Art, Youth, and Friendship

Latino Art Beat held their second annual Youth Arts Initiative in Havana, Cuba earlier this month, once again transforming the lives of talented young artists across the island. "It's incredible to see the eagerness and passion from students to participate in this initiative," said President of Latino Art Beat Don Rossi Nuccio. "It is always an honor to come back and partner with Casas de Cultura and Cuban Ministry of Culture to reach high school students with such tremendous talent and who speak high praise for American students."

The partnership between Latino Art Beat and the Cuban Ministry of Culture began in March of 2016 when Rossi Nuccio served as a guest of the Obama White House during the former President's historic trip to Cuba. "I distinctly remember former President Obama's

message to us all about connecting with people. I took that message to heart and decided to have Latino Art Beat expand its mission outside of the United States," said Rossi Nuccio. Latino Art Beat introduced an art competition to the youth of Cuba themed "*Friendship between the Youth of the United State and Cuba.*" The first initiative was an unequivocal success, which resulted in inviting two top Cuban young competition winners to study at the prestigious Maryland Institute College of Art, Baltimore, MD (MICA) for its advanced art summer courses.

This year's competition winners, who followed the same theme as the previous year, participated in a ceremony held at the Casas de Cultura headquarters in Havana where they were

able to display their artwork in front of their parents, teachers, family members, and government officials. "It is extremely important to continue to build this partnership between our organizations and provide a platform for students... students who are self-reflective, knowledgeable, passionate, and students who have ambition," said Rossi Nuccio. Among this year's winner was Stephenie Rivero Toledo, 17, who created a drawing reflecting the fusion of a self-portrait with that of an American woman titled, "Ser Humano."

"In the artwork which I submitted, I have represented how two cultures can be together as one, and it doesn't matter if they are different. Sometimes we forget that we all are the same," said Toledo in a statement.

Each student was awarded with gift boxes containing substantial materials and supplies, and a ribbon medallion. One of last year's winners was Favio Felipe Gonzalez, 17, who studied in the United States through the Latino Art Beat/MICA scholarship initiative and now serves as Latino Art Beats First

Youth Ambassador in Cuba. "I wish to relay my thanks to Don Rossi Nuccio for this opportunity through Latino Art Beat and MICA. It's not only the experience I had in studying advanced art outside of my country -it made me a better student and also a better artist."

As for what's

next for Latino Art Beat, Rossi Nuccio shared his upcoming plans. "It is Latino Art Beats objective to hopefully be able to do a proper student exchange with U.S. students going to Cuba and Cuban students once again coming to the States to study during the summer of 2019. "MICA", our premier academic partner is already on board and committed to receive next year's young Cuban student artist winners of this milestone competition"

Arte, Juventud y Amistad

Por: Ashmar Mandou

Latino Art Beat tuvo su segunda iniciativa Arte Juvenil en La Habana, Cuba, a principios de este mes, transformando una vez más la vida de talentosos jóvenes artistas de la isla. “Es increíble ver la ansiedad y la pasión de los estudiantes para participar en esta iniciativa”, dijo el Presidente de Latino Art Beat, Don Rossi Nuccio. “Siempre es un honor

como conectarse con la gente. Tomé ese mensaje en serio y decidí que Latino Art Beat ampliara su misión fuera de Estados Unidos”, dijo Rossi Nuccio. Latino Art Beat introdujo una competencia de arte a los jóvenes de Cuba titulado “*La Amistad entre los Jóvenes de Estados Unidos y Cuba*”. La primera iniciativa fue un éxito inequívoco, que dio como resultado la invitación a los dos jóvenes

importante continuar estableciendo esta afiliación entre nuestras organizaciones y ofrecer una plataforma para los estudiantes... estudiantes auto-reflexivos, expertos, apasionados y estudiantes que tienen ambición”, dijo Rossi Nuccio. Entre los ganadores de este año estuvo Stephenie Rivero Toledo, de 17 años, que creó un dibujo reflejando la fusión de un auto-retrato con uno de una mujer

regresar y asociarse con Casas de Cultura y el Ministerio de Cultura cubano para alcanzar a los estudiantes de secundaria con tan tremendo talento y que tienen en tan alta estima a los estudiantes estadounidenses”.

La afiliación entre Latino Art Beat y el Ministerio de Cultura Cubano comenzó en marzo del 2016, cuando Rossi Nuccio fungió como invitado en la Casa Blanca de Obama, durante el histórico viaje del ex-presidente a Cuba. “Recuerdo claramente el mensaje que nos dio el ex-Presidente Obama sobre

cubanos ganadores de la competencia para estudiar en el prestigioso Maryland Institute College of Art, Baltimore, MD (MICA) sus cursos avanzados de verano.

Los ganadores de la competencia de este año, que siguieron el mismo tema del año anterior, participaron en una ceremonia celebrada en las oficinas de Casas de Cultura en La Habana, donde pudieron exhibir sus obras de arte frente a sus padres, maestros, miembros de la familia y funcionarios del gobierno. “Es extremadamente

estadounidense titulado, “Ser Humano”.

En la obra de arte que sometí, representé como dos culturas pueden juntarse como una sola y no importa si son diferentes. Algunas veces olvidamos que somos los mismos”, dijo Toledo en una declaración. Cada estudiante recibió cajas de regalo conteniendo considerables materiales y suministros y un medallón de cinta. Uno de los ganadores del año pasado fue Favio Felipe González, de 17 años, quien estudió en Estados Unidos gracias

Pappas' Turns Office Into Christmas Wonderland

More than 90 Christmas trees and religious displays that show different ways of celebrating the holidays are on display in the downtown Chicago office of Cook County Treasurer Maria Pappas. This is the 15th year of "Christmas Trees from Around the World," the display of three-foot-high trees which are decorated by members of ethnic and religious communities to represent their heritage. "Diversity is one of the Chicago area's great strengths. It is very powerful when people come together," Pappas said. "We see that unity in the way different ethnic

groups decorate trees for the same vital holiday." The display will be up until

January 2nd in Room 112 of the Cook County Building, 118 N. Clark St.

ICIRR: Miembros del Congreso Deben Condenar la Acción Militar de E.U. Contra Emigrantes Desarmados y Personas que Buscan Asilo

Cortesía de ICIRR

El domingo, la Patrulla Fronteriza de E.U. atacó violentamente a una multitud de inmigrantes, incluyendo mujeres, infantes y niños pequeños que estaban en el lado de México de la frontera México/EU en San Ysidro. Los ataques estuvieron entre un estimado de 5000 personas que esperaban solicitar asilo y entrar a E.U. Algunos han estado esperando en la frontera por seis meses. A continuación una declaración del Director Ejecutivo de Illinois Coalition for Immigrant and Refugee Rights, Lawrence Benito: "En vez de ofrecer alivio y compasión para quienes lo necesitan y proteger los derechos y seguridad de quienes esperan la oportunidad de solicitar asilo, el gobierno de E.U. ha desatado la violencia contra ellos. ICIRR pide a nuestros

18 Representantes en el Congreso de E.U., junto con los Senadores Duckworth y Durbin, que protesten fuertemente y pidan un cese inmediato de este ataque provocativo

sobre los inmigrantes y refugiados, antes de que Estados Unidos pierda por completo su reputación como refugio para los oprimidos y tierra de oportunidades".

Pappas Convierte la Oficina en una Maravilla Navideña

Más de 90 árboles Navideños y exhibiciones religiosas que muestran las diferentes formas de celebrar las navidades, están expuestas en la oficina de la Tesorera del Condado de Cook, en Chicago. Este es el 15º año de "Árboles Navideños de Alrededor

del Mundo", exhibición de árboles navideños de tres pies de alto, decorados por miembros de comunidades étnicas y religiosas para representar su herencia. "La diversidad es una de las mayores fortalezas del área de Chicago. Es muy poderosa cuando la gente

se une", dijo Pappas. "Vemos que la unidad en la diferente forma en que los grupos étnicos decoran los árboles es la misma navideña vital". La exhibición estará abierta hasta el 2 de enero, en el cuarto 112 de Edificio del Condado de Cook, 118 N. Clark St.

ICIRR: Members of Congress must condemn U.S. military action against unarmed migrants, asylum seekers

Courtesy of ICIRR

On Sunday, the U.S. Border Patrol violently attacked a crowd of migrants, including women, infants and small children, who were on the Mexico side of the U.S./Mexico border at San Ysidro. Those attacked were among the estimated 5000 persons hoping to apply for asylum and to enter the U.S. Some have been waiting at the border crossing for six months. Following is a statement from Illinois Coalition for Immigrant and Refugee Rights Executive Director Lawrence Benito: "Instead of providing relief and compassion to those in need, and protecting the rights and safety of those awaiting their chance to apply, the U.S. government has rained violence down

on them. ICIRR calls upon our 18 Representatives in the U.S. Congress, along with Senators Duckworth and Durbin, to protest loudly and demand an immediate cessation

of this provocative and unwarranted attack on migrants and refugees, before the U.S. forfeits entirely its reputation as a haven for the oppressed and a land of opportunity."

Rehabilitación de la Instalación Médica de Chicago Animal Care & Control

El Alcalde Rahm Emanuel y la Directora Ejecutiva de Chicago Animal Care and Control (CACC), Kelley Gandurski anunciaron nuevas inversiones como parte del presupuesto del 2019 para renovar la instalación médica del albergue y fortalecer el cuidado médico. El nuevo proyecto permitirá la práctica médica del albergue con más eficiencia para los animales de CACC y para apoyar la adopción y la transferencia y el rescate de las mascotas del albergue. En enero se iniciará una completa renovación de las áreas médicas y de cirugía en la instalación existente, que tiene más de 20 años. Chicago Animal Care and Control Announce Rehabilitation of Shelter Medical Facility

Mayor Rahm Emanuel and Chicago Animal Care and Control (CACC) Executive Director Kelley Gandurski announced new investments as part of the 2019 budget to renovate the shelter's medical facility and strengthen medical care. The new project will allow the shelter's medical practice to more efficiently and effectively treat CACC's animals to support the adoption, transfer and rescue of

shelter pets. In January, a complete renovation of the medical and surgery areas will begin on the existing medical facility, which is more than 20 years old. This will include electrical structural and mechanical updates to the prep, triage, surgery, recovery, and exam rooms. CACC is partnering with the University of Illinois to host veterinary medical students to assist with providing additional care to shelter

animals. The renovation of the medical and surgery suite will educate future veterinarians while the shelter will benefit from additional help to treat animals. The Department of Fleet and Facility Management is managing the improvements using existing City contracts. The renovation is estimated to cost \$1.5 million. For more information about CACC, please visit CityofChicago.org/CACC.

Queda Completa la Primera Fase del Proyecto de Fulton Market Streetscape

El Alcalde Rahm Emanuel se unió al Concejal Walter Burnett (Dist 27) y partes interesadas de West Loop, para cortar la cinta de la primera fase de Fulton Market Streetscape, modernización inspirada en la comunidad del corredor que es el primer mercado mayorista de Chicago

y ahora incubador de la economía tecnología que florece en la Ciudad. Al terminarse la primera fase del proyecto, de la Ave. Halsted a la Calle Carpenter, el Departamento de Transporte de Chicago (CDOT) anunció que iniciará el trabajo de la segunda fase en las próximas semanas,

de Carpenter a Ogden Boulevard. El Concilio de la Ciudad designó el Distrito de Fulton-Randolph Market como Lugar Histórico de Chicago en julio del 2015. El plan del paisaje urbano fue desarrollado en cooperación con el Concejal Burnett y partes interesadas de la comunidad, incluyendo

West Loop Community Organization (WLCO) y el Departamento de Planeación y Desarrollo (DPD). El diseño intenta hacer el barrio más adaptado para los peatones, mientras preserva su carácter histórico

y acentúa elementos históricos de la arquitectura del barrio. Las mejoras al paisaje urbano incluyen la total reconstrucción de la carretera y la instalación de nuevas rampas ADA y un diseño de calles flexibles que

no tenga curvas en algunas cuadras. El trabajo de la segunda fase, de Carpenter a Ogden, se espera quede terminada para finales del 2019. El costo total de la construcción de ambas fases del proyecto es de \$20.3 millones.

First Phase of Fulton Market Streetscape Project Complete

Mayor Rahm Emanuel joined Alderman Walter Burnett (27th Ward) and West Loop stakeholders to cut the ribbon on the first phase of the Fulton Market Streetscape, a community-inspired modernization of the corridor that is Chicago's first wholesale market and now is an incubator for the City's thriving tech economy. As the first phase of the project wraps up from Halsted Avenue to Carpenter Street, the Chicago Department of Transportation (CDOT)

announced it will launch work in the coming weeks on the second phase from Carpenter to Ogden Boulevard. The City Council designated the Fulton-Randolph Market District as a Chicago Landmark in July 2015. The streetscape plan was developed in cooperation with Alderman Burnett and community stakeholders, including the West Loop Community Organization (WLCO), and the Department of Planning and Development (DPD). The design is intended to make the neighborhood

more pedestrian-friendly, while preserving its historic character and accentuating historic elements of the neighborhood's architecture. The streetscape improvements include the full reconstruction of the roadway and installation of new ADA ramps and a flex-street design that has no curbs on some blocks. Work on the second phase from Carpenter to Ogden is expected to be complete by the end of 2019. The total construction cost for both phases of the project is \$20.3 million.

Latino Leaders Establish Latino Leadership Council

Latino elected, business and community leaders came together at the Union League Club to announce the formation of the Latino Leadership Council (LLC), *Fuerza. Stronger. Together.* The LLC is a coordinated effort to increase Latino power and representation in the public and private sectors. The group will largely work to reach parity for Latinos in all centers of influence,

give the community a clear, unified voice and grow the culture of political fundraising and giving amongst the professional and business sectors while educating the public as to the ongoing successes, talents and contributions of Latinos. The council is made up of a number of individuals with varying political philosophies all united by one basic belief: Latinos are grossly

Hon. Jesus "Chuy" Garcia
State Rep.-Elect Aaron Ortiz
Commissioner-Elect Alma Anaya
Juan Ochoa
Jesse Ruiz
Manuel Flores
Teresa Reyes

The LLC will support elected officials, candidates and causes that will most effectively advance the foundational elements of the mission objectives: to grow the culture of political giving among the business and professional sector; to empower the Latino/a Community by giving it a clear, unified voice; and to educate the public as to the successes, talents and contributions of Latinos in America.

El grupo trabajará en gran medida para alcanzar la paridad para los latinos en todos los centros de influencia, dar a la comunidad una voz clara y unificada y desarrollar la cultura de recaudaciones políticas y dar entre los sectores profesionales y comerciales mientras se educa al público sobre los éxitos, talentos y contribuciones de los latinos logrados. El concilio está compuesto por un número de personas con variadas filosofías políticas, todas unidas por una sola creencia básica: Los latinos están sumamente sub-representados en posiciones de liderazgo y necesitan unificarse bajo una sola voz. Unos cuantos de los miembros del concilio incluyen a:

Hon. Luis Gutiérrez
Hon. Jesús "Chuy" García
Rep. Estatal-electo Aaron Ortiz
Comisionada-Electa Alma Anaya
Juan Ochoa

Cook County Health Doctors Advise on Snow Shoveling Health Risks

This weekend's snowstorm stands as one of the greatest November storms, accumulating more than a foot of snow in Cook County. On days when it snows heavily, emergency rooms can become full of residents who have developed sudden medical problems caused by shoveling snow. According to Cook County Health

medical staff, shoveling snow places unusual stress on the cardiovascular system. Heart rates and blood pressure levels are substantially higher causing increased cardiovascular stress. Here are tips for keeping the heart safe while shoveling snow:

- Cover as much as your face as possible while

outside, breathe through a scarf to warm air before it enters your lungs.

- Warm up your muscles before starting by walking for a few minutes.
- Begin slowly and take frequent, 15-minute breaks.
- Drink plenty of water to avoid dehydration.
- Watch for warning signs of a heart attack: lightheadedness, dizziness,

shortness of breath, or if you have tightness or burning in chest, neck arms or back. If you think you are having a heart attack, call 911.

Stay safe this winter. As always, stay connected with Cook County Health on Twitter at CookCTYHealth or dial 312-864-6000 to get connected to the hospital.

Number of College Students Seeking Help for Mental Health Troubles Increases

Nearly 26 percent of people 18 years and older are living with a mental health condition in the United States. Now, recent study findings published in the *Journal of American College Health* suggest that mental health problems are on the rise among university students, *Medical News Today* reports. For the study, researchers examined data provided by the American College Health Association on almost half a million U.S. undergraduates between 2009 and 2015. Next, scientists reviewed the trends in diagnosis and treatment for 12 mental health conditions: anorexia,

anxiety, attention deficit and hyperactivity disorder (ADHD), bipolar disorder,

bulimia, depression, insomnia, obsessive-compulsive disorder (OCD), panic attacks, phobia, schizophrenia and substance abuse/addiction. Results showed that during the six-year period, diagnoses and treatments for anxiety, depression and

panic attacks surged. In addition, researchers noted that students were more willing to seek mental health help on campus, with nearly one fifth reporting that they used their university's mental health facilities.

Aumenta el Número de Estudiantes Universitarios que Busca Ayuda Por Problemas de Salud Mental

Cerca del 26 por ciento de personas de 18 años y mayores, viven con una condición de salud mental en Estados Unidos. Ahora, un estudio reciente publicado en *Journal of American College Health*, sugiere que los problemas de salud mental están aumentando entre estudiantes universitarios, reporta *Medical News Today*. Para el estudio, los investigadores examinaron datos provistos por American College Health Association en casi la mitad de estudiantes de licenciatura entre el 2009 y el 2015. Después, científicos revisaron las tendencias en el diagnóstico y el tratamiento de 12 condiciones de salud mental: anorexia, ansiedad, déficit de atención y desorden de hiperactividad (ADHD), desorden bipolar, bulimia, depresión, insomnio, desorden obsesivo-compulsivo (OCD), ataques de pánico, fobia, esquizofrenia y adicción/abuso de sustancias. Los resultados

fueron mostrados durante un período de seis años, diagnósticos y tratamientos para la ansiedad, la depresión y los ataques de pánico. Además, los investigadores notaron que los estudiantes estaban más dispuestos a buscar ayuda en salud mental en el campus, con cerca de una quinta parte reportando que utilizaban las instalaciones de salud mental de la universidad.

CPS to Expand Dual Language Programming to Eight Additional Schools

Chicago Public Schools announced that eight additional schools will offer Dual Language programming beginning in the 2019-2020 school year, providing more students with access to comprehensive programming to develop strong proficiency in both English and Spanish. Next fall, Dual Language programming will serve a total of 35 schools throughout the city – more than twice the number of schools served in 2016.

The expansion of Dual Language programming throughout the district will help more students grow their literacy skills and fluency in both English and Spanish – allowing schools to develop bilingualism, biliteracy and a shared cultural understanding among English learners and native speakers. The following schools applied during the 2017-18 school year and have been selected to begin Dual Language programming next school year:

- Alfred Nobel Elementary School
- Dr. Jorge Prieto Elementary School
- Frederick Funston Elementary School
- George Rogers Clark Elementary School

enrollment through a unique enrollment plan funded by the Pritzker Community Health Initiative, a project of the J.B. and M.K. Pritzker Foundation. Known as the Opening Doors Initiative, this strategic partnership is focused on reducing the rate of unenrolled students by 12 percent through the enrollment and retention of approximately 10,000 students in Medicaid and Marketplace health insurance in two years. Reports show that approximately 72,200 students, or 20 percent of the 361,000 students enrolled across the district, are eligible for health insurance but remain

unenrolled. Through the Opening Doors Initiative, United Way and CPS are providing additional resources to the areas of greatest need – Networks 1, 2, 3 and 10 – by increasing the number

of trained healthcare navigators in CPS schools and community-based organizations. These navigators are focused on helping eligible families enroll in Medicaid, as well as access to SNAP

Fresh Ham with Red Pepper Glaze

Ingredients

12 servings

Brine & Ham

6 quarts water

2 cups light brown sugar

1 cup kosher salt

12 whole cloves

12 allspice berries

4 bay leaves

2 cups ice cubes

1 10- to 12-pound shank-end fresh ham

For Roasting

5 cloves garlic, chopped

3 tablespoons minced fresh thyme

1 tablespoon kosher salt

2 tablespoons extra-virgin olive oil

½ teaspoon crushed red pepper

6 medium leeks

Red Pepper Glaze

½ cup red pepper jelly

¼ cup honey

1 tablespoon grated fresh ginger

1 tablespoon light brown sugar

5. Trim the root end and top inch of greens from leeks; cut in half lengthwise. Submerge them in a large bowl of water and gently separate the layers to remove any grit, while keeping each piece together. Drain well.

6. Arrange a layer of leeks in a large roasting pan. Set the ham on top, with the fat cap facing up. Roast in the

middle of the oven for 20 minutes.

7. To prepare glaze: Bring jelly, honey, ginger and brown sugar to a simmer in a small saucepan, stirring, to melt the sugar. Remove from heat.

8. After 20 minutes, brush the ham with ¼ cup of the glaze.

9. Reduce oven temperature to 300 degrees. Roast,

brushing with 1 tablespoon glaze every 30 minutes, until an instant-read thermometer inserted into the thickest part without touching bone registers 150°F, about 3 hours.

10. Transfer the ham to a clean cutting board, loosely tent with foil and let rest for 20 minutes before slicing. Serve with the leeks, if desired.

Preparation

1. To brine ham: Heat water, 2 cups brown sugar, 1 cup salt, cloves, allspice and bay leaves in a large pot over medium-low heat, stirring often, until the sugar and salt are dissolved. Add ice and stir to

cool the liquid.

2. Score fat of ham into a 2-inch-wide crosshatch pattern without cutting into the meat. Submerge in the brine. Refrigerate for 2 to 3 days.

3. To roast ham: Preheat oven to 450°F.

4. Pound garlic, thyme and

salt to a paste in a mortar and pestle (or in a mini food processor). Transfer to a bowl and stir in oil and crushed red pepper. Remove the ham from the brine and thoroughly pat dry with paper towels. Rub the paste all over the ham and into the scored cuts.
