Local Org. Helps Connect Communities to Resources as Eviction Ban Ends

As the Illinois Eviction Moratorium comes to an end this month, many Chicagoans are still facing the negative financial impacts of COVID-19, resulting in a real concern about rent affordability. This is especially prevalent among low-income communities and Chicago's communities of color, as these communities are more likely to rent their homes. Therefore, the end to the eviction ban could further impact Chicago's communities that have already been disproportionately affected by the pandemic. Recognizing these upcoming impacts to the communities it serves, Spanish Coalition for

Housing (SCH), a local housing counseling agency, is prepared to work with affected community members to connect them to rental assistance resources. In addition to these immediate resources, SCH also offers long-term housing resources, such as free educational workshops through its Community Alliance program, which helps connect Chicagoans

to affordable housing and additional CHA resources. If you are impacted by the eviction ban ending or are seeking long-term resources for affordable housing, feel free to reach out to SCH via email (help@sc4housing.com) or call (North Region: 773-342-7575; Southwest region: 312-850-2660; Southeast Region: 773-933-7575).

Org. Local Ayuda a Conectar a las Comunidades con Recursos al Terminar la Prohibición de Desalojos

A medida que la Moratoria de Desalojo de Illinois termina este mes, muchos residentes de Chicago enfrentan todavía los impactos financieros negativos del COVID-19, resultando en una verdadera preocupación el pago de la renta. Esto es especialmente prevalente entre las comunidades de bajos ingresos y las comunidades de color de Chicago, ya que estas comunidades son más propensas a rentar sus casas. Por lo tanto, el fin de la prohibición de desalojos podría impactar aún más a las comunidades de Chicago que han sido desproporcionadamente

afectadas por la pandemia. Reconociendo estos futuros impactos a las comunidades a quienes sirve, Spanish Coalition for Housing (SCH), agencia de consejería local de la vivienda está preparada para trabajar con miembros de la comunidad afectada para conectarlos a recursos de asistencia en rentas. Además de estos recursos inmediatos, SCH ofrece también recursos de vivienda a largo plazo, como talleres educativos gratis a través de su programa Alianza Comunitaria, que ayuda a los residentes de Chicago a conectarse con vivienda económica y recursos de

CHA adicionales. Si usted se ha visto impactado por la prohibición de desalojos o busca recursos de vivienda económica a largo plazo, siéntase con la libertad de comunicarse con SCH vía correo electrónico (help@sc4housing.com) o de llamar a (la Región Norte: 773-342-7575; la región sudoeste: 312-850-2660; la Región sudeste: 773-933-7575).

Pritzker Signs Legislation to Protect Illinois Service Members

Joined by legislators, advocates, and Illinois Department of Veterans' Affairs (IDVA) Acting Director Terry Prince, Governor JB Pritzker signed seven pieces of legislation that aim to improve the lives of Illinois' service members and veterans and honor their service to their state and nation. The legislation package builds on steps already taken by the Pritzker administration on behalf of veterans and service members including fully funding a fifth veteran's home in Chicago and the creation of the Veterans Service-Related Ailments Task Force to review injuries that are not currently recognized at the federal level. A few of the pieces of legislation include:

House Bill 3865

HB 3865 establishes additional consumer protections to protect service members and veterans. Championed by the Illinois Department of Veterans' Affairs and the Illinois Attorney General's Office, the new law requires private companies that advertise veterans' and service members' benefits appeal services to publicly disclose the same services are available free of charge through county veterans' services officers and other governmental agencies. HB 3865 is effective January 1, 2022.

Senate Bill 2089

SB 2089 requires the Illinois Department of Natural Resources to fly a United States flag, an Illinois flag, and a Prisoner of War/Missing in Action flag at all State parks within five years. To help cover costs related to the initiative, groups and individuals can make donations to the Department's Special Projects Fund. SB 2089 is effective January 1, 2022.

House Bill 1915

HB 1915 allows the IDVA to create Fold of Honor decals for Illinois license plates. Drivers interested in receiving a Fold of Honor decal will be required to pay a first-time issuance cost of \$25, \$10 of which will go to the Folds of Honor Foundation Fund and the remaining \$15 will go to the Secretary of State Special License Plate Fund. Money collected by the Folds of Honor Foundation Fund through the sale of the decals will fund educational scholarship grants for military families. HB 1915 is effective immediately.
