# City Introduces New Measures

By: Ashmar Mandou

## Urban Farming Operation in Humboldt Park

The expansion of a successful urban farm in the Humboldt Park community would be supported by the allocation of \$75,000 in Open Space Impact Fees under a proposal introduced to City Council today by Mayor Lori E. Lightfoot. Chicago FarmWorks, located at 407 N. Kedzie Ave., is operated by the Heartland Alliance and has served residents of Humboldt Park and East Garfield Park with healthy food options since 2014. The Open Space Impact Fees allocation, which will be granted in partnership with the NeighborSpace land trust, will support an \$82,500 project that will purchase vacant lots located at 411 and 419 N. Kedzie Ave. to further expand the farm, as well as some related site preparation and fencing work.

## South Shore Film Studio

The planned Regal Mile Ventures film studio in South Shore would incorporate approximately 0.5 acres of City-owned property through a land sale agreement proposed to City Council today by Mayor Lori E. Lightfoot. Consisting of six vacant

lots on the southwest corner of 77th Street and Blackstone Avenue, the properties would be sold to Regal Mile Ventures LLC for their appraised value of \$31,000. The lots would eventually be incorporated into the \$75 million movie studio complex, which is planned for approximately seven acres of partially

improved land on the 7700 block of South Chicago Avenue by ID8 Ventures, which produces "The Chi" television series, and Loop Capital Markets.

## South Side Redevelopment Project

A property tax incentive proposed to City Council today by Mayor Lori E. Lightfoot would enable

the redevelopment of a vacant parcel in the New City community area that will generate between 80 and 125 permanent and temporary jobs. The Cook County Class 6(b) incentive is proposed for an 8.2-acre site located at 3900 S. Normal Ave in the Stockyards Industrial Corridor. Developer 3900

S. Normal TMG, LLC proposed to construct a 170,000-square-foot speculative industrial building on the site. The \$26.8 million project will create up to 75 permanent jobs depending on the tenant that is selected. The incentive would reduce taxes on the land by approximately \$5.3 million over the next 12 years.

# Rebuild Foundation Announces New Businesses at Currency Exchange Café

Rebuild Foundation, the arts, education and cultural development organization

founded by artist Theaster Gates, announced its newest Black and

Brown culinary artists in residence: BIPOC-owned cocktail company Pour

Souls and Chef Jazer Syed of Collective Ventures at Retreat at Currency Exchange Café. Retreat, an artist-led activation aimed at providing a platform for creatives in food, music, art and more to develop their work, is an extension of Gates' Black Artists Retreat and Rebuild's work to empower creatives through innovative cultural initiatives.

Retreat's newest residencies are ongoing evidence of Rebuild Foundation's commitment to growing and empowering local businesses and Black and Brown entrepreneurs in the culinary arts. Pour Souls and Collective Ventures will join Black-owned

coffee company, Monday Coffee, as the next food and beverage residencies at the historic cafe. Pour Souls, Collective Ventures and Monday Coffee Company will be in residency at Retreat until December 31, 2021.

Pour Souls, a Black-owned cocktail company founded by Chicago-native and bar industry veteran Tim Williams in 2011, will curate the beverage programs for Retreat on Thursdays and the Stony Island Arts Bank on Sundays. In addition to their role at Retreat, Pour Souls offers cocktail classes and a line of cocktail starters for libation lovers across Chicago.

The café—which serves coffee, tea, cocktails and light bites at 305 E. Garfield Blvd—also offers co-working space with Wi-Fi, small meeting space for creative entrepreneurs and a commercial kitchen for culinary artists, restaurants and licensed food vendors to serve South Side patrons after devastating restaurant closures caused by the COVID-19 pandemic. The café, which is now also open on Mondays, is welcoming guests during the following hours:

● Monday - Friday: 8 a.m. – 3 p.m.

● Thursday's Weekly Happy Hours: 5 p.m. – 8 p.m.

# CPS Opportunity Schools Initiative Expands to Provide Dedicated Teacher Recruitment

Having made significant progress in tackling one of public education’s most persistent challenges, Chicago Public Schools is doubling down on its

commitment to provide students in low-income communities with equitable access to high-quality teaching. CPS announced the addition of 11 neighborhood schools to the *Opportunity Schools Initiative*, which supports schools across the city that have historically had difficulties recruiting and retaining educators – especially in communities on the South and West sides and in high-need subject areas, such as special education and bilingual learning. The Opportunity Schools program was rolled out in the 2016-17 school year to provide principals with hiring and professional development support from the Central Office

– customized for their schools. The case study, *How Chicago Public Schools Recruits, Retains, and Develops High-Quality Teachers for Hard-to-Staff Schools: The Opportunity Schools Initiative*, was developed by Education First, a Seattle-based education strategy and policy organization, in collaboration with the Chicago Public Schools Talent Office. It was supported by a grant from the Joyce Foundation. Among other strategies contributing to the success of Opportunity Schools: •New teachers receive coaching to build their instructional skills and practices, and are assigned to a mentor teacher trained

to help them manage the challenges of teaching. This day-to-day support in their early years can set them up to be effective and successful teachers, and stay with the school that hired them. •Principals receive professional development support on how to improve their human resources strategies and practices, such as guidance on having the “stay conversation” with new teachers about returning the following school year. To view and download the case study, visit [www.teach.cps.edu/opportunity-schools-study](http://www.teach.cps.edu/opportunity-schools-study).

# Sen. Pacione-Zayas and Rep. Ramirez celebrate preserving cultural legacies in Illinois

State Senator Pacione-Zayas (D- Chicago) and House Assistant Majority

Leader Delia Ramirez (D- Chicago) along with other community leaders

celebrated a new law that allows the Department of Commerce and Economic

Opportunity to designate cultural districts throughout the state. “I am proud to have worked on this new law, and I am excited to see how communities come together to preserve their identities,” Pacione-Zayas said. “The law affirms and uplifts all the unique cultures in our state as we work toward economic recovery from the pandemic.”

An initiative of the Puerto Rican Agenda, the new law allows DCEO to establish the necessary criteria and guidelines for designating cultural districts. Five such districts can be designated per year, up to a total of

15. Last week’s event at the National Museum for Puerto Rican Arts and Culture was held to celebrate the new law. “As we move into economic recovery from the pandemic, it is imperative that we recognize and invest in the rich cultural heritage of Illinois’ diverse communities,” said House Assistant Majority Leader Delia Ramirez, who sponsored the measure in the House. Communities looking for state recognition under this law must meet certain criteria including:

- A demonstrated risk of losing cultural identity due to gentrification, displacement, or the impact of COVID-19;

- A history of economic disinvestment;

- Strong support from community organizations and local and regional government officials.

The new law goes into effect on Jan. 1, 2022.

# La Sen. Pacione-Zayas y la Rep. Ramírez Celebran la Preservación de los Legados Culturales en Illinois

La Senadora Estatal Pacione-Zayas (D-Chicago) y la Asistente de la Cámara Líder de las Mayorías, Delia Ramírez (D-Chicago) junto con otros líderes comunitarios, celebraron una nueva ley que permite al Departamento de Comercio y Oportunidades Económicas designar distritos culturales a través del estado. "Me siento orgulloso de haber trabajado en esta nueva ley y entusiasmado de ver como las comunidades se unen para preservar sus identidades", dijo Pacione-

Zayas. La ley afirma y eleva las culturas únicas en nuestro estado mientras trabajamos hacia la recuperación económica de la pandemia".

Una iniciativa de la Agenda Puertorriqueña, la nueva ley permite a DCEO establecer el criterio y las guías necesarias para designar distritos culturales. Cinco de tales distritos pueden ser designados por año, hasta un total de 15. El evento de la semana pasada en el Museo Nacional de Artes y Cultura Puertorriqueño

se llevó a cabo para celebrar esta nueva ley. "Al movernos hacia una recuperación económica de la pandemia, es imperativo que reconozcamos e invirtamos en la rica herencia cultural de las diversas comunidades de Illinois", dijo la Asistente de la Cámara Líder de las Mayorías, quien patrocinó la medida en la Cámara. Las comunidades que buscan el reconocimiento del estado bajo esta ley deben reunir ciertos requisitos, incluyendo:

•Un riesgo demostrado de

haber perdido la identidad cultural debido a la gentrificación, el desplazamiento o el impacto de COVID-19;

•Un historial de desinversión económica;

•Un fuerte apoyo de organizaciones comunitarias y funcionarios del gobierno, local y regional.

La nueva ley entra en efecto el 1º de enero del 2022. Pie de Foto: La Sen. Cris-

tina Pacione-Zayas asiste a la celebración de la nueva ley del distrito cultural, con la líder Delia Ramírez, el Gob. JB Pritzker y otros líderes comunitarios.

## Gov. Pritzker Announces Statewide Campaign to Increase COVID-19 Booster Rates Among Older Illinoisans

With 1.5 million Illinoisans currently eligible to receive a COVID-19 vaccination booster shot and millions more set to become eligible in the coming weeks, Governor JB Pritzker and Illinois Department of Public Health (IDPH) Director Dr. Ngozi Ezike announced a statewide effort to increase uptake rates. IDPH is partnering with the Illinois Emergency Management Agency (IEMA), and Illinois Department on Aging (IDoA) to increase education around boosters

and provide support to skilled nursing facilities as they work to administer boosters to residents. Currently, Illinois residents 65 or older, anyone 18+ with underlying medical conditions (listed here) or who work or live in high-risk settings, such as educators and first responders, are eligible to receive a booster shot of the Pfizer vaccine. The CDC is set to review booster recommendations for the Moderna and Johnson and Johnson vaccines on Oct. 20 and 21, with final

CDC authorization coming at the end of the week. The Centers for Disease Control and Prevention (CDC) recommended a booster shot for the Pfizer COVID-19 vaccine on September 23<sup>rd</sup>. Eligible residents who previously received two doses of the Pfizer vaccine can receive a booster shot at a pharmacy, their primary care provider, local health department, and other locations offering Pfizer vaccinations. To find a vaccination location near you, visit [vaccines.gov](https://www.vaccines.gov).

# Chicago Police vs. Lightfoot

**By: Ashmar Mandou**

The tension continues on between the Lightfoot administration and the Illinois Fraternal Order of Police (FOP) as the two remain at odds over the COVID-19 vaccination mandates and the city's

vaccination portal, as the deadline has now passed. On Monday, Chicago Police Supt. David Brown says that 21 officers have been placed on no-pay status as a result of failure to put their information into the city's vaccination portal, a decision he

states is necessary to help ensure the safety of both officers and of the public amid the COVID pandemic. According to Brown, approximately 67.69 percent of the department's workforce, both sworn officers and civilians, have entered their

data into the vaccination portal as of Tuesday. Of those employees, 82 percent say that they are fully vaccinated against COVID, while the other 18 percent will now be subjected to twice-weekly COVID testing through the end of the year. According

to Brown, 21 officers have been placed on no-pay status as a result of their refusal of a direct order from the department's Internal Affairs division to put their information in the vaccine portal. The Chicago Police Department had the lowest response rate of any department in the city, but of the about 64 percent who did report, the majority of officers say they are vaccinated, according to data released by the city. Specifically, 6,894 indicated being vaccinated while 1,333 reported they have not. Those who said they are not vaccinated are required to opt into twice weekly testing for Covid-19 until the end of the year to remain in compliance with the city policy.

"We cannot force any law enforcement office to volunteer for 'Lightfoot duty,' just as no one should be able to force any officer to be injected with chemicals against their will. But for those who choose to volunteer to help or replace

their Chicago brothers and sisters, remember that you are going into an unfamiliar, historically dangerous territory under brand new rules in the State of Illinois regarding use of force. These rules, which can, and likely will be, enforced by the Cook County State's Attorney, can put your career and freedom in jeopardy. Many ILEAS agencies are opposed to vaccine mandates and many of the officers in the agencies from which Mayor Lightfoot is requesting help are unvaccinated. So Mayor Lightfoot is willing to replace any CPD officer who is refusing the vaccine mandate with unvaccinated officers from other agencies. The Chicago Police Department is staffed by extremely dedicated and professional law enforcement officers that deserve the state's, and the city's, respect and gratitude. Let the police be the police, not pawns in a game of face-saving political one-upmanship," said Chris Southwood President of the Illinois Fraternal Order of Police.

## La Policía de Chicago vs. Lightfoot

**Por: Ashmar Mandou**

La tensión continúa entre la administración Lightfoot y la Orden Fraternal de Policía de Illinois (FOP) ya que los dos siguen en desacuerdo sobre los mandatos de vacunación del COVID-19 y el portal de vacunación de la ciudad, ya que la fecha límite pasó ya.

El lunes, el Supt. de la Policía de Chicago, David Brown, dijo que 21 oficiales han sido colocados en el estado de no-paga como resultado de no poner su información en el portal de vacunación de la ciudad, una decisión que él afirma

es necesaria para ayudar a garantizar la seguridad, tanto de los oficiales como del público, en medio de la pandemia del COVID. De acuerdo a Brown, aproximadamente 67.69 por ciento de la fuerza laboral del departamento tanto oficiales juramentados como civiles, han puesto su sdatos en el portal de vacunación hasta el jueves. De esos empleados, 82 por ciento dicen que están totalmente vacunados contra el COVID, mientras que el otro 18 por ciento ahora se someterá a pruebas de COVID dos veces por semana hasta fin de año. De acuerdo a Brown, 21 oficiales han sido coloca-

dos en el estado de no-paga como resultado de haberse negado a una orden directa de la división de Asuntos Internos del departamento, de poner su información en el portal de vacunación.

El Departamento de Policía de Chicago tuvo la tasa de respuesta más baja de todos los departamentos de la ciudad, pero de alrededor del 64 por ciento que regresó, la mayoría de los oficiales dicen que están vacunados, según datos publicados por la ciudad.

"No podemos obligar a ninguna oficina del orden público a que se ofrezca como voluntario

para "tareas ligeras", así como nadie debería poder obligar a ningún oficial a que se le inyecten sustancias químicas en contra de su voluntad. Pero para quienes se ofrezcan como voluntarios para ayudar o reemplazar a sus hermanos y hermanas de Chicago, recuerden que entran en un territorio no familiar, e históricamente peligroso bajo nuevas reglas del Estado de Illinois sobre el uso de fuerza. Estas reglas, que pueden y posiblemente sean, ejecutadas por el Fiscal del Estado del Condado de Cook, pueden poner su carrera y su libertad, en peligro. Muchas agencias

ILEAS se oponen a la obligación de la vacuna y muchos de los oficiales en las agencias a las que la Alcaldesa Lightfoot pide ayuda están sin vacunar. De modo que la Alcaldesa Lightfoot está dispuesta a reemplazar a cualquier oficial de CPD que se niegue al mandato de vacunas por oficiales no vacunados de otras agencias. El Departamento de Policía de Chicago cuenta con personal

extremadamente dedicado y funcionarios de las fuerzas del orden profesionales que merecen el respeto y la gratitud del estado y de la ciudad. Dejemos que la policía sea la policía, no peones en un juego de superación política para salvar las apariencias ", dijo Chris Southwood, presidente de la Orden Fraternal de Policía de Illinois.
