A Love Letter to Mexican Women

A Love Letter to Mexican Women

By: Ashmar Mandou

Steppenwolf Theatre Company will soon debut the much anticipated premier of *La Ruta* by acclaimed Chicago playwright Isaac Gomez, featuring Sandra Marquez and Karen Rodriguez along with an eight-member all female Latinx cast. *La Ruta* is a bus that carries women to and from work and quickly becomes a space for women to express themselves. Recently, Lawndale Bilingual Newspaper spoke with Gomez about his upcoming play and his admiration for Mexican women.

Lawndale Bilingual Newspaper: We are a few days from the premiere of *La Ruta* featuring an array of inspiring Latina cast members. What are your sentiments as we near opening night?

Isaac Gomez: I cannot express how deep my gratitude is to have been a part of a process with so many incredibly talented and ferocious artists. There are so few opportunities to be in a room with other Latinx artists in larger institutions, much less a whole cast of them. But every single person involved -- from the cast, to design, production, the creative team, the entire staff at Steppenwolf has been working tirelessly to make this as incredible as humanly possible. To know so many people care about this story, about these women, is an incredible feeling.

***La Ruta* conveys the stories of real women, their struggles, their love, their truthfulness; in a way, this is your love letter to the Mexican woman. How have these women inspired you on a personal level as well as a playwright?**

It is almost impossible to separate my identity as a person or playwright from the impact that Mexican women have had on me. As a queer Mexicano from the border, I owe my entire existence to Mexican women. They raised me. They taught me. They loved me. This play is for them. All of my plays are.

***La Ruta* is literally a bus that transports women to the U.S.-owned factories. However, it becomes a safe haven for women to express themselves. How would you describe *La Ruta*?**

La Ruta extends beyond the bus that transports women from the *maquilas* to their homes. *La Ruta* embodies all of the sociopolitical oppressions that allow the murder of femme people, not only in Ciudad Juarez, but all over the world. It's cyclical, it's ongoing, it's repetitive, it's relentless, and it's time to get off.

You have collaborated with eight remarkable women to tell the story. How would you describe the journey with these women to bring *La Ruta* to life?

Working with these women has been an honor. *La*

Ruta has been a seed in my mind for over seven years, so collaborating with these women to bring this play to life has been more than my border baby heart could have imagined. These are my friends, these are my muses, and these are the women of *La Ruta*.

What message do you hope resonates with the audience?

Every single woman in this play is based on a real person. And although some names have been changed for their protection, the violence they face and their resilience have not. I made a promise to these women that their stories would be heard by as many people as humanly possible. To know their stories is merely the beginning. The questioning of what to do after, is what comes next.

La Ruta begins previews on December 13th and the production runs through January 27th, 2019 in the Upstairs Theatre, 1650 N. Halsted St. For ticket information, visit www.steppenwolf.org.

Una Carta de Amor a la Mujer Mexicana

Por: Ashmar Mandou

Steppenwolf Theatre Company debutará pronto con la tan anticipada premier de *La Ruta* por el aclamado dramaturgo de Chicago, Isaac Gómez, presentando a Sandra Másruez y a Karen Rodríguez, junto con un elenco de ocho miembros, todas mujeres latinas. La Ruta es un autobús que lleva mujeres al trabajo y de vuelta del trabajo y rápidamente se convierte en un espacio para que ellas se expresen. Recientemente, Lawndale Bilingual Newspaper habló con Gómez sobre la próxima obra y su admiración por la mujer mexicana.

Lawndale Bilingual Newspaper: Estamos a unos cuantos días de la première de *La Ruta*, presentando una gran variedad de miembros del elenco latino. ¿Cómo te sientes al acercarse la noche de estreno?

Isaac Gómez: No puedo expresar lo profundo de mi gratitud por haber sido parte de un proceso con tan increíble talento y grandes artistas. Hay tan pocas oportunidades de estar en un lugar con otros artistas latinos en instituciones grandes, mucho menos con un elenco entero de ellos. Pero cada persona involucrada – desde el elenco al diseño, la producción, el equipo creativo, el personal entero en Steppenwolf ha estado trabajando incansablemente para hacer de esto lo más increíble y humano posible. Conocer a tanta gente que le interesa esta historia y estas mujeres, es algo increíble.

***La Ruta* transmite la historia de verdaderas mujeres, sus luchas, su amor, su sinceridad; en cierta forma, esta es tu carta de amor a la mujer mexicana. ¿Cómo te han inspirado estas mujeres a nivel personal y a nivel de dramaturgo?**

Es casi imposible separar mi identidad como persona o como dramaturgo del impacto que la mujer mexicana ha tenido en mí. Como mexicano raro de la frontera, debo mi existencia entera a la mujer mexicana. Ellas me criaron. Ellas me enseñaron. Ellas me amaron. Esta obra es para ellas. Todas mis obras lo son.

***La Ruta* es literalmente un autobús que transporta mujeres a fabricas de E.U. Sin embargo se convierte en un lugar seguro para que las mujeres expresen sus sentimientos. ¿Cómo describirías *La Ruta*?**

La Ruta va más allá de ser un autobús que transporta mujeres de las maquilas a sus casas. *La Ruta* abraza todas las opresiones sociopolíticas que permiten el asesinato de mujeres, no solo en Ciudad Juárez, sino en todo el mundo. Es cíclico, es continuo, es repetitivo, es implacable y es hora de que pare.

Tu has colaborado con ocho notables mujeres para contar la historia. ¿Cómo describirías el viaje con estas mujeres para traer a la vida a *La Ruta*?

Trabajar con estas mujeres ha sido un honor. *La Ruta* ha sido una semilla en mi mente por más de siete años, así que colaborar con estas mujeres para traer esta obra a la vida ha sido más de lo que mi corazón de bebé de la frontera pudo haber imaginado. Ellas son mis amigas, ellas mis musas y ellas son las mujeres de *La Ruta*.

¿Qué mensaje esperas que recoja la audiencia?

Cada mujer de esta obra está basada en una persona

de la vida real. Y aunque algunos nombres han sido cambiados para su protección, la violencia que enfrentan y su resistencia, no. Prometí a estas mujeres que sus historias serían escuchadas por tanta gente como fuera humanamente posible. Conocer sus historias es simplemente el comienzo. La pregunta de que hacer después, viene más tarde. *La Ruta* comienza su pre-estreno el 13 de diciembre y la producción sigue hasta el 27 de enero del 2019 en Upstairs Theatre, 1650 N. Halsted St. Para información sobre boletos, visite www.steppenwolf.org.

organizations that serve as vital partners. The Foundation and CPS will select two recipients for each category. Applications, criteria,

Merry-Achi Christmas Concerts...

Talk to me about the importance of preserving and honoring one's culture?

As a first generation Mexican-American woman, I feel extremely fortunate and honored to have been given the tools to celebrate my Mexican culture through music and dance. Folklórico has given me a sense of identity and there's nothing more beautiful than being able to give that experience to my dancers and students. I feel an obligation to preserve Mexican culture, but also show Mexicans and the world that we, as Mexican-Americans love the culture as much as they do and can perform their music and dances just as well. We have love, respect, and passion for Mexico and hope to transmit that to the entire audience on stage. Be proud of where your ancestors came from! Diversity is beauty.

You have collaborated with many talented artists from Lila Downs, Pepe Aguilar and even performed the Academy Award-winning song from Coco, "Remember Me," at the 90th Annual Academy Awards. What collaboration has been the most memorable and what are you looking forward to accomplishing next year?

Performing at the 90th Academy Awards has been the most unforgettable experience of my career. It wasn't easy. Knowing that I was going to be working with choreographer, Mandy Moore, and that we were going to have an audience of that magnitude added amazing pressure. My main concern was the Mexican audience. How were we going to do create a modern choreography that would make our *gente* proud? Luckily, Mandy and Disney Studios were very receptive to my input and the number turned out magical. I feel beyond blessed to have been a part of that historical moment.

Next year, my husband Jimmy Cuellar and I will be opening up a new facility in the City of Commerce, Ca. We will be combining both of our studios into one Academy of Performing Arts and will be offering Folklórico and Mariachi classes for children and adults of all ages and levels. We also have plans to record the first Ballet Folklórico de Los Angeles & Mariachi Garibaldi musical album, after all, we are dancers who make music with our feet!

What can the audience expect at this year's Merry-Achi concert?

They can expect a very different Christmas Mariachi and Folklórico concert. We will be doing dances and musical pieces that have never been done in our genre before. We are doing a mariachi renditions of Disney songs, The Waltz of the Flowers and much, much more.

As for advice, what would you tell young inspiring dancers who want to follow in your footsteps?

I want to tell young aspiring dancers that anything is possible if you work hard enough. Nothing in life comes easy, but it's possible. I'm the eldest of 6 children, born to a single mother who taught me that hard work and dedication are key! If you want something in life, you have to fight for it and want it so badly that before you know it, it yours! Don't be afraid!

Merry-Achi Christmas Concert 2018 general admission tickets are \$40 to \$75 and are available at CopernicusTickets.com. Copernicus Center is at 5216 W. Lawrence Ave., Chicago IL 60630.

Regresan a Chicago los Conciertos Merry-Achi Christmas

Por: Ashmar Mandou

El Instituto del Mariachi de Chicago presenta su tercer concierto de mariachis navideño en Chicago y el Medio Oeste, "Merry-Achi Christmas Concert". Celebre los fibrantes y auténticos sonidos de la música tradicional de México en estilo navideño el domingo, 16 de diciembre a las 3 p.m. en el majestuoso Copernicus Center, con el Mariachi Garibaldi de Jaime Cuéllar, acompañado por el Ballet Folklórico de Los Angeles. Esta semana, la directora artística del Ballet Folklórico de Los Angeles, Kareli Montoya, compartió su entusiasmo sobre la actuación de este fin de semana.

Lawndale Bilingual Newspaper: Tu has viajado por todo el país compartiendo el

talento artístico del Mariachi Garibaldi de Jaime Cuéllar y el Ballet Folklórico de Los Angeles. Este año, el Instituto del Mariachi de Chicago presentará su tercer concierto anual de mariachi, con el Mariachi Garibaldi y el Ballet Folklórico. ¿Que te entusiasma sobre el desarrollo del show?

Kareli Montoya: Lo más exitante sobre el desarrollo de un show es tener la oportunidad de que la audiencia sienta una amplia gama de emociones y saber que las posibilidades son inagotables! Es asombroso ver una idea cobrar vida en un escenario. Cuando creamos este programa navideño me gusta transportar a la audiencia entera al día más significativo del año y a momentos familiares de

su vida.

El Ballet folklórico de Los Angeles muestra la rica herencia cultural y las tradiciones de México, Háblame sobre la importancia de preservar y honrar la propia cultura.

Como mujer méxicoamericana de primera generación, me siento muy afortunada y honrada de haber tenido los medios necesarios para celebra rmi cultura mexicana a través de la música y el baile. Folklórico me ha dado un sentido de identidad y no hay nada más hermoso que poder transmitir esa experiencia a mis bailarines y estudiantes. Siento que es una obligación preservar la cultura mexicana, pero también mostrar a los mexicanos y al mundo que nosotros, como méxicoamericanos amamos la cultura tanto

City Cracks Down on Outlaw Party Buses

Mayor Rahm Emanuel, Business Affairs and Consumer Protection (BACP) Commissioner Rosa Escareno, and Chicago Police Department (CPD) Superintendent Eddie Johnson announced

new enforcement action to reduce crimes committed on and near illegal party buses while increasing safety onboard licensed operators and improving quality of life of residents and tourists. As Chicago

prepares to celebrate the holidays, weddings and family gatherings, the creation of a Nights and Weekends Team and a partnership with the Secretary of State’s Office will allow BACP and

CPD access to party bus registration information after business hours. Since June 1, 2017, when the city implemented the new rules under an ordinance by Mayor Rahm Emanuel, regulators have seen a drop in violent crimes associated with party buses including only two illegal weapons that were recovered associated with party buses in 2018, compared to six in 2017. Consumers that want to verify if a party bus is lawful can visit the “Public Passenger Vehicle License” database on the City of Chicago data portal at: <https://data.cityofchicago.org>. If the vehicle is not listed on the City’s portal, you should request verification from the charter bus company. For more information about public vehicle licensing can be directed to BACPPV@cityofchicago.org.

como ellos y podemos interpretar su música y bailes igual que ellos. Tenemos amor, respeto y pasión por México y esperamos transmitir eso, desde el escenario, a una audiencia entera. Siéntene orgulloso de donde vienen tus ancestros! La diversidad es maravillosa. **Tu has colaborado con muchos artistas talentosos, desde Lila Downs, Pepe Aguilar e inclusive interpretado la canción premiada por la Academia, de Coco, “Remember Me”, en los 90th Premios Anuales de la Academia. ¿Que colaboración ha sido para ti la más memorable y que esperas lograr el año próximo?**

Actuar en la 90th Entrega de Premios de la Academia ha sido la experiencia más inolvidable de mi carrera. No fue fácil. Saber que iba a estar trabajando con el coreógrafo Mandy Moore y que íbamos a tener una audiencia de tal magnitud aumentó la presión. Mi principal preocupación era la audiencia mexicana. ¿Cómo íbamos a crear una coreografía moderna de la que nuestra gente se sintiera orgullosa? Afortunadamente, Mandy y Disney Studios fueron muy receptivos a mi colaboración y resultó mágico. Me siento más que bendecida de haber sido parte de ese histórico momento.

El año próximo, mi esposo Jimmy Cuéllar y yo abriremos un nuevo centro en City of Commerce, Ca. Combinaremos ambos estudios en una Academia de Artes Escénicas y ofreceremos clases de música folklórica y mariachi para niños y adultos de todas las edades y niveles. Planeamos también grabar el primer Ballet folklórico de Los Angeles & el álbum musical del Mariachi Garibaldi, después de todo, somos bailarines que hacemos música con nuestros pies!

¿Qué puede la audiencia esperar este año del concierto Merry-Achi?

Puede esperar un concierto muy diferente de Christmas Mariachi y Folklórico. Haremos trozos musicales y de baile que nunca hemos presentado antes en nuestro género. Estamos haciendo una interpretación de mariachi de la canción de Disney, el Vals de las Flores y mucho, mucho más.

Y como consejo, ¿Que les dirías a jóvenes bailarines que quieran seguir tus pasos?

Quiero decir a los jóvenes aspirantes a bailarines que todo es posible si trabajan con ahínco. Nada en la vida es fácil, pero es posible. Soy la mayor de 6 hijos, tuve una madre soltera que me enseñó que el trabajo y la dedicación son la clave! Si quieres algo en la vida, tienes que luchar por ello y desealo tanto que antes de que lo sepas es tuyo! No tengas miedo!

Know the Warning Signs of Alzheimer's Disease this Holiday Season

The holiday season is a time families gather and spend quality time with loved ones. It is also a time that can raise questions about the cognitive health of aging family members. With Alzheimer's disease in particular, it is important to know what it is and what is not normal aging. Below is a list of warning signs along with examples of normal aging. If you notice any of the warning signs in your family members, it is recommended that you see a doctor.

Memory loss that

disrupts daily life. One of the most common signs of Alzheimer's is memory loss, especially forgetting recently learned information. Others include forgetting important dates or events; asking for the same information over and over; relying on memory aides (e.g., reminder notes or electronic devices) or family members for things they used to handle on one's own.

Challenges in planning or solving problems. Some people may experience changes in their ability to

develop and follow a plan or work with numbers. They may have trouble following a familiar recipe or keeping track of monthly bills. They may have difficulty concentrating and take much longer to do things than they did before.

Confusion with time or place: People with Alzheimer's can lose track of dates, seasons and the passage of time. They may have trouble understanding something if it is not happening immediately. Sometimes they may forget where they are or how they

got there.

Changes in mood and personality. The mood and personalities of people with Alzheimer's can change. They can become confused, suspicious, depressed, fearful or anxious. They may be easily upset at home, at work, with friends or in places where they are out of their comfort zone. La Ciudad de Chicago se Opone al Cambio de la Regla de Carga Pública de Trump

El Alcalde Rahm Emanuel anunció el martes que la Ciudad de Chicago sometió un comentario al gobierno federal en oposición al propuesto cambio de regla de "carga pública", ya que causaría un daño a la ciudad y a sus residentes inmigrantes. La Ciudad de Chicago y la Ciudad de Nueva York condujeron una coalición de más de treinta gobiernos locales, sometiendo un comentario por separado para explicar por qué la propuesta regla es ilegal. El 10 de octubre del 2018, el Departamento de Homeland Security de la Administración Trump

publicó una propuesta para ampliar la prueba que aplica a determinar si un inmigrante es propenso a convertirse en "carga pública". Bajo política de larga data una "carga pública" es un inmigrante que depende principalmente del gobierno para su subsistencia. La propuesta regla busca ampliar grandemente la definición de "carga pública" para por primera vez, incluir beneficios no de dinero en efectivo, como estampillas de comida, cuidado médico y asistencia en vivienda. El uso de estos beneficios serían considerados para

no solo determinar a que inmigrantes se les prohibiría la entrada en Estados Unidos, sino también a los presentes legales que deseen convertirse en residentes permanentes. El comentario explica que Chicago está escuchando ya reportes de un efecto escalofriante basado en la propuesta regla. El Departamento de Servicios Familiares y de Apoyo de Chicago ha reportado que algunas de las agencias delegadas de la ciudad, incluyendo los proveedores de Head Start, Early Head Start y SNAP benefits están viendo una baja en inscripción y participación.

City of Chicago Opposes Trump's 'Public Charge' Rule Change

Mayor Rahm Emanuel on Tuesday announced that the City of Chicago submitted a comment to the federal government in opposition to the Trump Administration's proposed "public charge" rule change, as it would cause harm to the city and its immigrant residents. The City of Chicago and the City of New York also led a coalition of more than thirty local governments in submitting a separate comment to explain why the proposed rule is unlawful. On October 10, 2018, the Trump Administration's Department of Homeland Security published a

proposal to expand the test that it applies to determine whether an immigrant is likely to become a "public charge." Under longstanding policy, a "public charge" is an immigrant who is primarily dependent on the government for subsistence. The proposed rule seeks to greatly expand the definition of "public charge" to, for the first time, include non-cash benefits such as food stamps, medical care and housing assistance. The use of these benefits would be considered to not only determine which immigrants may

be barred from entry into the United States, but also those lawfully present who wish to become permanent residents. The comment explains that Chicago is already hearing reports of a chilling effect based on the proposed rule. Chicago's Department of Family & Support Services has reported that some of the city's delegate agencies, including providers of Head Start, Early Head Start, and SNAP benefits, are seeing declines in enrollment and participation.

Lyons Police charge Lyft driver with Battery over alleged sexual assaults

A 40-year-old driver for Lyft was arrested and charged with Battery Monday following an incident in which he sexually harassed and tried to have sex with a 17-year-old female. The suspect, Anthony Vicari, is from Chicago and was called to pick up the 17-year-old girl at her friend's home in Worth, Illinois and drive her to her home in Lyons. The next day, on Oct. 13, 2018, the mother brought her daughter to the Lyons Police Department and informed police that the driver had sexually harassed her daughter. The 17-year-old girl said that while transporting to her home, Vicari made repeated sexual advances toward her and asked her to go to a motel with him. While driving this female, when he would stop at the stop lights, he would rub her thigh, leg and ask sexual questions to her about performing sex, the girl told police.

Lyons Police conducted an investigation and determined that Vicari had been the driver, identified after Police Investigators

served a search warrant for information on the Lyft Company. Once Vicari was identified as the driver, he voluntarily sat through an interview with officers on Friday, December 7, 2018. Vicari admitted touching the female's legs, but blamed his actions on his personal circumstances explaining

he had just been divorced and was troubled. Lyons Police said the case will be heard at the Bridgeview court house in January 2019. The arresting officers sought advice from the Cook County ASA in Felony Review about felony charges on this case, involving sexual harassment, but

the Cook County State's Attorney rejected the felony charges asserting they would only apply if the victim was under the age of 17. Vicari was only charged with Battery. Although Vicari has no prior convictions, records show he has had several past sex-related arrests which were not prosecuted.

La Policía de Lyons Acusa a Conductor de Lyft de Agresión por Supuestas Agresiones Sexuales

Un conductor de Lyft, de 40 años de edad, fue arrestado y acusado de Agresión el lunes, tras un incidente en el

cual sexualmente acosó y trató de tener sexo con una joven de 17 años. El sospechoso, Anthony Vicari, es de Chicago y

fue llamado para recoger a la joven de 17 años en casa de su amiga en Worth, Illinois y llevarla a su casa en Lyons. Al día siguiente, el 13 de octubre del 2018, la madre llevó a su hija al Departamento de Policía de Lyons e informó a la policía que el conductor había acosado sexualmente a su hija. La joven de 17 años dijo que mientras la llevaba a su casa, Vicari hizo repetidos avances sexuales hacia ella y le pidió ir a un motel con él. Mientras conducía a esta joven, cuando se detenía en una luz le acariciaba el muslo o la pierna y le preguntaba como hacía el sexo, dijo la joven a la policía.

La Policía de Lyons condujo una investigación y determinó que Vicari había sido el conductor, identificado después que investigadores policíacos presentaron una orden de registro para información sobre la compañía Lyft. Una vez que Vicari fue identificado como el conductor, él voluntariamente se prestó para una entrevista con los oficiales el viernes, 7 de diciembre del 2018. Vicari admitió haber tocado las piernas de la joven pero culpó sus acciones a circunstancias personales, explicando que se acababa de divorciar y estaba atormentado. La Policía de Lyons dijo que

el caso será escuchado en la corte de Bridgeview en enero del 2019. Los oficiales que condujeron el arresto pidieron consejo a Cook County ASA en Revisión de Felonía sobre cargos de felonía en este caso, involucrando acoso sexual, pero el Procurador Estatal del Condado de Cook rechazó los cargos de felonía afirmando que solo lo aplicaría si la víctima tuviera menos de 17 años. Vicari solo fue acusado de Agresión. Aunque Vicari no tenía condenas anteriores, los récords muestran que ha tenido varios arrestos relacionados con sexo, los cuales no fueron procesados.
