New Role, New Goal

By: Ashmar Mandou

Longtime education advocate Cristina Pacione-Zayas garnered quite the experience working with such prolific organizations as Erikson Institute, Latino Police Forum, Enlace Chicago, and The Puerto Rican Agenda of Chicago, earning her Ph.D. in educational policy studies from the University of Illinois at Urbana-Champaign. Pacione-Zayas now sits as the State Senator for the 20th Illinois Senate District and looks

to implement impactful policies that will create long-lasting opportunities for those within the district she now serves. Senator Pacione-Zayas lays out her plans in the coming months during a phone interview with Lawndale Bilingual Newspaper for our New Role, New Goal series.

Pivotal Lesson
 Coming from a family of community organizers I learned the fundamentals of collaborating with other families, community leaders, working closely with children, young

people, and educators. It's in my blood. Growing up in Logan Square there were many injustices occurring throughout our neighborhood, the same injustices occurring in many neighborhoods today, so I learned about social responsibility and the importance of working as a collective to bring about change.

New Role, New Goal
 There are many areas that I would like to keenly focus on, first being providing an abundant amount of

COVID-19 resources to the 20th District. It's disheartening to witness the rise in COVID-19 cases in comparison to other neighborhoods. We are working on a strategy to get COVID-19 under control, to bring about rapid testing sites set-up so people can feel comfortable and safe. In the realm of business, I am going to be honest, it's going to take a long time to recover from this, but I believe we can formulate a plan that will help entrepreneurs sustain their business. It will just take time. Another component I would like to focus on is on the education side. We need to be innovated in how we continue to work

under a pandemic. We need to create new ways students can learn both in-person and virtual, we need to create the best practices for remote learning so that students are not left behind. **Civic Leadership** As the old adage goes, if you are not at the table, you are on the menu. In order to inspire change, you need to roll up your sleeves and get to work. If we look at most of the movements that occurred over the summer, they were all organized by our young activists. There is a lot of energy and a clear vision on how to bring about change. There is a lot of excitement so let that be your point of entry to get involved. Make a change.

una entrevista telefónica con Lawndale Bilingual Newspaper para nuestra serie **Nuevo Puesto, Nueva Meta**

Lección Fundamental Viniendo de una familia de organizadores comunitarios aprendí los fundamentos para colaborar con otras familias, líderes comunitarios, trabajar de cerca con los niños, los jóvenes y los educadores. Está en mi sangre. Creciendo en Logan Square vi muchas injusticias en

nuestro barrio, las mismas injusticias que ocurren en muchos barrios hoy en día, por lo que aprendí sobre responsabilidad social y la importancia de trabajar en forma colectiva para lograr el cambio.

Nuevo Papel, Nueva Meta Hay muchas áreas en las que me gustaría enfocarme, siendo la primera enfocarme en abundantes recursos para el COVID-19 en el Distrito 20. Es desalentador ver el aumento en casos de COVID-19 en comparación con otros barrios. Estamos trabajando en una estrategia para poner bajo control al COVID-19, establecer rápidamente sitios de pruebas para que la gente pueda sentirse cómoda y segura. En el ámbito de los negocios, voy a ser honesto, va a tomar mucho tiempo recuperarse de esto, pero creo que podemos formular un plan que ayude a los empresarios a sostener su negocio. Solo tomará tiempo. Otro componente en el que me gustaría

enfocarme es en el sector de educación. Necesitamos ser innovadores sobre como continuar nuestra labor bajo una pandemia. Necesitamos crear nuevas formas para que los estudiantes puedan aprender, tanto en persona como virtualmente, necesitamos crear las mejores prácticas para el aprendizaje remoto para que los estudiantes no se atrasen.

Liderazgo Cívico

Como dice el refrán, Si no estás en la mesa, estás en el menú. Para inspirar el cambio necesitas arremangarte las mangas y ponerte a trabajar. Si observamos, la mayoría de movimientos que ocurrieron en el verano estuvieron organizados por nuestros jóvenes activistas. Hay mucha energía y una clara visión sobre como lograr el cambio. Hay mucho entusiasmo, así que deja que ese sea tu punto principal para participar. Lograr el cambio.

Somos trabajadores esenciales.

Cada día somos la primera línea de defensa.

Somos la primera línea de defensa en hospitales, campos de cultivo, supermercados. Nos ponemos en riesgo para contribuir a tu salud o poner alimentos en la mesa. Las vacunas ya están aquí. Pero es importante mantener la distancia, usar mascarilla, lavarse las manos y evitar multitudes y espacios interiores con personas con las que no vivas para frenar la propagación del COVID-19.

CTU Kicks Off Little Village Caravan for Safe Schools

The Chicago Teachers Union kicked off the Little Village Caravan for Safe Schools Tuesday afternoon, 31st and Kedzie, to demand that CPS put its dangerous reopening plan on hold while it bargains with the CTU on a truly safe plan to return to school buildings. Participants decorated their vehicles with solidarity messages to teachers locked out of Google Classroom in Little Village and citywide. The overwhelmingly working class Latinx neighborhood is home to thousands of

frontline essential workers and multi-generational households — and among those hardest hit by the pandemic. The CTU has tallied reports of COVID cases in more than 50 CPS schools in the wake of the school district's move to start forcing a second wave of workers back into unsafe buildings on January 4. Those returning teachers continue to report shortages of PPE, cleaning supplies, portable HEPA filters for their classrooms and more.

CTU Lanza la Caravana de Autos de La Villita para Escuelas Seguras

El Sindicato de Maestros de Chicago lanzó la Caravana de Autos de La Villita para Escuelas Seguras, el martes en la tarde, en las calles 31st y Kedzie para pedir que CPS detenga su peligroso plan de reapertura mientras negocia con el sindicato sobre un plan verdaderamente seguro para regresar a los edificios escolares. Los participantes decoraron sus vehículos con mensajes de solidaridad para los maestros excluidos de Google Classroom en la Villita y en toda la ciudad. El vecindario mayoritariamente latino

de clase trabajadora es el hogar de miles de trabajadores esenciales de primera línea — y entre los más golpeados por la pandemia. CTU ha registrado informes de casos de COVID en más de 50 escuelas de CPS a raíz de la decisión del distrito escolar de comenzar a obligar a una segunda ola de trabajadores a regresar a edificios inseguros el 4 de enero. Los maestros que regresan continúan reportando escasez de PPE, artículos de limpieza, filtros HEPA portables para sus salones y más.

Biden Inauguration Recap

Amid an overwhelming pandemic, Joe Biden was sworn in as the 46th president of the United States shortly before noon on Wednesday, Jan. 20th, pledging to unite the country and calling on Americans to end the “uncivil war” that has ruptured the country. “I know speaking of unity can sound to some like a foolish fantasy these days, I know the forces that divide are deep and they are real,” he said. “Our history has been a constant struggle between the American ideal that we’re all created equal and the harsh ugly reality of racism, nativism,

fear, demonization. This is our historic moment of crisis and challenge — and unity is the path forward,” he said. “The answer is not to turn inward, to retreat into competing factions, distrusting those who don’t look like you or worship the way you do, or don’t get their news from the same sources you do,” the president added a moment later. We must end this uncivil war that pits red against blue, rural versus urban, conservative versus liberal. We can do this if we open our souls instead of hardening our hearts — if we show a little tolerance and humility, and if we’re

willing to stand in the other person’s shoes,” he continued.
