Democratic Party of Illinois

Announces New Voter Hotline

By: Ashmar Mandou

On Tuesday, the Democratic Party of Illinois announced a new statewide Voter Protection

Initiative to guarantee that all Illinois voters have open and fair access to the polls and work to resolve any barrier to voting in the state. Joined by Cook County Commissioner Jesús Chuy

García, DPI Executive Director Christian Mitchell illustrated how the party will apply dedicated staff to coordinate voter protection through every campaign and county organization. Mitchell said the DPI would work with local officials or courts if necessary to resolve any barrier to voting.

"Voting is every American's fundamental right, one that was fought for in countless battles. Even today, there

are countless examples of voter suppression and barriers to voting, and we will work diligently to dismantle those efforts," said DPI Executive Director Christian Mitchell. "Illinois has some of the strongest voting laws in this country, but that doesn't mean we're going to sit back and be passive this election. Today, the Democratic Party of Illinois is sending a strong message: your vote is

important and we're here to fight for it."

Both Mitchell and García recognized the countless people of color and generations of women that were denied the right to vote and risked their lives to make voting easier today. Mitchell pointed out that the fight continues today with voting rights under attack across the country. Since 2010, states have passed laws requiring photo identification at the polls and have curtailed early voting. Commissioner García noted that he emigrated to

the United States the same year the Voting Rights Act was enacted – but recently, the U.S. Supreme Court has gutted the Voting Rights Act.

"I want to encourage everyone to take advantage of their right to vote and to appreciate how important it is – especially for the Latino community – this election cycle," said Cook County Commissioner Jesús Chuy García. "People of color are under attack by the Trump administration and by their allies in Illinois, so we must resist those efforts, whether it is done

as an outward attempt at suppression or ignorance by election officials. If any Illinoisan encounters any obstacle to voting, I urge them to call the DPI hotline at 1-833-VOTER18." As part of this initiative, the DPI announced a new hotline that voters can call to report any instances of voter intimidation or voter suppression, or any unintentional instances of barriers. Voters can call 1-833-VOTER18, which will serve English and Spanish speakers.

Chicago Scholars Hosts Onsite Admissions Forum for First-Generation College Students

On Tuesday, Oct. 23rd, Chicago Scholars hosted the 12th annual Onsite Admissions Forum at McCormick Place. The Admissions Forum brought 185 colleges and universities, including five Ivy League schools, from around the country to the South Side to interview nearly 1,000 of Chicago's brightest, first-generation and financially under-resourced high school juniors for admissions interviews and possible offers of admission and merit scholarships. The unique event allowed talented and academically gifted students from nearly all of Chicago's high schools and neighborhoods to interview with up to five of the best match-fit colleges of their choice. Most students received college admissions decisions and merit aid scholarships that same day. Last year, there were more than 2,000 offers of admission and more than \$64 million in merit aid awarded. The event will also be honoring J. Thomas Hurvis with the 2018 Crystal Award for his work in improving the education of underserved youth and supporting the young people of Chicago.

U.S. Dept. of Health and Human Services Expands Opioid Aid

Mayor Rahm Emanuel announced a \$2 million federal U.S. Department of Health and Human Services Substance Abuse and Mental Health Services Administration grant to support the city's fight against the opioid crisis. The four-year grant will support the Opioid Overdose Reversal Project, which will support efforts to train and equip Chicago Police Department (CPD) patrol officers in all 22 Police Districts to carry and use naloxone to reverse overdoses, strengthen street outreach to link residents to treatment services, project evaluation and community education. The grant

will support improved emergency response to opioid overdoses across the entire City through the expanded use of naloxone, an overdose reversal medication. The initial pilot will include six police Districts most impacted by opioid use on Chicago's West and South Sides. All patrol officers in these six pilot Districts will complete an approved Narcan training curriculum and be qualified to reverse an opioid overdose when equipped with FDA-approved Narcan Nasal delivery devices. All Chicago Fire Department (CFD) vehicles are also already equipped with Narcan. This new expansion to police members will save more lives by allowing the first emergency responder on the scene to administer the lifesaving medication when necessary. The grant will also support new efforts to link residents who have experienced an opioid overdose to addiction treatment and support services. CPD will coordinate with CFD, the Chicago Department of Public Health (CDPH), the University of Chicago Health Lab and the Illinois Department of Human Services Division of Alcohol and Substance Abuse (DASA) to identify gaps in care, better align emergency healthcare protocols and implement best practices to connect overdose patients with support services and addiction treatment.

El Dept. de Salud y Servicios Humanos Amplía su Ayuda en Opioides

El Alcalde Rahm Emanuel anunció un subsidio de \$2 millones para la Administración de Servicios de Salud Mental y Abuso de Sustancias del Departamento de Salud y Servicios Humanos de E.U., para apoyar la lucha de la ciudad contra la crisis de opioides. El subsidio de cuatro años, apoyará el Proyecto de Reversión de Sobredosis de Opioides, que respaldará los esfuerzos de entrenar y equipar a los oficiales de patrulla del Departamento de Policía de Chicago (CPD) en los 22 Distritos Policiacos, para llevar y usar naloxona para revertir las sobredosis, fortalecer el enfoque en las calles y conectar a los residentes a servicios de tratamiento, evaluaciones y educación comunitaria. El subsidio apoyará la respuesta de emergencia a las sobredosis de opioides en la ciudad entera, por medio del mayor uso de naloxone, medicina para revertir la sobredosis. El programa piloto inicial incluirá los seis distritos de policía más impactados por el uso de opioides en los sectores sur y oeste de Chicago. Todos los oficiales de patrulla de policía en estos seis distritos piloto, completarán un currículo de entrenamiento Narcan

y estarán calificados para revertir la sobredosis de opioides cuando estén equipados con dispositivos para aplicar el Narcan Nasal aprobado por FDA. Todos los vehículos de los Departamentos de Bomberos de Chicago estarán también equipados con Narcan. Esta nueva ampliación a los miembros de la policía salvará más vidas al permitir responder a las emergencias en el lugar mismo, administrando la medicina cuando sea necesaria. El subsidio apoyará también nuevos esfuerzos por vincular a los residentes que han experimentado una sobredosis de opioides al tratamiento de adicción y servicios de apoyo. CPS coordinará con CFD, el Departamnto de Salud Pública de Chicago (CDPH), el Laboratorio de Salud de la Universidad de Chicago y la División de Abuso de Sustancias y Alcohol (DASA) del Departamento de Servicios Humanos de Illinois, para identificar brechas en el cuidado, alinear mejor los protocolos de cuidado de salud de emergencia e implementar mejores prácticas para conectar a los pacientes con sobredosis con los servicios de apoyo y el tratamiento de adicción.

New Investments Underway in Homeless Services

The Chicago Department of Family and Support Services (DFSS) Commissioner Lisa Morrison Butler announced a \$1.1 million investment in the 2019 budget to support homeless residents in Chicago. Funding will support a pilot to support homeless residents living in encampments, as well as supportive services for homeless families transitioning into Chicago Housing Authority (CHA) housing. The Encampment Response pilot will provide intensive outreach and supportive services to homeless encampment residents with a goal of transitioning residents to permanent supportive housing. Investments in the 2019 budget will include:

•Encampment Response/Navigation Team: The team, which will include a nurse practitioner, will work alongside other city agencies to provide sustained, coordinated support for encampment residents.

•Navigation Center for Encampment Residents: The Navigation Center, a low-barrier shelter successfully piloted this year, will continue to provide encampment residents with temporary housing until they can be successfully matched with permanent supportive housing.

•Overnight Encampment Outreach: Outreach teams will provide overnight support to encampment residents and follow-up with case managers during business hours.

The encampment pilot was designed by the Mayor's Interagency Task Force to Reduce Homelessness and modeled after a successful initiative developed by the City of San Francisco. City Council is expected to vote on Mayor Emanuel's 2019 city budget proposal in November. The proposed 2019 budget contains no

new taxes, and expands youth investments, builds on public safety

reforms, and bolsters the neighborhood services that residents expect.

Nuevas Inversiones en Servicios para Desamparados

La comisionada del Departamento de Servicios Familiares y de Apoyo de Chicago (DFSS), Lisa Morrison Butler, anunció una inversión de \$1.1 millones en el presupuesto del 2019, para apoyar a los residentes desamparados de Chicago. Los fondos apoyarán un programa piloto para ayudar a los residentes desamparados que viven en campamentos, así como servicios de apoyo para familias desamparadas en transición a la vivienda de Chicago Housing Authority (CHA). El programa piloto, Respuesta de Campamento ofrecerá un enfoque intensivo y servicios de apoyo a residentes desamparados que viven en campamentos, con la meta de pasar a los residentes a una vivienda de apoyo permanente. Las inversiones del presupuesto del 2019 incluirán:

•Respuesta Campamento/Equipo de Navegación: El equipo, que incluirá una enfermera practicante, trabajará con otras agencias de la ciudad para ofrecer un apoyo coordinado y prolongado a los residentes en campamentos.

para Residentes en Campamentos: El Centro de Navegación, refugio de baja barrera pilotado con éxito este año, continuará ofreciendo vivienda temporal a los residentes en campamentos, hasta que puedan ser colocados con éxito en una vivienda de apoyo permanente.

•Campamento durante la noche: Los equipos de extensión proporcionarán apoyo durante la noche para acampar a los clientes y dar seguimiento a los administradores de casos durante el horario comercial.

El programa piloto de campamento fue diseñado por el Grupo Especial Interagencias del Alcalde, para reducir el desamparo y siguiendo la exitosa iniciativa desarrollada por la Ciudad de San Francisco. Se espera que el Concilio de la Ciudad vote por el presupuesto de la ciudad propuesto por el Alcalde Emanuel en noviembre. El presupuesto propuesto para el 2019 no contiene nuevos impuestos y amplía las inversiones juveniles, trabaja sobre reformas de seguridad pública y mejora los servicios de los barrios que los residentes esperan.

Chicago Park District Renames Park in Honor of Fallen Police Officer

The Chicago Park District General Superintendent, Michael Kelly and Alderman Ed Burke join the family of late Chicago Police Officer Irma C. Ruiz and members of the Archer Heights community for the ceremonious renaming of Walnut Park, located

at 3801 W. 45th Street in honor of fallen Chicago police officer, Irma C. Ruiz. Ruiz became one of the first female officers in the Chicago Police Department history to be killed in the line of duty. On September 22, 1988, Ruiz and her partner Officer Greg Jaglowski responded

to a call from a local school for assistance with an unruly student. A heavily armed gunman entered the school and opened fire, injuring Officer Jaglowski and fatally striking Officer Ruiz in the chest. Graduating from the Chicago Police Academy on Oct. 1, 1976, Officer

Irma C. Ruiz was among the first female officers assigned to the Grand Crossing District. Irma C. Ruiz Park is located in the Archer Heights community. The park offers a small playground that was renovated in the fall of 2015 as part of Mayor Emanuel's Chicago Plays! Program and a soccer mini pitch

that opened in July of this year. Earlier this month, Chicago Park District Board of Commissioners voted to rename Walnut Park in honor of Officer Irma C. Ruiz after an overwhelming show of community support.

país, pero eso significa que vamos a sentarnos y a esperar pasivos esta elección. Hoy en día, el Partido Demócrata de Illinois está enviando un fuerte mensaje: Tu voto es importante y estamos aquí para luchar por él”.

Tanto Mitchell como García, reconocieron la innumerable gente de color y las generaciones de mujeres a quienes se negó el derecho al voto y arriesgaron su vida para facilitar el voto hoy. Mitchell señaló que la lucha continúa hoy con el derecho al voto bajo ataque en todo el país. Desde el 2010, los estados han aprobado leyes que requieren identificación con foto en las casetas de votación y han recortado la votación anticipada. El Comisionado García hizo notar que él emigró a Estados Unidos el mismo año en que entró en efecto el Acta del Derecho al Voto – pero recientemente, la Corte Suprema de E.U. ha destruido dicha ley.

“Quiero animar

a todos a que aprovechen el derecho al voto y aprecien lo importante que es – especialmente para la comunidad latina – este ciclo de elecciones”, dijo el Comisionado del Condado de Cook, Jesús Chuy García. “La gente de color está bajo ataque por la administración Trump y sus aliados en Illinois, por lo que debemos resistir esos esfuerzos, ya sea que se haga como un intento externo de supresión o por ignorancia de los funcionarios electorales. Si cualquier residente de Illinois encuentra algún obstáculo para votar, les pido que llamen a la línea directa de DPI al 1-833-VOTER18”. Como parte de esta iniciativa, DPI anunció una nueva línea directa a la que los votantes pueden llamar para reportar cualquier caso de intimidación de votantes o supresión de votantes, o cualquier caso no intencional de barreras. Los votantes pueden llamar al 1-833-VOTER18, que atenderá en inglés y español.

Cicero Expands Specialized Stroke Unit Offering 24/7 Response Coverage

Town President Larry Dominick announced that a new contract was negotiated with Rush University Medical Center to expand the service hours of a specialized Mobile Stroke Unit that was assigned to the Town of Cicero last April. The original agreement designated a mobile Stroke Unit from Rush

University Medical Center to be available to respond to Cicero emergencies during a limited window from 7 am until 7 pm each day. Dominick had said after granting access for the emergency Mobile Stroke Unit from Rush University Medical Center last April that he hoped to have the unit expand its

services to cover the evening hours when, according to emergency personal, many stroke-related emergencies occur. The contract with Rush University Medical Center, 1700 W. Van Buren Street, in Chicago, to make the Mobile Stroke Unit available to the Town of Cicero was approved by the

Town of Cicero Board at its regularly scheduled meeting on Tuesday, April 10, 2018. Cicero Fire Commissioner Dominick Buscemi said that the Cicero ambulance teams respond quickly to emergency calls, but he said that the issue is the time it takes to bring stroke patients to the hospital for treatment. Rush is the recipient of a private grant

to fund the Mobile Stroke Unit which is owned and operated by Superior and outfitted with a Rush-owned physician clinic, including physician consultation via telemedicine, a CT Scanner, clinical laboratory and certain other medical technology necessary to provide mobile stroke diagnosis and treatment.

Cicero Expande la Unidad Especializada de Derrame Cerebral que Ofrece Cobertura de Respuesta 24/7

El Presidente del Municipio de Cicero, Larry Dominick, anunció haber negociado un nuevo contrato con Rush University Medical Center para ampliar las horas de servicio de una Unidad Móvil Especializada en Derrame Cerebral que fue asignada a Cicero el pasado abril. El acuerdo original designó una Unidad Móvil Especializada en Derrame Cerebral de Rush University Medical Center que estuviera disponible para responder a las emergencias de Cicero durante un período de tiempo limitado, de 7 a.m. a 7 p.m. todos los días. Dominick ha dicho que después de haber concedido el acceso de la Unidad Móvil Especializada en Derrame Cerebral de Rush University Medical Center el pasado abril, esperaba que la unidad ampliara sus servicios para cubrir las horas de la tarde, cuando de acuerdo al personal de emergencia, ocurrían muchas emergencias relacionadas con un derrame cerebral.

El contrato con Rush University Medical Center, 1700 W. Van Buren St., en Chicago para que la unidad estuviera disponible en el Municipio de Cicero, fue aprobada por la Junta del Municipio de Cicero en su reunión regular el martes, 10 de abril del 2018. El comisionado de Bomberos de Cicero, Dominick Buscemi, dijo que el equipo de ambulancias de Cicero responde rápidamente a las llamadas de emergencia, pero dijo que el problema es el tiempo que toma llevar a los pacientes de derrame cerebral al hospital para su tratamiento. Rush es recipiente de un subsidio privado que patrocina la Unidad Especializada en Derrames Cerebrales, que es propiedad y operada por Superior y equipada con una clínica de doctores de Rush, incluyendo la consulta con un doctor vía telemedicina, un Scanner CT, un laboratorio clínico y ciertas otras tecnologías médicas necesarias para brindar diagnóstico y tratamiento en caso de un derrame cerebral.
