Won’t Scare or Trick Voters’**

'Trump attack on citizenship won't scare or trick voters'

By: Ashmar Mandou

US President Donald Trump vowed Tuesday to end birthright citizenship -the process by which babies born in the country automatically become citizens -by executive order, while stating the US was the only nation to grant such rights. According to the CIA World Factbook, nearly three dozen countries, mostly in Central and South America, currently recognize *jus soli*, the Latin term for "right of the soil," commonly known in the US as birthright citizenship. In the US, citizenship is governed by the 14th amendment to the constitution, which states "all persons born or naturalized in the United States and subject to the jurisdiction thereof, are citizens of the United States and of the State wherein they reside." Despite Trump's claim that he can rescind this right by executive order, lawmakers on both the left and right stated it is almost impossible without a constitutional amendment. Local elected officials in Illinois attributed Trump's announcement as nothing more than a scare tactic to ward off voters and issued statements to encourage voters to head to the polls. "The 14th Amendment and decades of Supreme Court precedent are crystal clear: Anyone born in the U.S. and within its legal reach is a U.S. citizen. The president has no authority to single-handedly overturn the 14th

Amendment. To quote Gold Star father Khizr Khan, 'Have you even read the U.S. Constitution?' This administration is again trying to score political points by viciously attacking and dehumanizing immigrant families right before the election. As Halloween approaches, we will not be scared, and we will not be tricked. Instead we will make our voices heard one week from today at the polls--and we urge everyone eligible to GO VOTE!" -**Executive Director of the Illinois Coalition for Refugee and Immigrant Rights Lawrence Benito** "This is just another example of the president saying something outrageous to drum up support. The president alone does not have the

authority to override the Constitution. He knows this, and yet he is once again stoking fear and division. What he is proposing is not only unconstitutional - it is un-American. At its core, America is about welcoming people and giving them a chance at a better life. We must continue to fight this racist rhetoric and ensure the immigrant families in our state know they are welcome." -**Assistant Majority Leader Iris Y. Martinez** "Once again, President Trump is abusing his office to attract support from right wing extremists," Castro said. "We need to work together as a society to embrace the contributions diversity brings to our nation, state and society instead of pitting people against each other. Plain

and simple, the president's actions are illegal." -**State Senator Cristina Castro** "Trump is showing his desperation headed into next week. It is incredible how far he is willing to go to protect himself from Speaker Pelosi and the subpoenas he knows are coming next year. He must be making a lot more money from his time in office than we even imagined. Republicans can't run on the colossal tax-cuts for billionaires and they can't run on taking health care from middle-class families; so the Trump approach is to ratchet up the division, fear and hate. Even as we cope with bombers and mass murderers triggered by lies about refugees and immigrants, Trump keeps going back to his comfort zone, the foundation of his presidency: hating

on brown people." -**Congressman Luis Guterrez**

"Trump's proposed executive order assumes he or any President has the sole authority to change our constitution. It's an insult to the very document that guarantees our rights as Americans. This is another tactic to gain popularity by instilling fear of our immigrant community in his supporters. People seeking asylum in this country have a human right to be treated with dignity. I will continue to be a voice for immigrants who have contributed so much to my district, our state and country." -**Assistant Majority Leader Antonio "Tony" Munoz**

El Ataque de Trump a la Ciudadanía no Asustará ni Engañará a los Votantes

Por Ashmar Mandou

El Presidente de EU Donald Trump juró el martes terminar la ciudadanía por nacimiento – proceso por el cual los bebés nacidos en el país automáticamente adquieren la ciudadanía – por orden ejecutiva, declarando que EU era la única nación que concede tales derechos. De acuerdo a CIA World Factbook, cerca de tres docenas de países, la mayoría en Centro y Sudamérica actualmente reconoce *jus soli*, término latino de “derecho al suelo”, comúnmente conocido en EU como ciudadanía por nacimiento. En EU, la ciudadanía está gobernada por la enmienda 14 de la constitución, que declara “todas las personas nacidas o naturalizadas en Estados Unidos y sujetas a su jurisdicción, son ciudadanos de Estados Unidos y del Estado donde residan”. A pesar del reclamo de Trump de que puede rescindir este derecho por orden ejecutiva, los legisladores, tanto de izquierda como de derecha, declararon que es casi imposible sin una enmienda constitucional. Los funcionarios electos locales en Illinois atribuyeron el anuncio de Trump a solo una táctica de miedo para alejar a los votantes y emitió declaraciones para animar a los votantes a ir a las urnas.

La enmienda 14 y décadas de precedentes de la Suprema Corte son claras: Cualquiera nacido en E.U. y dentro de su alcance legal es ciudadano de E.U. El presidente no tiene autoridad para

revocar por sí mismo la enmienda 14. Citando al Padre de Gold Star, Khizr Khan, ‘¿Alguna vez han leído la Constitución de E.U.?’ Esta administración una vez más trata de ganar puntos políticos atacando viciosamente y deshumanizando a la familias inmigrantes antes de las elecciones. Como Halloween se acerca, no tendremos miedo y no nos engañarán. Haremos oír nuestras voces y dentro de una semana iremos a las urnas de votación – exhortamos a toda persona elegible a que VAYAY VOTE!’ **Director Ejecutivo de Illinois Coalition for Refugee and Immigrant Rights Lawrence Benito**

Este es solo otro ejemplo del presidente diciendo algo escandaloso para ganar apoyo. El presidente solo no tiene la autoridad para revocar la constitución. El lo sabe y sin embargo vuelve a sembrar temor y división. Lo que propone no solo es inconstitucional – es contra los estadounidenses. En su esencia, Estados Unidos está por recibir a la gente y darles una oportunidad de tener una vida mejor. Debemos

continuar luchando contra esta retórica racista y garantizar que las familias de inmigrantes en nuestro estado saben que son bienvenidas”. **-Líder de la Mayoría Auxiliar, Iris Y Martínez**

“Una vez más, el Presidente Trump está abusando de la oficina para atraer apoyo de los extremistas de la derecha”, dijo Castro. “Necesitamos trabajar juntos como sociedad para abrazar las contribuciones que la diversidad trae a nuestra nación, el estado y la sociedad, en vez de poner a la gente una contra otra. Claro y sencillo, las acciones del presidente son ilegales”. **-Senadora Estatal Cristina Castro**

“Trump está mostrando su desesperación dirigida a la semana próxima. Es increíble lo lejos que está dispuesto a llegar para protegerse de la Vocera Pelosi y las citaciones que sabe vienen el próximo año. Debe estar haciendo mucho más dinero en la oficina de lo que nunca se imaginó. Los republicanos no pueden postularse con los colosales recortes de impuestos para los multimillonarios y

Ameya Pawar Launches Candidacy for City Treasurer

Ameya Pawar announced his candidacy for the office of Chicago city treasurer on Monday, pledging to be a champion for financial justice and racial equity. Pawar, who has been alderman of the 47th Ward since 2011, said he was inspired to run for treasurer by his own family's story. "My dad emigrated to the United States more than 40 years ago. His career tracked a turbulent time in American manufacturing where offshoring, automation and the squeezing of workers meant he was trapped in an endless cycle of starting a new job and layoffs," said Pawar. Pawar, who launched his candidacy after current Treasurer Kurt Summers announced he would not seek reelection, was immediately endorsed by fellow aldermen Ald. Pat Dowell (3), Ald. David Moore (17) and Ald. Ricardo Muñoz (22). "From fighting for union rights for airport workers to passing legislation guaranteeing paid sick

leave for hundreds of thousands of Chicagoans, I have worked closely with Ald. Pawar over the past seven years," said Ald. Muñoz. Pawar is also backed by Ram Villivalam, Democratic nominee for State Senator of the 8th District, who will be the first Asian American State Senator in Illinois; Metropolitan Water Reclamation

District Commissioner Josina Morita, who was the first Asian-American to be elected countywide in Cook County; and State Rep. Theresa Mah (2nd District), the first Asian-American member of the Illinois General Assembly. He also has support from the International Union of Operating Engineers Local 150.

Energy Vampires Are Lurking in Homes

With so much at stake, Halloween is great time to stop Energy Vampires who steal electricity in homes. Energy Vampires are electric devices that continue to draw electricity when plugged in – even when they are turned off. According to the U.S. Department of Energy, the average household spends \$100 to \$200 per year to power plugged-in electronics and appliances while they are off or in standby mode. Here are a few tips that can help customers close the coffin on Energy Vampires:

- Unplug electronics when not in use to save electricity. Some home electronics – including mobile phone chargers, computers, printers and game consoles – continue to use power even when turned off. According to the U.S. Department of Energy, this "vampire energy" can account for 10

percent of your monthly electric bill.

- When planning to be away from home, always remember to unplug all nonessential devices.

- Look for the ENERGY STAR® label on home appliances, electronics and other products. ENERGY STAR products meet strict

efficiency guidelines set by the U.S. Environmental Protection Agency and the U.S. Department of Energy.

For more information on energy-saving tips, tools and rebates, visit ComEd.com/HomeSavings for residential customers and ComEd.com/BizSavings for business customers.

Los Vampiros de Energía Acechan los Hogares

Con tanto en juego, el Halloween es un buen momento para detener a los Vampiros de Energía que roban la electricidad en los hogares. Los Vampiros de Energía son unos dispositivos eléctricos que continúan tomando electricidad cuando se enchufan – inclusive cuando están apagados. De acuerdo al Departamento de Energía de E.U., el promedio de hogares gasta \$100 a \$200 por año por tener conectados electrónicos y electrodomésticos mientras están fuera o en modo de espera. A continuación unos cuantos consejos que pueden ayudar a los clientes a cerrar el ataúd de los Vampiros de

Energía.

- Desconecte los aparatos electrónicos cuando no los use para ahorrar electricidad. Algunos electrónicos caseros – incluyendo cargadores de teléfonos móviles, computadoras, impresoras y consolas de juego – continúan utilizando electricidad aún cuando están apagados. De acuerdo al Departamento de Energía de E.U., estos "vampiros de energía" pueden ser culpables del 10 por ciento de su cuenta mensual de electricidad.

- Cuando planea estar fuera de casa, recuerde desconectar todos los dispositivos no necesarios.
- Busque la etiqueta ENERGY STAR® en electrodomésticos, electrónicos y otros

productos. Los productos ENERGY STAR cumplen estrictamente con las guías fijadas por la Agencia de Protección al Ambiente de E.U. y el Departamento de Energía de E.U.

Para más información sobre consejos para ahorrar energía, herramientas y reembolsos, visite ComEd.com/HomeSavings para clientes residenciales y ComEd.com/BizSavings para clientes comerciales.

El Ataque de Trump... *Viene de la página 3*

a bombarderos y asesinos en masa provocados por mentiras sobre refugiados e inmigrantes, Trump sigue volviendo a su zona de confort, la base de su presidencia: su odio a la gente marrón".
—congresista **Luis Gutiérrez**

"La propuesta orden ejecutiva de Trump

asume que el o cualquier presidente tiene toda la autoridad para cambiar nuestra constitución. Es un insulto al documento mismo, que garantiza nuestros derechos como estadounidenses. Esta es otra táctica para ganar popularidad infundiendo el temor a nuestra comunidad inmigrante en

sus simpatizantes. La gente que busca asilo en este país tiene el derecho humano de ser tratado con dignidad. Continuaré siendo una voz para los inmigrantes que han contribuido tanto a mi distrito, nuestro estado y nuestro país". - **Líder de la Mayoría Auxiliar Antonio "Tony" Muñoz**
