

CDPH Anuncia Expansión de Apoyo a la Salud Mental

El Departamento de Salud Pública de Chicago (CDPH) anunció un paquete de apoyos de salud mental para los residentes de Chicago que pueden enfrentar desafíos debido a la pandemia COVID-19. La pandemia ha impactado el bienestar psicológico y emocional de muchas personas, con encuestas nacionales que indican mayores niveles de aislamiento social, estrés y preocupaciones sobre el futuro. La Ciudad está respondiendo probando nuevos enfoques para los servicios de salud mental que aumentarán el acceso para los habitantes de Chicago que quieran apoyo adicional. CDPH se asociará con cuatro organizaciones líderes de salud mental de la comunidad y proporcionará \$ 1.2 millones en fondos para ampliar el acceso de las personas que viven con enfermedades mentales graves (SMI) como esquizofrenia, trastorno bipolar o trastornos concurrentes. Las cuatro organizaciones: Friend Health, Healthcare Alternative Systems, Thresholds y Trilogy Behavioral Healthcare, están distribuidas geográficamente en toda la ciudad y tienen una historia profunda en las comunidades a las que sirven. Expandirán el acceso a los servicios de tratamiento comunitario asertivo (ACT) y a los equipos de apoyo comunitario (CST), con un enfoque en los lados sur y oeste de Chicago.

Avoiding Census Fraud and Scams

Phishing is a criminal act in which someone tries to get your information by pretending to be an entity that you trust. Phishing emails often direct you to a website that looks real but is fake—and may be infected with malware. A key way to identify scam websites is to look at the website address. All valid Census Bureau websites will always have “.gov” at the end. 2020census.gov provides key information about the 2020 Census and how to respond. My2020census.gov is the direct website address you can use to respond to the 2020 Census online. 2020census.gov

will also direct you to my2020census.gov to respond.

Further, during the 2020 Census, the Census Bureau will never ask for:

- Your Social Security number.
 - Your bank account or credit card numbers.
 - Anything on behalf of a political party.
 - Money or donations.
- In addition, the Census Bureau will not contact you on behalf of a political party.

The Census Bureau will not send unsolicited emails to request your participation in the 2020 Census. However, the Census Bureau may

contact you via email to request your participation in other ongoing surveys:

•If you have been selected to participate in the Household Pulse Survey, you will be contacted by COVID.survey@census.gov or by text message from 39242.

Tracing Cases in Chicago

By: Ashmar Mandou

As the City of Chicago commits to reopening more businesses in the coming weeks, the Chicago Department of Public Health announced its plan to expand contact tracing for COVID-19 cases at the grassroots level.

This operation includes a Request for Proposals (RFP), in which the City has assigned \$56 million in COVID-19 relief funding from the CDC and the Illinois Department of Public Health for community organizations in areas of high economic hardship to train and certify a 600-person workforce to support contact tracing.

“As we ease out of shelter in

This approach provides the opportunity not only to operationalize an important tool in the fight against COVID-19, but also leverage the economic investment sourced from federal COVID relief funding to create thriving wage jobs and address long-standing health inequities caused by unequal economic

opportunity and access to education.”

The \$56 million RFP released seeks organizations to apply to lead coordination of contact tracing and resource referral efforts across the city. The RFP mandates that the lead agency will be required to sub-grant 85 percent of contact tracing funding to at least 30 neighborhood-based organizations located within, or primarily serving residents of, communities of high economic hardship. “Federally qualified health centers can play a key

role in supporting contact tracing of COVID-19,” said David Munar, president and CEO of Howard Brown Health. “Not only have we been supporting contact tracing of other communicable disease like STIs for many years, but we can help link contacts to healthcare services to ensure their needs are met if they do test positive for COVID.”

Employees hired through this program will be supported by an “Earn-and-Learn” program that helps them pursue higher education and

credentialing, which will give contact tracers the ability to pursue stable, middle-income jobs that can support their livelihoods beyond the height of the pandemic. Contact tracers will earn \$20 an hour with supervisors earning \$24 an hour. CDPH will also require that applicants meet these minimum salary requirements and provide full health benefits. Organizations who are not able to meet these criteria will be able to submit a written statement to provide an explanation.
