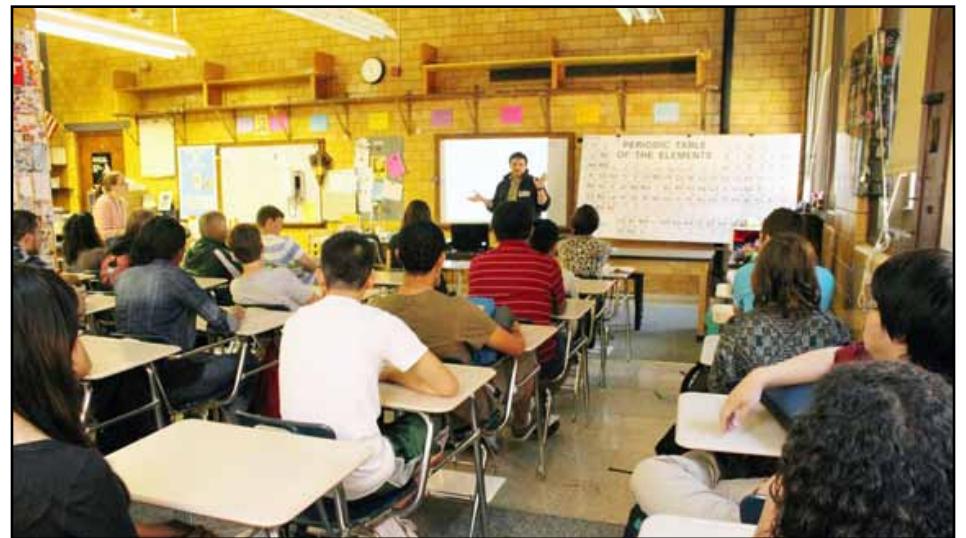

By: Ashmar Mandou

Representatives from Journey for Justice Alliance, Grassroots Education Movement, Northside Action for Justice, and Kenwood Oakland Community Organization led a press conference Wednesday morning at City Hall to oppose the privatization and loss of community schools in neighborhoods that have affected the lives of mostly black and Latino children. The #WECHOOSE campaign and the Grassroots Education Movement (GEM) have formed a coalition of community and labor groups in the city of Chicago organizing for equity in public education. GEM is a member of #WECHOOSE, which,

in more than 30 cities across the United States, is actively resisting school privatization, building local coalitions to finally win equity as mandated by the 1954 U.S. Supreme Court Brown v. Board of Education decision. The coalition is calling for a moratorium on school privatization and demanding that CPS live up to its agreement, codified in its contract with the Chicago Teachers Union, to identify and fund 22 existing community schools turning them into sustainable public schools. Following a news conference, coalition members will participate in the public comment portion of the City Council meeting. While the CPS has recognized the need for sustainable community schools its leadership has

stalled and dissembled in meetings to implement their commitment. The disruption campaign will spur the city and CPS to live up to their commitments. The #WECHOOSE campaign has a vision for CPS as a sustainable public schools district:

- Invest in Community Schools
 - Equal Education for All Students
 - Decriminalize Students using Restorative Justice Methods
 - Include Parent & Teacher Voices in Decision making
 - Ensure Students have Essential Support Services to Progress in School
 - Emphasize Teaching versus High-Stakes
- #WeChoose national campaign includes: Network for Public Education, BadAss

Teachers Association, Alliance to Reclaim Our Schools, The Advancement Project, the Education Justice Network, Alliance for Education,

Annenberg Institute for School Reform at Brown University, Dignity in Schools Campaign, Save Our Schools, Institute for Democratic Education in

America and Journey for Justice Alliance, whose combined membership represents millions of Americans. For more information go to www.j4jalliance.com.

Movimiento Grassroots Lanza Campaña de Ruptura

Por: Ashmar Mandou

Representantes de Journey for Justice Alliance, Grassroots Education Movement, Northside Action for Justice y Kenwood Oakland Community Organization condujeron una conferencia de prensa el miércoles en la mañana en la Alcaldía, para oponerse a la privatización y pérdida de escuelas comunitarias en los barrios, cosa que ha afectado la vida de los niños, en su mayoría negros y latinos. La campaña #WECHOOSE y Grassroots Education Movement (GEM) han formado una coalición de grupos de comunidades y trabajo en la ciudad de Chicago, organizándose por la equidad en la educación pública. GEM es miembro de #WECHOOSE, que en más de 30 ciudades de Estados Unidos resiste activamente la privatización de las escuelas y la construcción de coaliciones locales, para finalmente ganar equidad como fuera aprobado por

la Corte Suprema de E.U. Brown v. La Decisión de la Junta de Educación de 1954. La coalición pide una moratoria en la privatización de escuelas y pide que CPS cumpla su acuerdo, codificado en su contrato con el Sindicato de Maestros de Chicago para identificar y patrocinar 22 escuelas comunitarias existentes, convirtiéndolas en escuelas públicas sustentables. Tras una conferencia de prensa, los miembros de la coalición participarán en comentarios públicos de la junta del Concilio de la Ciudad. Aunque CPS ha reconocido la necesidad de escuelas comunitarias sustentables, su liderazgo se ha estancado y disimulado en las juntas para implementar su compromiso. La campaña de ruptura exhortará a la ciudad y a CPS a cumplir sus compromisos. La campaña #WECHOOSE tiene una visión para CPS como distrito escolar público sustentable:

- Invertir en Escuelas Comunitarias

- Educación Equitativa para Todos los Estudiantes
- Despenalizar a los Estudiantes Utilizando Métodos Restaurativos Justos
- Incluir las Voces de Padres y Maestros en las Decisiones
- Garantizar que los Estudiantes Tienen Servicios de Apoyo Esenciales para su Progreso en la Escuela
- Enfatizar la Enseñanza contra el Alto Riesgo

La campaña nacional #WeChoose incluye a: Network for Public Education, BadAss Teachers Association, Alliance to Reclaim our Schools, The Advancement Project, The Education Justice Network, Alliance for Education, Annenberg Institute for School Reform at Brown University, Dignity in Schools Campaign, Save Our Schools, Institute for Democratic Education in America and Journey for Justice Alliance, cuyo liderazgo combinado representa millones de estadounidenses. New Ordinance May Increase Affordable Housing in Gentrifying Neighborhoods

By: Ashmar Mandou

A three-year pilot program introduced to City Council on Wednesday morning by Mayor Rahm Emanuel, Alderman Walter Burnett and Alderman Joe Moreno would enhance the City's affordable housing policies in gentrifying neighborhoods on the Near North, Near West and Northwest sides. The initiative is expected to create up to 1,000 new affordable homes. The pilot program would target two areas determined through demographic data. The Milwaukee Corridor pilot area would include nearly nine square miles along Milwaukee Avenue within portions of Logan Square, Avondale and West Town. The Near North/Near West Pilot Area would include six square miles near the North Branch Industrial Corridor on the Near North Side and along the Green

Line and I-290 on the Near West Side. "This pilot initiative will enhance livability for

residents by addressing the specific needs of our community," said Alderman Moreno. "As

our neighborhoods grow and job opportunities increase, the availability of affordable housing must increase as well." The improvements in each area would expand the requirements of the 2015 Affordable Requirements Ordinance (ARO), which entails a 10 percent affordability component for all new projects with 10 or more units that receive a zoning change. The 2015 ARO also requires at least 25 percent of the required affordable units to be located on site or off-site, with the remaining obligation to be met through in-lieu fees up to \$225,000. "By improving upon and expanding the ARO, we will be able to meet the growing need for affordable housing and create more options for residents, especially those in areas experiencing gentrification pressures," said Alderman Burnett. City housing and planning staff will monitor the impact of the pilots on the creation of affordable units and local development and consider what refinements

may be appropriate to either continue or expand the policy both during and at the conclusion of

the three-year term. More information about the ARO is available at www.cityofchicago.org/dpd.

Nueva Ordenanza Puede Aumentar la Vivienda Asequible en Barrios Gentrificados

Por: Ashmar Mandou

Un programa piloto de tres años, introducido al Concilio de la Ciudad el miércoles por la mañana por el Alcalde Rahm Emanuel, el Concejal Walter Burnett y el Concejal Joe Moreno, ampliaría las regulaciones de vivienda asequible de la ciudad en barrios gentrificados del Norte, Oeste y Noroeste. La iniciativa se espera cree hasta 1,000 nuevas casas asequibles. El programa piloto estaría enfocado en dos áreas determinadas a través de datos demográficos El área piloto del Corredor Milwaukee incluiría cerca de nueve millas cuadradas a lo largo de la Ave. Milwaukee, dentro de las porciones de Logan Square, Avondale y West Town. el área piloto de Near North/Near West incluiría seis millas cuadradas cerca del corredor North Branch Industrial en el Sector Norte Cercano y a lo largo de Green Line y I-290 en el Sector Oeste Cercano.

"Esta iniciativa piloto ampliaría la habitabilidad de los residentes atendiendo necesidades específicas de nuestra comunidad", dijo el Concejal Moreno. "Al crecer nuestros barrios y aumentar las oportunidades de empleo, la disponibilidad de vivienda asequible debe aumentar también". Las mejoras en cada área ampliarían los requisitos de la Ordenanza de Requisitos Asequibles del 2015 (ARO) que implica un componente de disponibilidad del 10 por ciento en todo nuevo proyecto con 10 unidades o más, que recibiría un cambio de zona. El ARO del 2015 requiere también por lo menos 25 por ciento de requisito de unidades asequibles, que serán localizadas en el sitio o fuera, con la obligación restante de ser satisfecha con honorarios de hasta \$225,000. "Mejorando y ampliando el ARO, podremos atender la creciente necesidad de vivienda asequible y crear más opciones para los residentes, especialmente de los que están en áreas que experimentan presiones de gentrificación", dijo el Concejal Burnett. La vivienda de la ciudad y personal de planeamiento vigilarán el impacto de los programas piloto sobre la creación de unidades asequibles y desarrollo local y considerarán que refinamientos pueden ser apropiados para continuar o ampliar la póliza, tanto durante como a la conclusión del término de tres años. Más información sobre ARO disponible en www.cityofchicago.org/dpd.

US NEWS & WORLD REPORT:

Trump's Most **Dangerous** and Damaging Act Yet

Ending DACA, another step toward openly endorsing white supremacy, badly hurts this country.

By Luis V. Gutierrez

Ending the Deferred Action for Child Arrivals program was a serious mistake that will harm the United States and will spark a national political crisis.

Approximately 800,000 young immigrants who qualify for DACA have come forward over the past five years to register with the government, provide biometric identification and submit to criminal background checks. In return, they were granted temporary relief from deportation and can work legally and live in the United States. They are required to renew their permission to stay every two years.

Those who arrived in the U.S. as children have few if any other options to pursue higher education, careers and financial stability. DACA is a lifeline for individuals who have grown up in the U.S. but who lack immigration papers.

After five years, these young American residents are an integral part of our economic and civic life. They are essential to our communities, serving as doctors, lawyers, nurses, teachers and parents. In eliminating DACA, national gross domestic product will suffer an estimated \$433.4 billion loss over the next 10 years; federal tax contributions to Social Security and Medicare will lose \$24.6 billion in over a decade; and businesses will pay \$3.4 billion in unnecessary turnover costs.

That is why 132 prominent CEOs and business leaders recently wrote to President Donald Trump, urging him not to kill DACA. Ending it puts an estimated 1,400 young people out of work each day for the next two years. This is a self-inflicted wound our economy doesn't need.

Punishing individual immigrants who are deeply embedded in American communities is not the mandate Trump was given when he was elected. Recall that the Congressional Hispanic Caucus, Democrats and the pro-immigrant movement fought hard against a Democratic president, Barack Obama, to win DACA in the first place. I was arrested twice in demonstrations in front of the Obama White House in the push for DACA.

The law has withstood legal challenges, and it is working exactly as it was designed. I am confident my caucus and Democratic colleagues will fight a Republican president to defend DACA, in the courts, through legislation, community by community and deportation by deportation if necessary.

And Republicans, too, will face serious political consequences over the law's end. The party typically needs a lot of Democratic votes in the House to make up for the fact that Republicans are so deeply divided on spending, debt – and whether the government remaining open is a good thing. And with the fiscal year ending on Sept. 30, this is usually the time of year that Republicans come looking for those votes to avoid another embarrassing government shutdown.

If Republicans need our votes this time, they should be aware that my vote and the votes of my colleagues come

with a big condition: If we give them our votes, about 800,000 immigrant youth are coming with us.

There are a number of bills to resolve the disposition of undocumented youth, including two on which I have been the leader: the American Hope Act (HR 3591) to legalize immigrants who arrived as children, and the bipartisan BRIDGE Act (HR 496), which I introduced with Colorado GOP Rep. Mike Coffman to extend DACA protections for three years so Congress can pass a permanent solution. Finally, there is the DREAM Act of 2017, bipartisan legislation in the House and Senate that I support and that would give immigrant youth a path to eventual citizenship. So far, House Speaker Paul Ryan of Wisconsin and Senate Majority Leader Mitch McConnell of Kentucky have not allowed votes. Now, with the DACA crisis

upon us, perhaps the American people can convince Republicans that they should allow Congress to vote on how we incorporate immigrant youth into our society. Barring that, this action by Trump is further evidence that his administration is now on a very dangerous trajectory towards the full-throated endorsement of white supremacy – the likes of which we haven't seen in the open from a sitting president for a century. Trump followed up his weak and insincere response to racist violence in Charlottesville, Virginia by pardoning notorious convicted racist Joe Arpaio, the former Maricopa County, Arizona sheriff, and condoning Arpaio's abuse of official power in defiance of federal law and court orders. Trump praised those who marched at the University of Virginia with torches shouting "Jews will not replace us," and, in July 2015, he launched his campaign by saying Mexican immigrants are rapists and murderers.

But this action on DACA – to pull the rug out from under almost 800,000 documented immigrants and cast them back into the shadows – is the ugliest act of appeasement so far for the far-right's white-supremacist goals. It has not gone unnoticed.

Luis V. Gutierrez represents the 4th Congressional District of Illinois, is a member of the Judiciary Committee and is the chair of the Immigration Task Force of the Congressional Hispanic Caucus.

*Terminar DACA, otro paso hacia un
apoyo abierto a la supremacía blanca
daña gravemente este país.*

Por Luis V. Gutiérrez

Terminar el programa de la Acción Diferida DACA fue un grave error que dañará a Estados Unidos y provocará una crisis política nacional.

Aproximadamente 800,000 jóvenes inmigrantes que califican para DACA se han presentado los últimos cinco años para inscribirse con el gobierno, brindar identificación biométrica y someter revisiones de antecedentes criminales. A cambio de ello se les concedió alivio temporal a la deportación y el poder trabajar legalmente y vivir en Estados Unidos. Deben renovar sus permisos para quedarse cada dos años.

Los que llegaron a E.U., cuando niños tienen pocas o ninguna opción de seguir la educación superior, una carrera ni estabilidad financiera. DACA es una cuerda de salvación para las personas que han crecido en E.U., pero que carecen de papeles de inmigración.

Después de cinco años, estos jóvenes residentes estadounidenses son parte integral de nuestra vida económica y cívica. Son esenciales para nuestras

comunidades, fungiendo como doctores, abogados, enfermeros, maestros y padres. Al eliminar DACA el ingreso bruto nacional sufrirá una pérdida calculada en \$433.4 mil millones en los próximos 10 años; las contribuciones a impuestos federales, a seguro social y al Medicare perderán \$24.6 mil millones en más de una década; y el comercio pagará \$3.4 mil millones por costos de rotación innecesarios.

Es por eso que 132 CEOs prominentes y líderes del comercio escribieron recientemente al Presidente Donald Trump, exhortándolo que no terminar DACA. Terminándolo pone a aproximadamente 1,400 jóvenes fuera del trabajo cada día los próximos dos años. Esta es una herida autoinfligida que nuestra economía no necesita. Castigar a inmigrantes particulares,

profundamente enclavados en comunidades estadounidenses, no fue el mandato que dió al ser elegido. Recuerde que, en primer lugar, el Caucus Congresional Hispano, los Demócratas y el movimiento pro-inmigrante lucharon contra el presidente Barack Obama para ganar DACA. Yo fui arrestado dos veces en demostraciones frente a Obama en la Casa Blanca y en la lucha por DACA.

La ley ha resistido retos legales y funciona exactamente como fue designada. Confío en que mi caucus y colegas demócratas combatan a un presidente republicano para defender DACA, en las cortes, en la legislación, comunidad por comunidad y deportación por deportación, si es necesario.

Y los republicanos, también, enfrentarán graves consecuencias políticas al terminar la ley. El partido típicamente necesita muchos de los votos demócratas en la Cámara para compensar el hecho de que los republicanos están tan divididos en gastos, deudas – y si el que el gobierno permanezca abierto es algo bueno. Y con el fin del año fiscal el 30 de septiembre, este es usualmente el momento del año en que los republicanos buscan esos votos para evitar otro embarazoso cierre del gobierno. Si los republicanos necesitan nuestros votos esta vez, deben tener en cuenta que mi voto y los votos de mis colegas los tendrán con una gran condición: Si les damos nuestros votos, aproximadamente 800,000 jóvenes inmigrantes vienen con nosotros.

Hay numerosos proyectos para resolver la disposición de los jóvenes indocumentados, incluyendo dos de las cuales he sido líder: El Acta de la Esperanza Estadounidense (HR 3591) para legalizar a los inmigrantes que llegaron cuando niños y el Acta bipartidiana BRIDGE que presente con el GOP Rep. de Colorado Mike Coffman, de ampliar las protecciones de DACA por tres años para que el Congreso apruebe una solución permanente.

Finalmente, está el Acta DREAM del 2017, legislación bipartidiana en la Cámara y el Senado que yo apoyé y que

Con la revocación de la Acción Diferida (DACA) habrá una renovada presión en el Congreso para que apruebe una legislación federal conocida como

el Acta Dream para proteger a los jóvenes inmigrantes vulnerables a la deportación. Esta hoja de hechos ofrece una visión general del Acta Dream y otras propuestas legislativas similares, explica cambios hechos a DACA el 5 de septiembre del 2017 y provee información sobre políticas, a nivel estatal, que apoyan a los Soñadores. El grupo permaneció canturreando fuera de las oficinas de ICE hasta aproximadamente las 8 p.m. Funcionarios de la policía bloquearon su vía hacia la autopista cercana, pero las relaciones permanecieron pacíficas entre protestantes y la policía. La administración Trump ha retado al Congreso a aprobar una ley para el 5 de marzo de 2018, que permita a la gente protegida bajo DACA permanecer en E.U. Más tarde el martes, Trump tuiteó que podría “revisitar” su decisión. El miércoles, el Alcalde Rahm Emanuel pidió al Gobernador Bruce Rauner que estableciera la Carta de Derechos de los Soñadores de Illinois. “La decisión del Presidente Trump de terminar DACA no es solo dañina para estos jóvenes; es un golpe contra nuestros valores estadounidenses y una afrenta a la decencia humana básica” dijo

Emanuel. “Estados Unidos es una nación de inmigrantes, no un país que separa familias o deporta a niños que han depositado su fe en la promesa del país. No solo Chicago continuará recibiendo con beneplácito a los dreamers, pedimos al Estado que haga todo lo que pueda para que siga siendo un lugar de bienvenida para los más de 40,000 jóvenes DACA que viven, trabajan y estudian en Illinois”.

Emanuel introdujo una resolución copatrocinada por el Director Edward Burke, la Secretaria Anna Valencia y el Caucus Latino, que pide a Rauner y a la Asamblea General que establezca la Carta de Derechos de los Soñadores de Illinois. El proyecto preservaría las protecciones para los recipientes de DACA, garantizándoles el acceso a la ayuda

financiera estatal y becas, licencias profesionales y certificaciones para trabajos y protecciones adicionales contra la deportación. La resolución del Alcalde, presentada en el Concilio de la Ciudad de Chicago pide al gobernador que firme lo siguiente para proteger a los Soñadores:

Garantizar que los Soñadores pueden permanecer en sus trabajos:

En Illinois, los Soñadores pueden convertirse en abogados certificados pero carecen de acceso a licencias y certificaciones en otros campos, como el de cuidado de salud, educación, trabajo social y bienes raíces. El Gobernador Rauner y la Asamblea General de Illinois deben cambiar la ley para permitir que los Soñadores entren a profesiones adicionales y permanezcan en esas profesiones aún después

que DACA expire. **Aumentar las protecciones del Acta Illinois Trust recién aprobada** El Gobernador Rauner firmó recientemente el Acta Illinois Trust y la convirtió en ley y estableció importantes protecciones para residentes indocumentados. La ley prohíbe que los gobiernos locales detengan a residentes indocumentados a nombre de ICE. Al mismo tiempo, el Acta Trust permite que las municipalidades opten por no participar en la ley y permite a los gobiernos comunicarse con ICE sobre personas detenidas antes de su liberación. El Gobernador Rauner y la Asamblea General deben fortalecer el Acta Trust para prohibir cualquier cooperación o comunicación con ICE cuando se trate de los Soñadores y no permita que cualquier gobierno local se exima de estas nuevas protecciones a los Soñadores.

La Ley Más Peligrosa...

daría a los jóvenes inmigrantes un camino a una eventual ciudadanía. Hasta ahora, el Vocero de la Cámara, Paul Ryan, de Wisconsin y el Líder Mayoritario del Senado, Mitch McConnell de Kentucky no han permitido los votos. Ahora, con la crisis de DACA sobre nosotros, tal vez el pueblo estadounidense pueda convencer a los republicanos que deben permitir que el Congreso vote sobre como incorporamos a los jóvenes inmigrantes a nuestra sociedad.

Excepto eso, esta acción de Trump es evidencia de que su administración está ahora en muy peligrosa trayectoria hacia el endoso total de la supremacía blanca – probabilidades que no hemos visto en el término de ningún presidente durante un siglo. Trump continúa su débil y falsa respuesta a la violencia del racismo en Charlottesville, Virginia, perdonando al notoriamente racista convicto Joe Arpaio, ex alguacil del Condado de Maricopa en Arizona y perdonando el abuso de poder oficial de Arpaio desafiando órdenes de corte y leyes federales. Trump elogió a quienes marcharon en la Universidad de Virginia con antorchas gritando “Los judíos no nos van a reemplazar”, y el julio del 2015, lanzó su campaña diciendo que los inmigrantes mexicanos son violadores y asesinos.

Pero esta acción sobre DACA – de retirar la ayuda a cerca de 800,000 inmigrantes documentados y arrojarlos a la sombras – es el acto más feo de apaciguamiento para las metas de los supremacistas blancos de extrema derecha. No ha pasado desapercibido.

Illinois Business Immigration Coalition (IBIC) Releases Statement on Repeal of DACA

The Illinois Business Immigration Coalition (IBIC) is deeply disappointed in President Trump's decision to repeal DACA. The DACA program has allowed nearly 800,000 young immigrants brought here as children to attend school, pay taxes, and work in major companies in every industry in the United States. Illinois is home to nearly 42,400 DACA recipients - over 36,000 of whom are in our workforce. Ending DACA would result in approximately \$2.3 billion in lost GDP over the next decade. IBIC calls on Congress to quickly pass the bipartisan DREAM Act or similar legislative solution to enable 800,000 people to continue to work, go to school, and pay taxes, and to ensure that American companies do not lose some of their most talented employees.

"We are deeply concerned about President Trump's decision to revoke the Deferred Action for Childhood Arrivals program (DACA), states IBIC Co-chair and Exelon Corporation Chairman Emeritus John Rowe. "The only just and proper response is for Congress to pass the Dream Act or similar legislation. Many businesses depend upon these workers at the high and low skilled ends. Many of us have invested heavily in the education of these young people. All of our members are deeply concerned about the moral impact of destroying these young lives. Both the soul and the future of the Republican party rest upon finding better solutions to immigration"

"DePaul University was founded in 1898 to serve Chicago's large and growing immigrant population.

President Dr. A. Gabriel Esteban. "DePaul continues to provide a world-class education to all of our students, including new immigrants. Dream students are as much a part of Chicago as any students, and they deserve a chance to fully contribute to our culture and economy. I urge you to find a permanent solution that helps these students realize the American Dream."

"DACA has changed my life forever," said Carlos Roa, "I am currently on track towards finishing my architecture licensure and becoming a construction project manager working on skyscrapers." A study from the CATO Institute found that removing DACA recipients from our workforce in a single day would cost \$200 billion in lost GDP and \$60 billion in lost tax revenue over a decade, and would disrupt multibillion dollar industries like healthcare, technology, and finance.

This group had very limited access to higher education. Those men and

women built Chicago into the great city it is today," states DePaul University

Illinois Business Immigration Coalition (IBIC) Publica Declaración Sobre la Revocación de DACA

Illinois Business Immigration Coalition (IBIC) está sumamente desilusionado por la decisión del Presidente Trump de revocar DACA. El programa DACA ha permitido a cerca de 800,000 jóvenes inmigrantes, traídos aquí cuando niños, asistir a la escuela, pagar impuestos y trabajar en importantes compañías de todo tipo de industrias en Estados Unidos. Illinois es sede de cerca de 42,400 recipientes de DACA - más de 36,000 de los cuales están en nuestra fuerza laboral. Terminar DACA da como resultado aproximadamente una pérdida de \$2.3 mil

millones en la próxima década. IBIC pide al Congreso que apruebe rápidamente el Acta bipartidaria DREAM, o una legislación semejante, que permita a los 800,000 Dreamers continuar trabajando, ir a la escuela y pagar impuestos y para garantizar que las compañías estadounidenses no pierden unos de sus más talentosos empleados.

"E s t a m o s sumamente preocupados por la decisión del Presidente Trump de revocar el Acta de Acción Diferida DACA, declara el **codirector de IBIC y director emeritus de Exelon Corporation, John Rowe**. "La única

respuesta apropiada y justa es que el Congreso apruebe el Acta Dream o una legislación similar. Muchos negocios dependen de estos trabajadores. Muchos de nosotros hemos invertido mucho en la educación de estos jóvenes. Todos nuestros miembros están sumamente preocupados sobre el impacto moral de destruir la vida de estos jóvenes. El alma y el futuro del partido Republicano yace en encontrar mejores soluciones a inmigración". La Universidad DePaul fue fundada en 1898 para servir a la grande y creciente población de Chicago. Este grupo tiene un acceso muy limitado

safe and play away from construction sites. To help prevent accidents, Chicago residents should be mindful of construction work the Peoples Gas construction workers and crews are doing, including street repaving and large-scale projects. As construction continues into the fall months, Peoples

Gas offers the following construction zone safety tips for students to keep in mind when commuting to and from school:

•**Be alert:** Watch where you're going and be aware of construction equipment.
•**Maintain a safe distance:** Stay outside orange safety cones or fences.

•**Communicate:** Tell an adult if kids are playing in or near a construction zone.
•**Pay attention to signs:** Always obey signs posted at construction sites.
•**Watch your step:** Walk on the sidewalk, but stay off closed sidewalks or streets.
“With nearly 400,000

Cicero IL-The Cicero Mexican Cultural Committee will hold its Annual Señorita Queen Pageant on August 7, 2017 at the Cicero Community Center 2250 South 49th Ave., from 6p.m. to 10p.m. This year, there will be seven young contestants competing for Cicero's Crown. The winner will receive a cash scholarship, a full year membership to XSport Fitness, jewelry from Jared Jewelry and other prizes. The 2017-18 Cicero Queen will have a full agenda for the year, from volunteering for Junior Achievement, hosting Miss Illinois, attending cultural events, supporting the U.S. Marines Toys for Tots Program, visiting local schools, and many other activities. "It's been a great journey, and a lot of

fun," said current Cicero Queen Griselda Unzueta. "I'm a little sad and I'll miss it, but it will be an honor for me to pass the crown to my successor. All of these young ladies are winners and should be commended for taking this challenge to serve our community. I wish them all the best" said Unzueta. The Cicero Mexican Cultural Committee hopes to, one day, have a future contender in the Miss Illinois Title. "The Señorita Queen Pageant is great training ground for these young ladies to take on a bigger challenge, and we hope that someday we will have a Miss Illinois, from The Town of Cicero," said Josefina Vega, Board Secretary and pageant coordinator for the Cicero Mexican Cultural Committee.
