

Early Voting and In-Person Registration

Early Voting begins this week at 51 locations in Chicago, and each site also will offer voter-registration services. Every site will be open Monday through Saturday, 9 a.m. to 5 p.m. and Sundays from 10 a.m. to 4 p.m. Voters don't need a reason or excuse to use Early Voting. Chicago voters may use any Early Voting site in the city, regardless of where they live. Election Board Chair Marisel A. Hernandez said that preliminary requests for Vote by Mail ballots indicate there will be even stronger interest in the April 2 Run-Off

Elections than there were in the first round in February. "This is a short ballot with a big impact," Hernandez said, noting that voters will see contests for Mayor and City Treasurer in all wards, and Alderman in only 15 of the city's wards. Voters who need to file a name or address change, or who need to register for the first time, will need to present two forms of ID, at least one of which shows the voter's current address. Voters who register or file a name or address change must be ready to vote during that same visit. For more information, Chicago voters may visit chicagoelections.com or call 312-269-7900 (312-269-0027 for the hearing impaired).

Justice Jesse Reyes Eyes Illinois Supreme Court Justice in 2020

By: Ashmar Mandou

Raised in the Pilsen and Bridgeport neighborhoods, Justice Jesse Reyes was the oldest of four children and the only one to attend college. In 1997, Reyes was elected an Associate Judge by his peers on the circuit court. In 2006, Reyes became the first Latino to lead the Illinois Judges Association. Reyes now has his eyes set on the Illinois Supreme Court. On Tuesday, Appellate Court Justice Reyes officially announced his candidacy to become a member of the Illinois Supreme Court at Hotel Allegro. He was joined by former Illinois Attorney General and Lieutenant Governor Neil Hartigan who enthusiastically endorsed Reyes. Reyes was also joined by family, friends, colleagues and community members.

"Today I formally announce my candidacy for the Illinois Supreme Court vacancy created by the retirement of Justice Charles E. Freeman. A jurist who served this State with distinction. An honorable man who was a friend and a mentor to many of us in the legal profession, he will be sorely missed.

"As a descendant of immigrants and a product of a blue-collar family, I know of the struggles many people in the state of Illinois have to endure on a daily basis. I know what it means to have dreams, yet not know if you will ever be able to fulfill them because of your circumstances. Circumstances which you did not create or cause. But circumstances nonetheless you must endure merely because that is what you were born into.

"As a child born and raised in Chicago, I was fortunate to be able to overcome these factors in my life and was able to fulfill my childhood dream of becoming a lawyer and then having the distinct privilege of becoming a member of the judiciary.

"Think about it, one day I was working in a factory to help support my family, today I am an Appellate Court Judge about to embark on a journey that may take me to the highest court in the Land of Lincoln. As a result of these successes in my life, I always felt it important and incumbent to give back. To assist those who were seeking to fulfill their dreams. This sense of obligation guided me to public service.

"As a member of the legal profession, I felt I could accomplish these deeds. As I looked to expand my public service, I recognized that being a member of the judiciary would be the ultimate means by which one can serve. It is in this spirit that I seek to serve as a justice on the Illinois Supreme Court

"I can think of no better way to serve the people of the state of Illinois."

Reyes was elected to the First District Appellate Court on Nov. 6, 2012, becoming the first Latino elected to the Appellate Court in Illinois. Reyes is the founding member and the current President of Diversity Scholarship Foundation. He is also a founding member and the former President of the Illinois Judges Foundation. Reyes and his wife Terry live in Chicago's Southwest side; their daughter Renee is currently a second-grade teacher.

El Juez Jesse Reyes Aspira a la Corte Suprema de Justicia de Illinois

Por: Ashmar Mandou

Criado en los barrios de Pilsen y Bridgeport, el Juez Jesse Reyes fue el mayor de cuatro hijos y el único que asistió a la universidad. En 1997, Reyes fue electo Juez Asociado por sus compañeros en la corte del circuito. En el 2006, Reyes se convirtió en el

primer latino en dirigir la Asociación de Jueces de Illinois. Reyes ahora tiene los ojos puestos en la Corte Suprema de Illinois. El martes, el Juez de la Corte de Apelaciones, Reyes, anunció oficialmente su candidatura para convertirse en miembro de la Corte suprema de Illinois, en el Hotel Allegro. A él se unió el ex Procurador General

de Illinois y Teniente Gobernador Neil Hartigan, quien entusiastamente endosó a Reyes. A Reyes se unieron también su familia, amigos, colegas y miembros de la comunidad.

"Hoy anuncio formalmente mi candidatura para la vacante a la Corte Suprema de Illinois, creada por el retiro del Juez Charles E. Freeman. Un jurista que

sirvió a este Estado con distinción. Un hombre honorable que fue amigo y tutor de muchos de nosotros en la profesión legal, será muy extraño por todos nosotros.

pude cumplir mi sueño de la niñez de convertirme en abogado y tener el privilegio de convertirme en miembro del sistema judicial.

“Consideren, un día estaba yo trabajando en una fábrica para ayudar a apoyar a mi familia, hoy soy un Juez en la Corte de Apelaciones, a punto de embarcarme en un viaje que puede llevarme a la corte más alta de la Tierra de Lincoln. Como resultado de estos éxitos de mi vida, siempre pensé que

“Como miembro de la profesión legal, siento que pude lograr todo esto. Al considerar ampliar mi servicio público, reconozco que ser miembro del sistema judicial sería el último medio en el cual puedo servir. Es por esto por lo que busco servir como juez en la Corte Suprema de Illinois.

“No puedo pensar en una forma mejor para servir a la gente del estado de Illinois”.

Reyes fue electo a la Corte de Apelaciones del Primer Distrito el 6 de Noviembre del 2012, convirtiéndose en el primer latino elegido a la Corte de Apelaciones de Illinois. Reyes es miembro fundador y presidente actual de Diversity Scholarship Foundation. También es miembro fundador y ex Presidente de Illinois Judges Foundation. Reyes y su esposa, Terry, viven en el sector sudoeste de Chicago; su hija Renee es actualmente maestra de segundo grado.

which often lock women, particularly women of color, into a lifetime of unequal pay. “It’s unacceptable for women to earn less than men, an inequity that’s much larger for Latinas,” said Ortiz. “I’m proud to have stood with women all across Illinois, and I will continue to stand against sexist and discriminatory practices, ensuring we foster a culture where women are paid fairly for their skills and contributions.” Ortiz backed House Bill 834, which will prohibit employers from asking job seekers to submit their salary history. The Ortiz-backed measure will be especially helpful for Latinas as the inequity in pay is nearly double what it generally is for white women.

for mayor at a Sunday press conference. Congressman Garcia joins Our Revolution Chicago, LiUNA Chicago Laborers’ District Council, Plumbers Local 130, and State Representative Kelly Cassidy, among others, in endorsing Lightfoot in the past week alone. “Chicago needs a fresh start,” said Congressman Garcia. “Chicago needs a new generation of leadership. It needs to break from the old vestiges of old machine politics, and is close to making that a reality. Chicago needs a government where big money doesn’t call the shots, doesn’t exert its influence and set the municipal agenda. Chicago needs a laser focus on public safety and creating good-paying jobs for people in all of our neighborhoods. It needs to create opportunities for neighborhood revitalization and prosperity.

Illinois Federation of Teachers Endorses Candidate Toni Preckwinkle for Mayor of Chicago

TONI PRECKWINKLE

Mayoral candidate Toni Preckwinkle received the endorsement of the Illinois Federation of Teachers. The union joins Teamsters Local 700, IUOE, SEIU, Painters Council 14 and the Chicago Teachers Union, UFCW, and Ironworkers Local 63 in a coalition of working families supporting Toni Preckwinkle for mayor. “As a former teacher, Toni Preckwinkle understands firsthand the joys and the challenges in our public schools and shares our commitment to make sure Chicago students have what they need to succeed,” said Dan Montgomery, president of the Illinois Federation of Teachers and a high school English teacher.

SEIU Illinois State Council Endorses Byron Sigcho-Lopez for 25th Ward Alderman

The SEIU Illinois State Council announced this morning their endorsement of Byron Sigcho-Lopez for 25th Ward alderman. “Representing more than 150,000 members, the SEIU Illinois State Council aims to uplift the lives of workers across the city and industries. We see the same values in Byron Sigcho-Lopez who has a well-documented history of fighting for the needs

of working families,” said SEIU Illinois State Council spokesman Beniamino Capellupo. “As alderman, Byron will unite the community by advocating for an economy that will work for everyone, and we are proud to endorse him.”

Peters supports citizenship for adoptees

A resolution sponsored by State Senator Robert Peters (D-Chicago) urges the United States Congress to guarantee automatic citizenship for children adopted by a U.S. citizen. “I know from first-hand experience that the life of an adopted child is difficult enough without the possibility of

being stateless,” Peters said. “The protection of the U.S. government should not be denied to children because of things that happened before they were born. Granting them citizenship is the right thing to do.” House Joint Resolution 24 states that both chambers of the Illinois General Assembly

ROBERT PETERS

regard the granting of citizenship to all qualifying children adopted by a U.S. citizen as a civil right regardless of the date the adoption occurred, and that they condemn the deportation of individuals who were adopted into American homes and therefore have expectations of citizenship.

Ortiz respalda la medida para cerrar la brecha salarial de género

El Rep. Estatal, Aarón Ortiz D-Chicago, votó por aprobar la legislación que prohibiría prácticas de empleo discriminatorias, que muchas veces ‘encierran’ a la mujer, particularmente a la mujer de color, en una paga desigual de por vida. “Es inaceptable que la mujer gane menos que el hombre, una inequidad que es mucho mayor para la mujer latina”, dijo Ortiz. Me enorgullezco de respaldar a las mujeres de Illinois y continuaré declarándome contra prácticas sexistas y discriminatorias, asegurándome que promovemos una cultura donde se paga a las mujeres en forma justa a sus destrezas y contribuciones”. Ortiz respaldó el Proyecto de la Cámara 834, que prohibiría a los empleados que pregunten a las personas que buscan empleo que sometan su historia salarial. La medida respaldada por Ortiz será especialmente útil para la mujer latina, ya que la inequidad en el pago es cerca del doble de lo que generalmente lo es para la mujer blanca.

El Congresista Chuy García Apoya a Lori Lightfoot

El Congresista Chuy García apoyó a Lori Lightfoot para alcaldesa en una conferencia de prensa el domingo. García. “Chicago necesita una nueva generación de liderazgo. Necesita romper los viejos vestigios de la antigua maquinaria política y está cerca a hacerlo una realidad. Chicago necesita un gobierno donde las grandes cantidades de dinero no cuenten, no ejerzan su influencia y establezcan la agenda municipal. Chicago necesita un enfoque láser en seguridad pública y crear empleos bien pagados para la gente de todos nuestros vecindarios. Necesita crear oportunidades para la revitalización y la prosperidad de los barrios.

La Federación de Maestros de Illinois Apoya a la Candidato Toni Preckwinkle para Alcaldesa de Chicago

La candidato a a alcaldía, Toni Preckwinkle recibió el apoyo de la Federación de Maestros de Illinois. El sindicato se une a Teamsters Local 700, IUOE, SEIU, Painters Council 14 y el Sindicato de Maestros de Chicago, UFCW y Ironworkers Local 63 en una coalición de familias trabajadoras que apoyan a Toni Preckwinkle para alcaldesa. “Como ex maestra, Toni Preckwinkle entiende las alegrías y los retos de nuestras escuelas públicas y comparte nuestro compromiso de asegurarnos que los estudiantes de Chicago tienen lo que necesitan para triunfar”, dijo Dan Montgomery, presidente de Illinois Federation of Teachers y maestro de inglés de secundaria. **SEIU Illinois State Council Apoya a Byron Sigcho-Lopez para Concejal del Distrito 25**

SEIU Illinois State Council anunció esta mañana su apoyo a Byron Sigcho-Lopez para concejal del Distrito 25. “Representando a más de 150,000 miembros, SEIU Illinois State Council espera mejorar la vida de los trabajadores de la ciudad y la industria. Vemos los mismos valores en Byron Sigcho-Lopez, quien tiene una bien

documentada historia de luchar por las necesidades de las familias trabajadoras”, dijo el vocero de SEIU Illinois State Council, Benjamino Capellupo. “Como concejal, Byron se unirá a la comunidad abogando por una economía que funcione para todos y estamos orgullosos de apoyarlo”.

Peters apoya la ciudadanía para los adoptados

Una resolución patrocinada por el Senador Estatal Robert Peters (D-Chicago) exhorta al Congreso de Estados Unidos a que garantice automáticamente la ciudadanía para los niños adoptados por un ciudadano de E.U. “Se por experiencia que la vida de un niño adoptado es bastante difícil sin la posibilidad de ser desnacionalizado”, dijo Peters. “La protección del gobierno de E.U. no debe negarse a los niños por cosas que ocurrieron antes de ellos nacer. Concederles la ciudadanía es lo correcto”. La Resolución Conjunta de la Cámara 24 declara que ambas cámaras de la Asamblea General de Illinois consideran el conceder la ciudadanía a todos los niños que califiquen, adoptados por un ciudadano de E.U. como un derecho civil, sin importar la fecha de la adopción y condenan la deportación de personas que fueron adoptadas en hogares estadounidenses y por lo tanto tienen derecho a esperar la ciudadanía.

Sandoval Vota para Proteger a los Adolescentes de la Adicción al Tabaco

El senador estatal Martin A. Sandoval (D-Chicago) ayudó a aprobar un proyecto de ley el jueves para aumentar la edad legal para comprar productos de tabaco de 18 a 21 años. El proyecto de ley HB 345 fue respaldado por la Sociedad Americana del Cáncer, la Asociación Americana del Pulmón y otras organizaciones de salud, y Sandoval dijo que está orgulloso de tomar medidas en nombre de los jóvenes de Illinois. “Las empresas tabacaleras tienen una larga trayectoria de enfocar sus esfuerzos de mercadeo en jóvenes, especialmente en los vecindarios que represento,” dijo Sandoval. “Este proyecto de ley será una gran victoria para proteger a los adolescentes de una adicción peligrosa y potencialmente de por vida.” Illinois sería el séptimo estado del país en aumentar la edad para comprar productos de tabaco a 21 años. Más de 300 ciudades en todo el país también han aumentado

la edad, incluyendo 24 municipios en Illinois. Chicago, Highland Park, Buffalo Grove, Evanston y Peoria son algunas de las

ciudades de Illinois que han aumentado la edad comprar productos de tabaco. Se ha demostrado que aumentar la edad para

comprar tabaco reduce el número de estudiantes de secundaria que fuman. En Chicago, donde la edad ya es de 21 años, las autoridades registraron una caída en la tasa de estudiantes de escuela secundaria que fuman del 13.6 por ciento en 2011 al 6 por ciento en 2017. El aumento de la edad fue citado como un componente clave en la disminución. “Ya hemos visto que las leyes de Tabaco 21 son altamente efectivas en todo el país, incluso en mi distrito de Chicago,” agregó el legislador. “Esta ley tiene la capacidad de mejorar drásticamente la salud pública en todo Illinois.” El proyecto de ley HB 345 fue aprobado 39-16. Ahora irá al escritorio del gobernador.

Bajar la Presión Arterial Evita Empeorar el Daño Cerebral en los Adultos Mayores

Las personas mayores con presión arterial alta o hipertensión, que tomaron medicina para mantener su presión arterial sistólica 24 horas alrededor de 130 mm Hg por tres años, mostraron una considerable menor acumulación de lesiones dañinas

en el cerebro, comparado con quienes tomaban la medicina para mantener una presión sistólica alrededor de 145 mm Hg. de acuerdo a una investigación presentada en la 68ª Sesión Científica Anual del Colegio Estadounidense de Cardiología. Sin embargo, la reducción de lesiones en el cerebro, visibles como puntos blancos en la prueba de la imagen de resonancia magnética (MRI), no se traducen como un considerable mejoramiento en movilidad y función cognitiva. Los investigadores dijeron que es probable que tres años fue muy poco tiempo para que tales beneficios fueran aparentes. El estudio, llamado INFINITY, es el primero en demostrar una forma efectiva de disminuir el progreso de la enfermedad cerebrovascular, condición común en adultos mayores, que restringe el flujo de sangre al cerebro. Es estudio es también único en su uso de monitores de presión arterial ambulatorios, que miden la presión arterial de los participantes durante actividades del diario vivir, y no solo en un ambiente médico. Además de ver un efecto beneficioso en el cerebro, los que mantuvieron su presión arterial baja eran menos propensos a sufrir eventos cardiovasculares graves, como un ataque cardíaco o una embolia.

Lowering Blood Pressure Prevents Worsening Brain Damage in Elderly

Elderly people with high blood pressure, or hypertension, who took medicine to keep their 24-hour systolic blood pressure around 130 mm Hg for three

years showed significantly less accumulation of harmful brain lesions compared with those taking medicine to maintain a systolic blood pressure around 145 mm

Hg, according to research presented at the American College of Cardiology’s 68th Annual Scientific Session. However, the reduction in brain lesions, visible as bright white spots on a magnetic resonance imaging (MRI) scan, did not translate to a significant improvement in mobility and cognitive function. Researchers said it is likely that three years was too short a time for such benefits to become apparent. The study, called INFINITY, is the first to demonstrate an effective way to slow the progression of cerebrovascular disease, a condition common in older adults that restricts the flow of blood to the brain. The study is also unique in its use of around-the-clock ambulatory blood pressure monitors, which measured participants’ blood pressure

during all activities of daily living, rather than only in the medical care environment. In addition to seeing beneficial effects in the brain, those who kept their blood pressure lower also were less likely to suffer major cardiovascular events, such as a heart attack or stroke.

Drinking Too Much Coffee

“Excessive amounts of caffeine can increase the levels of insulin and cortisol in the system,” explains Dr. Shah. Insulin increases inflammation and cortisol is known as the stress hormone. This combination could mix up your sleeping habits and contribute to continued stress which can lead to sleep deprivation. “Sleep deprivation prevents that regenerative rest our skin and mind need to stay healthy.”

Neglecting the Skin Around Your Eyes

“The skin around your eyes is the thinnest and has very few oil glands,” says Dr. Shah. Pamper your eyes and stave off signs of aging by choosing a daily eye cream that includes peptides.

Dr. Shah explains, “They work to stimulate collagen production and prevent fine lines. Be sure to check the label.” Other notable ingredients that reduce puffiness, lines, wrinkles, and under eye circles are caffeine and nicotinic acid (a form of the B vitamin niacin).

Soap

While you may think that soap is your skin’s best friend, this is actually not the case. The reason for this is that your skin has an acid mantle which is a natural protective barrier of the skin. When you wash with soap – which is generally alkaline – it can remove this protective layer of oils and dry out the skin, eventually leading to wrinkles. Dr. Shah says that “While it is not advisable to stop washing entirely, try swapping the

soap for a PH-neutral and chemical-free cleanser, and bear in mind that there is such a thing as over-cleansing your skin.”

Licking Your Lips Constantly

There’s a myth out there that claims people can get addicted to lip balm. “These people just have dry skin and miss the feeling of the balm when it’s gone,” says Dr. Shah. Lip licking can become a bad habit. But when you moisten your lips that way, you actually wind up making things worse. The water in your saliva evaporates, leaving lips dry and cracked. “Saliva can contain bacteria and irritants, so you can end up with a rash around the lips as well,” says Dr. Shah. Try a lip balm such as Burt’s Bees 100 percent Natural Moisturizing Lip Balm, Original Beeswax with Vitamin E & Peppermint Oil.

Dr. Shah is a Clinical Assistant Professor of Surgery at the University of Colorado Health Sciences Center.

Surprising Skin Sins That Age Your Face

Unless you have been living under a rock, you know that smoking, not wearing sunscreen and going to bed with your makeup on hardly produces the coveted look of Instagram’s “glass skin.” Aside from these three ‘skin sins’ there are many others that are not so obvious. We turned to Denver Board-Certified Plastic Surgeon Dr. Manish Shah who is a big believer in pre-juvenation and a holistic approach to youth.

Attorney General Raoul Announces Settlements with Four Fast Food Chains

Attorney General Kwame Raoul, as part of a coalition of 14 attorneys general, announced settlements under which four national fast food franchisors will cease using “no-poach” agreements, which restrict the rights of fast food workers to change jobs from one franchise to another within the same restaurant chain. The agreements entered Tuesday with Dunkin’, Arby’s, Five Guys, and Little Caesars settle an investigation announced by the states in July 2018 over concerns that no-poach agreements hurt low-wage workers by limiting their ability to secure better paying jobs. Under the terms of the settlements, the franchisors have agreed to stop including no-poach provisions in any of their franchise agreements and to stop enforcing any franchise

agreements already in place. Illinois and other state attorneys general launched an investigation last July by sending letters to Arby's, Burger King, Dunkin' Brands, Five Guys Burgers and Fries, Little Caesar, Panera Bread, Popeyes Louisiana Kitchen, and Wendy's requesting documents, including copies of franchise agreements and communications related to

no-poach provisions. Since the investigation began, Wendy's announced that it will no longer use no-poach provisions in contracts with franchisees. Investigations into Burger King, Popeyes, and Panera are ongoing. Raoul also urged anyone in Illinois who believes they may have been impacted by these practices to contact his office at 1-844-740-5076.

Sorprendentes Pecados de la Piel que Envejecen tu Rostro

A menos que hayas estado viviendo bajo enclaustrado, sabes que fumar, no utilizar bloqueador solar e irse a la cama sin quitarte el

maquillaje rara vez va a producir el codiciado look de la “piel de cristal” de Instagram. Además de estos tres ‘pecados de la piel’ hay muchos otros que no son

tan obvios. Acudimos a la Cirujana Plástica Certificada de la Junta de Denver, Dra. Manish Shah, quien cree en el rejuvenecimiento y el enfoque holístico a la

juventud.

Beber Demasiado Café

“Excesivas cantidades de cafeína pueden incrementar los niveles de insulina y cortisol en el sistema”, explica la Dra. Shah. La insulina aumenta la inflamación y se sabe que el cortisol es la hormona del estrés. Esta combinación podría perturbar tus hábitos de sueños y contribuir a que sigas con el estrés, lo que puede llevarte a no poder dormir. “El no poder dormir evita el descanso generador que nuestra piel y mente necesitan para mantenerse saludables.

Descuidar la Piel Alrededor de los Ojos

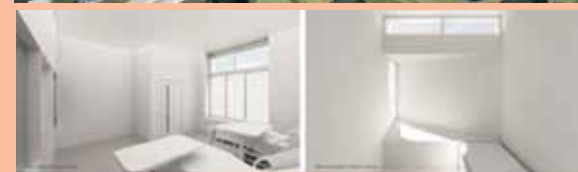

“La piel alrededor de los ojos es la más delgada y tiene muy pocas glándulas grasas”, dice la Dra. Shah. Cuida tus ojos y evita las señas de la edad escogiendo una crema de ojos diaria que incluya péptidos, explica la Dra. Shah. “Hacen estimular la producción de colágeno y evitar finas líneas de la piel. Ten cuidado de revisar la etiqueta”. Otro ingrediente notable que pueden reducir la inflamación, las líneas, las arrugas y las ojeras es el ácido de cafeína y nicotina (una forma de laniacina de la vitamina B).

Jabón

Aunque puedes pensar que el jabón es el mejor amigo de tu piel, realmente no lo es. La razón de esto es que tu piel tiene una capa ácida que es una barrera natural protectora de la piel. Cuando la lavas con jabón – que generalmente es alcalino – puede quitar esta capa protectora de aceite y secar la piel, eventualmente provocando arrugas. La Dra. Shah dice que “Aunque no es aconsejable dejar de lavarse completamente, trate de cambiar el jabón por un limpiador sin químicos, PH-neutral y tenga en cuenta que el sobre-limpiar la piel es un hecho”.

Lamer los Labios Constantemente

Hay un mito que clama que la gente puede llegar a ser adicta al bálsamo de labios. “Estas personas tienen la piel

IDOC Ground on Mental Health Treatment Center

The Illinois Department of Corrections (IDOC) is constructing a 200-bed mental health and general medicine treatment center in Joliet. This facility will provide the most intensive level of care for incarcerated men and women with mental illness or who require long-term skilled nursing care. IDOC was joined by Illinois Senator Pat McGuire, Representative Lawrence Walsh, Joliet Mayor Bob O’Dekirk, and AFSCME Council 31 representatives for an official groundbreaking ceremony Monday morning. The 180,000-square foot Inpatient Treatment Center will be located in Joliet, Illinois on the same grounds as the existing Joliet Treatment Center. The \$150 million facility will provide services to both male and female patients. More than 400 people will work at the facility including physicians, nurse practitioners, licensed psychologists, and correctional treatment officers. This new Inpatient Treatment Center will ensure IDOC meets its obligation to provide inpatient beds and programming space for seriously mentally ill offenders, as outlined in the *Rasho v Baldwin* settlement agreement. Construction of the Joliet Inpatient Treatment Center is expected to be completed in 2021.

seca y extrañan la sensación del bálsamo cuando este desaparece”, dice la Dra. Shah. el lamerse los labios pude convertirse en un mal hábito. Pero cuando humedeces tus labios en esa forma, actualmente terminas haciendo las cosas peor. El agua de tu saliva se evapora y deja los labios secos y agrietados. “La saliva puede contener bacterias e irritantes, por lo

que puedes terminar con una erupción alrededor de los labios”, dice la Dra. Shah. Trata un bálsamo para labios como el Burt’s Bees 100 por ciento un bálsamo hidratante natural de labios, Cera de Abeja Natural con Vitamina E y Aceite de menta. La Dra. Shah es Profesora Asistente Clínica de Cirugía en la Universidad del Centro de Ciencias de Salud de Colorado.

 1. Combine whole-wheat flour, all-purpose flour, yeast and salt in a stand mixer with the dough-hook attachment. Add 2 eggs, milk, sugar (or honey) and 2 tablespoons softened butter. Mix on low speed until the dough has pulled together and is smooth and elastic, about 6 minutes.
