# LATINOS and Mental Health

## Los Latinos y la Salud Mental

By: Ashmar Mandou

Latinos are no different when it comes to commonness of mental health conditions when compared to the rest of their peers. However, your concerns or experiences and how you understand and cope with these conditions may be different. According to the National Alliance on Mental Health (NAMI) common mental health disorders among Latinos are generalized anxiety disorder, major depression, and posttraumatic stress disorder. Additionally, NAMI states Latina high school girls have high rates of suicide attempts. As a community, Latinos are

work for you. You may use both approaches in your road to recovery.

## Legal Status

For immigrants who arrive without documentation, the fear of deportation can prevent them from seeking help. For example, even though millions of children of undocumented immigrants are eligible for health insurance under the Affordable Care Act, most families are afraid to register. If you do not have papers, seek out clinics and resources that care for all persons. Latino-based organizations often provide services regardless of legal status.

According to NAMI, when deciding to seek help, questions help to gauge a provider's sense of his or her of cultural sensitivity. Do not feel bad about asking questions. Your questions give your doctor and health care team important information

about you, such as your main health care concerns. Here are some questions you could ask, *Have you treated other Latinos? Have you received training in cultural competence or on Latino mental health? How do you see our cultural backgrounds influencing our communication and my treatment? How do you plan to integrate my beliefs and practices in my treatment?*

less likely to seek mental health treatment. A recent Surgeon General's report found that only 20 percent of Latinos with symptoms of a psychological disorder talk to a doctor about their concerns. Only ten percent contact a mental health specialist. Different reasons prevent Latinos from seeking treatment and receiving care.

## Lack of Information and Misunderstanding About Mental Health

Overall, the Latino community does not talk about mental health issues. There is little information about this topic. We cannot know what nobody has taught us. Many Latinos do not seek treatment because they don't recognize the signs and symptoms of mental health conditions or know where to find help. One in five people is affected by mental illness. This means that, even if

we don't talk about it, most likely, we have one of these illnesses or know someone who does.

## Natural and Home Remedies

Some Latinos heavily rely on traditional healers and home remedies to deal with health-related issues. Mental health may not be an exception. If these healing

methods are important to you, do use them. However, we encourage you to seek a mental health professional or a primary care doctor. Ask your doctor to make these healing practices part of your treatment plan. Mental health professionals have experience and knowledge of effective types of treatments and what may

## Pet Safety Tips for Spring and Summer

Cook County Animal and Rabies Control urges pet owners to take special precautions to protect the health and welfare of their pets in the spring and summer. The department offers tips for pet owners to keep in mind: **Do not leave your pet in a hot car:** Even with the windows rolled down, studies have shown that the temperature inside the car can increase by 15

degrees above the outside temperature. The law requires that any time the ambient temperature is above 78 degrees, you cannot leave your dog in a car. **Keep your pets cool when outside:** All dogs should be provided with cool water and shade, and monitored when outside. Short-coated animals and animals with white or tan fur are susceptible to sunburn, especially on their noses.

## Vaccinate your pets:

Make sure that your dog is up-to-date on all shots, including canine influenza virus and rabies. For the 13th consecutive year, Cook County Animal and Rabies Control is offering low-cost rabies vaccine clinics throughout the County. **Take care of your dog's paws:** Remember that asphalt and sidewalks are hotter than grass, and dogs' paw pads are highly

sensitive to heat. Whenever possible, walk your dog on grass, dirt or gravel, and avoid asphalt and concrete during a heat wave.

# Los Latinos y la Salud Mental

Por: Ashmar Mandou

Los latinos no son diferentes cuando se trata de causas comunes de condiciones de salud mental, cuando se compara con el resto de sus congéneres. Sin embargo, sus dudas o experiencias sobre como entender y enfrentarse a estas condiciones pueden ser diferentes. De acuerdo a National Alliance on Mental Health (NAMI) los problemas de salud mental comunes entre los latinos son por lo general problemas de ansiedad, una gran depresión y problemas de estrés posttraumático. Adicionalmente NAMI declara que las jovencitas de secundaria tienen altos índices de intento de suicidio. Como comunidad, los latinos es menos probable que busquen tratamiento de salud mental. Un reporte reciente de *Surgeon General*, encontró que solo el 20 por ciento de latinos con síntomas de problemas psicológicos hablan a su doctor sobre sus preocupaciones. Solo el diez por ciento contacta a un especialista de salud mental. Diferentes razones evitan que los latinos busquen tratamiento y reciban la atención debida.

**Falta de Información y Malentendidos Sobre Salud Mental**

Por lo general, la comunidad latina no habla de problemas de salud mental. Hay poca información sobre este tema. No podemos saber por qué nadie nos ha enseñado. Muchos latinos no buscan tratamiento porque no reconocen las señales y síntomas de condiciones de salud mental o saben donde encontrar ayuda. Una de cada cinco personas es afectada por una enfermedad mental. Esto significa que, aunque no hablemos sobre ello, es muy probable que tengamos una de estas enfermedades o conozcamos a alguien que las padece.

## Medicina Natural y Remedios Caseros

Algunos latinos confían ciegamente en remedios tradicionales y remedios caseros para tratar problemas de salud. La salud mental puede no ser una excepción. Si estos métodos de curación son importantes para usted, utilícelos. Sin embargo, le aconsejamos que busque a un profesional de salud mental o un doctor primario. Pida a su doctor que haga estas prácticas de curación parte de su plan de tratamiento. Los profesionales de salud mental tienen experiencia y el conocimiento necesario del tipo de tratamiento efectivo que pueda funcionar para usted. Puede usar ambos enfoques para buscar su

recuperación.

## Estado Legal

Para los inmigrantes que llegan sin documentación, el temor a la deportación puede impedirles que busquen ayuda. Por ejemplo, aunque millones de niños de inmigrantes indocumentados son elegible para seguro de salud bajo el Acta Affordable Care, la mayoría de familias tiene miedo de inscribirse. Si usted no tiene documentos busque clínicas y recursos que atiendan a todos. Las organizaciones latinas muchas veces proveen servicios sin importar el estado legal.

De acuerdo a NAMI, cuando decida buscar ayuda las preguntas ayudan a evaluar el sentido de la sensibilidad cultural de un proveedor. No se sienta mal por hacer preguntas. Sus preguntas dan a su doctor y al equipo de cuidado de salud una información importante sobre usted, como sus principales preocupaciones de salud. A continuación algunas preguntas que usted podría hacer, *¿Ha usted atendido a otros latinos? ¿Ha usted recibido entrenamiento en competencia cultural o sobre salud mental en los latinos? ¿Cómo ve usted que nuestros antecedentes culturales influyen en nuestra comunicación y en mi tratamiento? ¿Cómo piensa integrar mis creencias y prácticas en mi tratamiento?*

## CHA, Project Embrace Help to Make Prom a Reality

More than 50 young women recently received dresses at the Little Village Boys and Girls Club - along with a variety of shoes and accessories - as the Chicago Housing Authority partnered with non-profit Project Embrace to provide prom outfits for low-income high school students. The staff at CHA contributed a total of 155 dresses, two pairs of shoes and ten accessories. The items were free of charge for the excited teenagers. Project Embrace seeks to help Chicago area girls with the financial burden of attending prom. "I am so happy at the outpouring of support the project received from CHA employees. From the volunteer employees to the donations of dresses and accessories. Thanks to CHA, we had another successful event and we

made so many girls prom-ready and no cost to them or their families," said Project Embrace Founder Juana Ballesteros. High School senior Taylor Givens, who lives in CHA, said she wasn't previously very excited about prom. "But seeing these pretty dresses is making me get excited," she said. "I wasn't expecting so many

options." Her sister, Yesenia Givens, agreed. "This is so awesome and completely unexpected," she said. "And we get to have two dresses - a formal and casual dress too?!" Employees from CHA's Office of Diversity and Inclusion volunteered in setting up the gym and with assisting prom "shoppers." The event hit home for CHA employee

YaQuavia Gooden, who said she personally knows how expensive a prom can be for a young woman. "To see every young lady walk out with a dress, shoes and other accessories warmed my heart," Gooden said. "Especially knowing that they won't have that extra financial stress trying to find a dress. And it helped that the dresses were gorgeous."

## McDonald's, U.S. Rep. Danny Davis Team Up for Hiring Season

McDonald's and Congressman Danny Davis kicked-off the summer hiring season with an event showcasing recent enhancements to Archways to Opportunity, McDonald's comprehensive education program on Tuesday morning. Archways to Opportunity provides eligible U.S. employees an opportunity to earn a high school diploma, receive upfront college tuition assistance, access free education advising services and learn English as a second language. McDonald's recently announced it will enhance its signature education program by tripling tuition assistance for restaurant employees, lowering eligibility requirements from nine months to 90 days of employment, and dropping weekly shift minimums from 20 hours to 15 hours. Since

Archways to Opportunity launched in 2015, more than 1,700 restaurant employees

in Illinois have been awarded more than \$3 million in tuition assistance. The latest changes

to the program will allow many more employees to take advantage of the program.

## CHA Y Project Embrace Ayudan a Hacer del Prom una Realidad

Más de 50 jovencitas recibieron recientemente vestidos en Little Village Boys and Girls Club - junto con una variedad de zapatos y accesorios - ya que Chicago Housing Authority (CHA) se asoció con la organización no lucrativa, Project Embrace, para dar los vestidos del prom a estudiantes de secundaria de bajos ingresos. El personal de CHA contribuyó con un total de 155 vestidos, dos pares de zapatos y diez accesorios. Los artículos fueron gratuitos para las entusiasmadas adolescentes. Project Embrace busca ayudar a las jóvenes del área de Chicago con la carga financiera del prom. "Me siento tan feliz del gran apoyo que el proyecto recibe de los empleados de CHA. Desde los empleados voluntarios a las donaciones de vestidos y accesorios. Gracias a CHA, tuvimos otro exitoso evento y preparamos a tantas jovencitas para el prom sin costo alguno para ellas o sus familias", dijo la Fundadora de Project Embrace, Juana Ballesteros.

La estudiante senior de secundaria, Taylor Givens, quien vive en CHA, dijo que primero no estaba muy entusiasmada con el prom. "Pero ver esos lindos vestidos me hizo entusiasmarme", dijo. "No esperaba tantas opciones". Su hermana, Yesenia Givens, dijo lo mismo. "Es tan maravilloso y completamente inesperado", dijo. "Y tenemos dos vestidos - uno formal y uno casual?!" Empleados de la Oficina de Diversidad e Inclusión de CHA se ofrecieron como voluntarios para preparar el gimnasio y ayudar a las "compradoras" del prom. El evento impactó a la empleada de CHA YaQuavia Gooden, quien dijo que sabe personalmente cuán caro puede ser un prom para una joven. "Ver a cada jovencita caminar con un vestido, zapatos y otros accesorios me conmovió el corazón", dijo Gooden. "Especialmente sabiendo que no tendrán esa tensión financiera extra para encontrar un vestido. Y ayudó a que los vestidos fueran preciosos".

## McDonald's y el Rep. de E.U. Danny Davis se Unen en la Temporada de Contratación

El martes por la mañana, McDonald's y el Congresista Danny Davis iniciaron la temporada de contratación de verano con un evento que muestra las recientes mejoras al programa de educación integral del McDonald's 'Archways to Opportunity'. Archways to Opportunity brinda a los empleados elegibles de E.U. la oportunidad de obtener un diploma de secundaria, recibir ayuda de tutoría universitaria, acceso a servicios de asesoría de educación gratuita y aprender inglés como segundo idioma.

McDonald's anunció recientemente que ampliará su programa de educación triplicando la ayuda en tutoría para empleados de restaurante, bajando los requisitos de elegibilidad, de nueve meses a 90 días de empleo y bajando el turno semanal mínimo, de 20 horas a 15 horas. Desde que Archways to Opportunity fue lanzado en el 2015, más de 1,700 empleados de restaurante en Illinois han recibido más de \$3 millones en ayuda de tutoría. Los cambios más recientes al programa permitirán que muchos más empleados aprovechen el programa.

## Urban School Food Alliance Celebrates Fifth Annual 'Fresh Attitude Week'

Urban School Food Alliance (the Alliance), a coalition of the largest school districts in the United States celebrated Fresh Attitude Week last week. In collaboration with the French Department of Agriculture and in partnership with Interfel (French Inter-Branch Association of Fresh Fruits and Vegetables which created Fresh Attitude Week.), Fresh Attitude Week has become an annual event in Alliance districts in America. "Encouraging young people to eat fresh fruits and vegetables early in life enables them to develop healthy habits that can continue on to adulthood," said Dr. Katie Wilson, executive director of the Urban School Food

Alliance. "Alliance districts have worked hard to prepare innovative produce-based dishes for students to enjoy. Studies show that when students eat nutritious and delicious foods in school, the more likely they are to be successful in the classroom."

Chicago Public Schools (CPS) is a member of the Urban School Food Alliance and hosted a celebration at Byrne Elementary School where local chefs held food demonstrations. During Fresh Attitude Week, CPS served over 30 different

fruits and vegetables at lunchtime including: jicama, grape tomatoes, pico de gallo, roasted plantains, cauliflower, and yellow squash.

En colaboración con el Departamento Francés de Agricultura y en colaboración con Interfel (Asociación francesa de sucursales de frutas y verduras frescas que creó la Semana de Actitud Fresca), la Semana de Actitud Fresca se ha convertido en un evento anual en distritos de Alliance en Estados Unidos. Animar a los jóvenes a que coman fruta fresca y vegetales temprano en su vida hace posible que desarrollen hábitos saludables que puedan continuar en la edad adulta", dijo la Dra. Katie Wilson, directora ejecutiva de Urban School Food Alliance. Los distritos de Alliance han trabajado mucho para preparar platillos innovadores a base de vegetales para que los disfruten los estudiantes. Los estudios demuestran que cuando los estudiantes comen alimentos nutritivos y deliciosos en la escuela es más probable que triunfen en el salón de clases". Las Escuelas Públicas de Chicago (CPS) son miembro de Urban School Food Alliance y ofrecen una celebración en Byrne Elementary School donde chefs locales presentan demostraciones de comida. Durante la Semana de Actitud Fresca CPS sirvió más de 30 diferentes frutas y vegetales a la hora del almuerzo, incluyendo: jicamas, tomates uva, pico de gallo plátanos rostizados, coliflor y calabacita amarilla.

Compiled by Ashmar Mandou

Political Sidebar is a weekly round-up of commentary from elected officials around the Chicagoland area discussing topical issues affecting their communities.

### State Senator Omar Aquino Advances HB 3606 to Protect Student Data

"We need to think to the future and establish online consumer protections," said Aquino. "I want to be as proactive as possible when it comes to protecting peoples' online data, and this measure will protect some of our most vulnerable online users." The measure is supported by Raise Your Hand for Illinois Public Education, an organization

### Reverend Jesse L. Jackson, Sr. Speaks at Venezuelan Embassy

Reverend Jesse L. Jackson, Sr., together with other

faith leaders, held press conference in front of the Embassy of Venezuela Wednesday to advocate for a non-violent, negotiated resolution to the crisis there and to show support for the Embassy Protection Collective. "No matter which side one supports in the political and increasingly violent crisis in Venezuela, the United States must never support regime change by military coup. We cannot proclaim to be the world's strongest democracy and at the same time encourage military takeover anywhere around the globe, let alone in our

own hemisphere. It is our moral obligation to condemn all coups. Despite how difficult the situation is, we must continue to advocate and support a non-violent, negotiated resolution to the crisis in Venezuela."

### State Senator Robert Peters Pushes to Provide Civics Education to Incarcerated Population

"Jails and prisons are meant to provide rehabilitation, and that means helping re-entry into society," Peters said. "These folks have already lost their rights while locked

House Bill 2541 creates the Re-Entering Citizens Civics Education Act and requires the Departments of Corrections and Juvenile Justice to provide non-partisan, peer-led civics programs throughout Illinois correctional facilities to incarcerated people who will be released within 12 months. The curriculum of the program will consist of voting rights, governmental institutions, current affairs, and simulations of voter registration, election, and democratic processes, and are purely educational.

### State Senator Laura Fine Introduces Plan to Help Prevent Homelessness

A bill sponsored by State Senator Laura Fine (D-Glenview) will provide support for people who are facing homelessness. "Many individuals and families may be one paycheck away from homelessness, and we want to do as much as we can to prevent this traumatic experience," Fine said. "This bill gives families who are struggling a

## State Introduces Getting to Zero Illinois HIV Plan

Governor JB Pritzker, Mayor Rahm Emanuel, the Illinois Department of Public Health (IDPH), the Chicago Department of Public Health (CDPH), and the AIDS Foundation of Chicago (AFC) introduced the Getting to Zero Illinois (GTZ-IL) five-year comprehensive plan that details actions to end the HIV epidemic in Illinois by 2030. As part of the Getting to Zero Illinois collaboration, the plan includes goals and strategies that will reduce new HIV transmissions, support the health of people living with

HIV and AIDS, and help Chicago and Illinois get to “functional zero,” a point where the HIV epidemic can no longer sustain itself. The plan is being released after almost two years of planning and preparation, which included town hall meetings, surveys, focus groups, draft recommendations, and feedback from communities all over Illinois. The plan focuses on major shifts in six areas including: build HIV health care and public health workforce that uses new approaches and adapts to the evolving needs of people

living with and vulnerable to HIV and increase access to health care services that support the use of PrEP for HIV treatment; provide services and care for linked, co-occurring conditions, including mental health and substance-use treatment, screening and treatment for sexually transmitted infections, and vaccination against diseases such as viral hepatitis and meningitis. In 2017, an estimated 39,842 people were living with HIV in Illinois, 23,835 of whom lived in the City of Chicago. There were 1,375 new HIV diagnoses in Illinois in

2017, an almost 35 percent decrease from 2006 to 2017. In Chicago, there were 752 new HIV diagnoses in 2017, the fewest since

1990. You can read the plan at [GTZillinois.hiv/plan](http://GTZillinois.hiv/plan). For more information about PrEP, call the Chicago PrEP Line at 872-215-1905

## Sinai Program Celebrates Expectant Mothers, Prepares Them for Delivery

The Sinai Health System - OB/GYN and Sinai Community Institute Better Birth Outcomes Partnership organized a graduation ceremony for

ten expectant mothers last week who completed the program's prenatal childbirth education class. The partnership program is facilitated by Paula Manuel, RN and Midwife consultant, with the assistance of the partnership's staff. ## Advocate Health Care Brings New Lactation Pod to Wrigley Field

Just in time for Mother's Day, Chicago Cubs fans now have the option to use a new lactation pod at Wrigley Field. The suite gives moms a private space to nurse or use a breast pump at the stadium. Advocate Health Care, the Official Health Care Partner of the Chicago Cubs, teamed up with the team to provide this "Quiet Little Den for You and Your Cub." The pod is located near Gate 4 on the left field concourse, just inside the Gallagher Way entrance. The lockable, freestanding room features two benches, a table, a charging station and an outlet for plugging in a breast pump. Last September, Advocate Health Care teamed up with the Chicago Bears to bring a lactation pod to Soldier Field.

## Advocate Health Care Lleva Nueva Cápsula de Lactancia al Wrigley Field

Justo a tiempo para el Día de la Madre, las fanáticas de los cachorros tienen ahora la opción de utilizar una nueva cápsula de lactancia en el Wrigley Field. El lugar da a las madres un espacio privado para amamantar o utilizar un extractor de leche en el estadio. Advocate Health Care, Socio Oficial de Cuidado de Salud de los Cachorros de Chicago, se unió al equipo para proveer este "Pequeño y Tranquilo Lugar para Usted y su Cachorro". La cápsula está localizada cerca a la Puerta 4 en el campo de la izquierda, justo dentro de la entrada Gallagher Way. La habitación con cerradura, independiente, tiene dos bancas, una mesa, una estación de carga y un enchufe para conectar el extractor de leche. El pasado septiembre, Advocate Health Care se afilió a los Osos de Chicago para llevar una cápsula de lactancia al Soldier Field.

## Laborer

The Metropolitan Water Reclamation District of Greater Chicago is preparing to hire a small number of laborers over the next four years. These jobs are in Cook County at plants that treat sewage. There are no jobs in downtown Chicago. People in these jobs may work in unpleasant surroundings and are exposed to unpleasant odors.

You must show your Social Security Card and photo identification (with your birth date) at the basic skills written test. Failure to show these documents may result in disqualification from the Laborer examination process. You must be at least 18 years old by July 14, 2019.

## How we will hire Laborers:

1. We will use the Illinois State Lottery Pick 4 (evening) game on Sunday, May 19, 2019 to get the numbers for the Laborer lottery list. (The Illinois State Lottery has no interest in the way the District hires people.)
2. On May 20, 2019, we will post the winning numbers on the District's employment website at [www.districtjobs.org](http://www.districtjobs.org) and from May 21 to June 10, 2019 we will publish the winning numbers in newspapers.
3. If the last four digits of your Social Security number match the winning numbers or are within the range of the winning numbers plus 500, you will have until June 14, 2019 to file an application for Laborer.
4. Applications must be filed by the following method:  
Submitted online through the District's Online Employment Center at [www.districtjobs.org](http://www.districtjobs.org)  
Applications must be submitted by 11:59 p.m. Central Time on the closing date, June 14, 2019, in order to be considered.
5. All communication with applicants during the selection process will be by email. It is the applicants' responsibility to check their email for important notifications from the District during the selection process.
6. Applications from anyone whose numbers do not match the winning numbers or are not within the range of the winning numbers plus 500 will be disqualified. You must show your photo identification (with your birth date) and Social Security Card at the basic skills written test to confirm you have the winning numbers or are within the range of the winning numbers plus 500. Failure to show these documents may result in disqualification from the Laborer examination process.
7. Candidates must be able to read and understand simple instructions at approximately the sixth grade level and be at least 18 years old by July 14, 2019.
8. In the event that more than one applicant has the same last four digits of their social security number, ties will be broken by the date and time of application submission.
9. A short list of candidates, based on their rank in the lottery, will be asked to take a basic skills written test which is tentatively scheduled for Saturday, August 10, 2019. Candidates will receive more information about the basic skills written test if they are placed on the lottery list and are within the selected range.
10. A short list of candidates who pass the basic skills written test, based on their rank in the lottery, will be interviewed. Interviews are tentatively scheduled between the dates of September 3 and September 13, 2019.
11. Candidates who pass the interview will be eligible for hire as a Laborer. Appointments will be made from the rank order eligible list. The eligible list has a duration of four years.
12. If you are offered a job, you will take a physical exam, including a drug test, criminal history background investigation and an evaluation of your ability to meet the specific physical demands of the job.
13. If you are hired, you will have a one-year probation period (250 days worked).
14. If you are hired, you must have a valid Illinois driver's license within six months of the date of appointment.
15. If you are hired, you must live in the boundaries of the District within six months of completing probation.  
(The District covers about 90% of Cook County.)
16. The hourly rate for a Maintenance Laborer B is \$26.93.
