## Chicago CPB Decomisa Tarjetas de Vacunación COVID Falsificadas

Funcionarios de U.S. Customs and Border Protection (CBP) que trabajan en la Instalación del Correo Internacional en Chicago O'Hare decomizaron recientemente 19 tarjetas de vacunación del COVID-19 falsificadas, llegando de China. La parcela fue inspeccionada para determi-

nar la admisibilidad de los artículos. Tras inspección, los oficiales descubrieron 19 tarjetas de vacunación COVID-19 falsificadas. Las tarjetas eran muy parecidas a los certificados de los Centros para el Control y la Prevención de Enfermedades (CDC) auténticos provistos por practicantes de cuidado de

salud cuando se administró la vacuna COVID. Las tarjetas parecieron fraudulentas debido a su apariencia de baja calidad y palabras con faltas de ortografía. La parcela fue decomisada el 31 de agosto y enviada a una dirección residencial en Wapakoneta, Ohio. Recientemente BCP ha estado

decomisando un alto volumen de tarjetas de vacunas falsificadas en el país. La Oficina Federal de Investigaciones (FBI) ha advertido al público que el uso no autorizado de un sello de una agencia gubernamental oficial (como la de Servicios Humanos y de Salud (HHS) o los Centros para

el Control y la Prevención de Enfermedades (CDC) es un crimen y puede ser castigado bajo el Título 18 del

Código de Estados Unidos, Sección 1017, y otras leyes aplicables.

### 9/11 Memorial Stair Climbs Retrace Heroic Steps

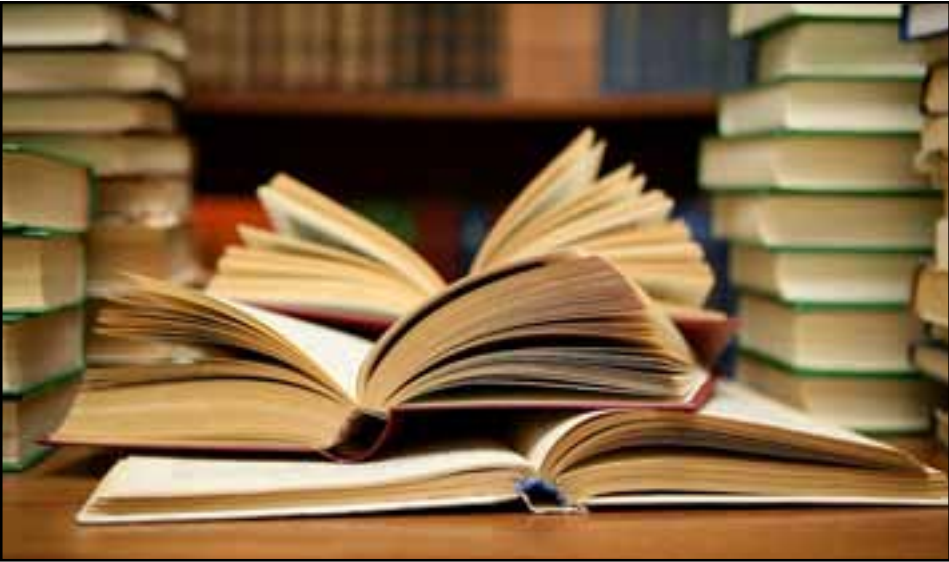

As Americans reflect on the 20th anniversary of the 9/11 attacks this year, nearly 50 cities across the U.S. will pay tribute to the New York Firefighters killed at the World Trade Center. They will do so by symbolically retracing their heroic steps in the National Fallen Firefighters Foundation 9/11 Memorial Stair Climb. Each 9/11 Memorial Stair Climb involves 343 participants - to honor the 343 FDNY firefighters killed in the 9/11 attacks. Some stair

climbs take place inside building stairwells, with participants climbing up and down stairs until they reach 110 stories, or 2,200 steps, the equivalent of the 110 stories of the World Trade Center. Others occur in outdoor arenas and stadiums. Often, participants wear full firefighter gear and breathing apparatuses while others take part in exercise clothes. Soldier Field will host this year's Chicagoland 9/11

# Illinois to Increase Access to Online Learning for Students with Disabilities

This week, the Pritzker administration commemorated the signing of legislation ensuring equitable access to learning for students with disabilities, making Illinois a national leader in requiring Web Content Accessibility Guidelines (WCAG) compliance for digital education tools in

K-12 schools. The new law requires content available on any third-party online curriculum service used in all public and private K-12 schools to be WCAG 2.1 compliant and readily accessible to individuals with disabilities starting August 1, 2022. WCAG guidelines provide a single, shared standard for web

content accessibility and explain how to make web content more accessible to people with disabilities, through features like text-to-speech, captions for videos, text alternatives for non-text content, and color-blind alternatives. With the passage of HB 26, these accessibility features will now be standard for digital

tools used to educate our children. As more students are returning to classrooms around the state, they will continue using many of the digital education tools

utilized during remote learning throughout the pandemic. Many of those tools in use currently pose challenges to students and parents who are disabled,

often forcing families to take on out-of-pocket costs to ensure their children get the same education as fellow students. HB 26 is effective August 1, 2022.

## CPL Anuncia la Selección de Aniversario de One Book, One Chicago

La Biblioteca Pública de Chicago (CPL) anunció que Bedrock Faith, del autor de Chicago, Eric Charles May, es la selección de One Book, One Chicago para el 2021. One Book, One Chicago es un programa literario gratuito de la ciudad que conecta a los habitantes de Chicago con sus comunidades en un texto seleccionado. De septiembre a diciembre del 2021, CPL explorará el libro y muchos programas sobre el tema central de esta temporada “Neigh-

borhoods: Our City’s Bedrock”. Iniciado en el 2001, One Book, One Chicago celebra su 20 aniversario este año con esta historia de los barrios de Chicago. Bedrock Faith – novela de May que debutó en el 2014 – comienza con el regreso de “Stew Pot” de Reeves a su comunidad afroamericana de clase media en el Sector Sur de Chicago, después de catorce años en prisión. La comunidad de Parkland duda en aceptarlo separado de su vecina, viuda y retirada, la Sra.

Motley, quien le presta una biblia como gesto de bienvenida. Bajo un escalante conflicto entre los miembros de la comunidad se encuentra el corazón de la historia: como la gente se une para crear una comunidad, desarrollar conexiones profundas y brindar un sistema comunal de apoyo, olvido y comprensión. # CIS of Chicago Kicks Off School Year with Strengthened Programs

Communities In Schools (CIS) of Chicago, the city's education nonprofit dedicated to help CPS students stay on the path to graduation, is kicking off the new school year with a new training series tailored to meet the needs of school staff and the organizations that support them, especially during the COVID-19 pandemic.

## ACTIVATE 2022 for CIS School Partners

CIS is launching ACTIVATE 2022, a training series for guidance counselors, social workers, principals and others at 175 Chicago Public Schools. ACTIVATE 2022 will

provide various in-person training programs on best practices to meet the unique needs of students at the nearly one-third of CPS schools who partner with CIS of Chicago. Training at these partner schools will also address anti-bias, social-emotional learning, and self-care and healing for school staff. The sessions will also provide updated best practices and resources to help students improve social emotional learning and academics. See the full list of CIS of Chicago School partners at <https://www.cisofchicago.org/partners/school-partners/>.

## MENTAL HEALTH FIRST AID Trainers Tripled

# Illinois Aumenta el Acceso al Aprendizaje en Línea para Estudiantes Discapacitados

Esta semana, la administración Pritzker conmemoró la firma de una legislación que garantiza el acceso equitativo al aprendizaje para estudiantes discapacitados, haciendo de Illinois un líder nacional en el cumplimiento de las Guías de Accesibilidad al Contenido de la Red (WCAG) para medios de

educación digital en las escuelas, del K-12. La nueva ley requiere el contenido disponible en el servicio del currículo en línea de terceras partes utilizado en todas las escuelas públicas y privadas de K-12 para estar en cumplimiento con WCAG2.1 e inmediatamente accesible a personas discapacitadas, a partir del

1º de agosto del 2022. Las guías de WCAG proveen una sola norma compartida para la accesibilidad del contenido de la red y explica como hacer el contenido de la red más accesible a personas discapacitadas, por medio de características como de texto a palabra, pie de fotos para videos, alternativas

de texto para contenido sin texto y alternativas de color. Con la aprobación de la HB26, estas características de accesibilidad serán ahora estándar para medios digitales utilizados para educar a nuestros niños. Mientras más estudiantes regresan al

salón de clase en el estado, más continúan utilizando muchos de los medios de educación digital utilizados durante el aprendizaje remoto durante la pandemia. Muchos de estos medios en uso actualmente son un reto para estudiantes y

padres discapacitados, forzando muchas veces a las familias a hacer gastos de su bolsillo para asegurarse de que sus hijos reciben la misma educación que sus compañeros. La HB 26 entrará en efecto el 1º de agosto del 2022.

## CPL Announces One Book, One Chicago Anniversary Selection

this Chicago neighborhood story. Bedrock Faith—May's 2014 debut novel—starts with Gerald "Stew Pot" Reeves's return to his close-knit, Black, and middle-class community on Chicago's South Side after fourteen years in prison. The Parkland community is hesitant to accept him apart from his widowed and retired next-door neighbor, Mrs. Motley, who lends him a Bible as a welcoming gesture. Beneath escalating conflicts between community members lies the heart of the story: how people come together to create a community, develop deep connections, and provide a communal system of support, forgiveness, and understanding. Chicago Public Library (CPL) announced that Bedrock Faith by Chicago author Eric Charles May is the 2021 One Book, One Chicago selection. One Book, One Chicago is a free citywide literary program that connects Chicagoans and their communities around

## Regional Great Lakes to Host Adopt-a-Beach Cleanup

September Adopt-a-Beach is the largest annual day of action for the Great Lakes and this year marks the program's 30th anniversary. Each year, thousands of volunteers cleanup beaches on all five Great Lakes while collecting data on beach litter. Adopt-a-Beach volunteers are on the front-lines of keeping plastic pollution out of the Great Lakes. More than 85 percent of the beach litter collected by

volunteers each year is made up fully or in part of plastic. New and returning volunteers are needed for Adopt-a-Beach cleanups on all five Great Lakes. Volunteers come from all walks of life including individuals, families, schools, businesses, and community groups. The cleanups are held as part of the International Coastal Cleanup, a global event. The event will take place at various locations on

Saturday, Sept. 18<sup>th</sup>. To learn more, visit [www.greatlakesadopt.org](http://www.greatlakesadopt.org). There are two ways to join the fun. Volunteers can visit [www.greatlakesadopt.org](http://www.greatlakesadopt.org) to find a cleanup in their community or to create their own Great Lakes cleanup event. # September is National Preparedness Month in Illinois

This year marks the 20th anniversary of the deadliest terror attack on U.S. soil. The events of that fateful day ignited a culture of preparedness which is now instilled in the fabric of our emergency response mechanism. National Preparedness Month is recognized each September

to promote family and community disaster and emergency planning. Disasters don't wait, and they can strike at anytime and anywhere. The Illinois Emergency Management Agency (IEMA), and local emergency managers, are encouraging Illinoisans to take time to prepare for

potential emergencies at homes, at work, and in the community. Some things to consider include:

- Make a Plan for When a Disaster Strikes: Your family may not be together if a disaster strikes, so it is important to know which types of disasters (tornadoes,

floods, earthquakes, etc.) could affect your area, and know how you will contact one another or reconnect if separated. How will your family adjust its routine should a member of your family require quarantine or isolation due to COVID-19? Plan today for different scenarios that could impact your work, school or family routine.

- Build a Kit: Once a

disaster strikes, you will not have time to shop or search for supplies, so it's important to have supplies pre-assembled. A kit should contain basic survival items necessary during an emergency, such as food, water, weather radio, batteries, medication, supplies for each member of your family. It is also recommended that you include face masks, hand

sanitizer and disinfecting wipes in your emergency supply kit to address the current COVID-19 environment. Because a disaster can strike anywhere, Emergency kits should be kept at home, at work and in your car. For more information about emergency and disaster preparedness, visit [ready.illinois.gov](http://ready.illinois.gov).

# Chicago CBP Seize Counterfeit COVID Vaccination Cards

U.S. Customs and Border Protection (CBP) officers working at the International Mail Facility at Chicago O'Hare recently seized 19 counterfeit COVID-19 vaccination cards arriving from China. The parcel was inspected to determine the admissibility of the items. Upon inspection officers discovered 19 counterfeit COVID-19 vaccination cards. The cards closely resembled the authentic

Center for Disease Control (CDC) certificates provided by healthcare practitioners when administering the COVID vaccine. The cards appeared to be fraudulent due to their low-quality appearance and misspelled words. The parcel was seized on August 31 and was headed to a residential address in Wapakoneta, Ohio. Recently, CBP has been seizing a high volume of counterfeit vaccination

cards throughout the country. The Federal Bureau of Investigations (FBI) has warned the public that the unauthorized use of an official government agency's seal (such as Health and Human Services (HHS) or the Centers for Disease Control and Prevention (CDC) is a crime and may be punishable under Title 18 United States Code, Section 1017, and other applicable laws.

## Four Nonprofits United to Save Lives on South, West Sides

Four neighborhood-based nonprofits announced a new partnership to strengthen public safety via holistic social services and restorative justice, while also providing free attorneys to court-involved children and young adults. The goal is to break the cycle of arrest, incarceration and recidivism by addressing underlying issues that can lead to negative behavior – and ultimately expand this model to all 77 Chicago

neighborhoods. Because the cycle ruins young lives, destroys families and harms communities, the expectation is that every successful client will mean improved public safety and quality of life for all. The initiative – Justice Rising: Project 77 – consists of the following organizations:

- Breakthrough in East Garfield Park
- BUILD in Austin
- Lawndale Christian Legal Center in North Lawndale
- New Life Centers in Little

Village

The partnership will assign free attorneys to clients who have pending cases in the juvenile and adult courts of the Circuit Court of Cook County. Clients will be connected to services for employment, school, trauma counseling, health care, mental health, entrepreneurship, mentoring, housing, spiritual guidance, sports, violence prevention and substance use.
