Back to School Tips

By: Ashmar Mandou

With the new school year around the corner, your child may be feeling excited and a tiny bit nervous. Ease the transition from summer vacation mode to school mode with the help of these simple tips to implement into your new routine.

Write Out Your Goals for the School Year

Sit down with your children and ask them what they want to do over the next year. It may be they want to make new friends, play a sport, be in the school play, learn to ride a bike, skateboard or dance. Help them write out these goals on a board that they can post in their room or in the kitchen, and help them think of ways to achieve these goals during the year.

Make a School Activities Schedule

Review the calendar for the school year and highlight the days that are important for the student. Identify the days that are deadlines for the goal they identified above, such as Sport registration and sign-up days, test days & school events. For dates that need preparation, work with your child to establish smaller milestones to lead up to the big day.

Prepare Their Clothes and School Supplies

The week before school starts, help your child pack

their book bag and pick out the clothes they will wear for their first week of school. Knowing they are prepared, and having an idea on what they will wear can help reduce anxieties about starting school and fitting in. These are also great activities for helping to get the student up earlier in the morning, and it starts a routine for the student to packing the school bag and picking out their clothes on their own in the morning that you will surely appreciate throughout the school year.

Practice Stress Relief

Share stress reduction techniques your child can use in school before tests and other anxiety-producing events. One of the simplest techniques is to take a deep breath, hold it for a count of five, exhale, and then repeat

the process two or three more times. Another easy strategy is to make your limbs stiff like a robot for a count of five, then release and relax them like a rag doll. Finally, you might suggest that your child visualize the most positive relaxing scene she can as a way of easing the school jitter

Eat a Healthy Breakfast

It sounds silly, but eating habits during the summer

are much different than during the school year. Additionally, a young person's body needs steady and healthy fuel to stay awake and aware during the class day. They will not be able to rummage through the cupboard at school if they get hungry during class. Make sure they have a good, healthy breakfast – and make it special so their day starts right.

Consejos para el Regreso a Clases

Por: Ashmar Mandou

Con el nuevo año escolar a la vuelta de la esquina, su niño debe estar entusiasmado y un poco nervioso. Haga fácil su transición del verano a la escuela con la ayuda de estos simples consejos e impleméntelos en su nueva rutina.

Escriba sus Metas para el Año Escolar

Siéntase con sus niños y pregúnteles que quieren hacer en el próximo año. Pueden querer hacer nuevos amigos, jugar un deporte, estar en una obra de la escuela, aprender a montar bicicleta, andar en patineta o bailar. Ayúdelos a escribir estas metas en un pizarrón que puedan poner en su cuarto o en la cocina y ayúdelos a pensar la forma de lograr esas metas durante el año.

escolar y subraye los días que son importantes para el estudiante. Identifique los días que tienen plazo para la meta que hayan identificado arriba, como inscripción para deportes, días de exámenes y eventos escolares. Para fechas que necesitan preparación trabaje con su hijo para establecer hitos más pequeños que lo conduzcan al gran día.

Prepare Sus Ropas y Artículos Escolares

La semana antes de que comience la escuela, ayude a su niño a empacar su mochila y escoja las ropas que va usar su primera semana de escuela. Saber que está preparada y tener idea de lo que van a usar le ayudará a reducir la ansiedad de empezar la escuela. Estas son también muy buenas actividades para ayudar a hacer que el estudiante se levante más temprano en la mañana y comience

Stress Relief Stretches

su niño pueda usar en la escuela antes de las pruebas u otros eventos tensos. Una de las técnicas más sencillas es hacer una respiración profunda, mantenerla hasta contar cinco, exhalar y luego repetir el proceso dos o tres veces más. Otra estrategia fácil es poner las extremidades rígidas como un robot mientras cuenta hasta cinco, luego soltarlas y relajarlas como una muñeca de trapo. Finalmente puede sugerir que su niño visualice la escena relajante más positiva que pueda para

aliviar el nerviosismo de la escuela.

Tome un Desayuno Saludable

Suena tonto, pero los hábitos alimenticios durante el verano son muy diferentes durante el año escolar. Adicionalmente, el cuerpo de una persona joven necesita un combustible saludable y constante para que permanezca despierto y alerta durante el día de clases. Asegúrese de tener un buen desayuno saludable – y hágalo especial para que su día comience de maravilla.

who shattered glass ceilings throughout her career. To her last day, Salazar advocated for equity and representation of Latino artists in mainstream media and Chicago's live theater stages.

A native of Puerto Rico and raised in Chicago, Salazar began her career as an Economic Development Specialist at the West Town Economic Development Corporation. In that capacity, she generated over \$10 million in procurement housing and business development from both the private and public sectors. In 2016, Salazar co-founded and became Executive Director of the Chicago Latino Alliance (CLATA), a non-profit organization launched to

help drive the city's local Latino theater community to a more prominent level. CLATA's signature program is *Destinos, the Chicago International Latino Theater Festival*. Now in its fifth year, *Destinos* is an annual, citywide festival showcasing Chicago's Latino theater artists and companies alongside top Latino artists from the U.S. and Latin America. The 5th *Destinos* runs September 14-October 16, 2022 at venues throughout the city. Salazar has been a recipient

of numerous awards and recognitions from many organizations. Most recently, in June 2022, she was named a Sor Juana Award recipient by the National Museum of Mexican Art for her outstanding impact in the arts and culture industry of Chicago. Salazar held a Bachelor's Degree from the Regent External Program from New York State University and an Associate Degree from Columbia College Chicago in Broadcast Communications and Arts Management.

Fallece la Icono de Chicago Myrna Salazar

Es con gran pena que Chicago Latino Theater Alliance (CLATA) anuncia que Myrna Salazar, su querida cofundadora y Directora Ejecutiva, falleció el jueves, 3 de agosto del 2022, dos semanas después de celebrar su cumpleaños No. 75. Salazar siempre será una leyenda de Chicago, dejando un legado como pionera latina que rompió techos de cristal a lo largo de su carrera. Hasta su último día, Salazar abogó por la equidad y la representación de artistas latinos en los principales medios de comunicación y en los escenarios de teatro en vivo de Chicago.

Nativa de Puerto Rico y criada en Chicago, Salazar comenzó su carrera como Especialista de Desarrollo Económico en West Town Economic Development Corporation. En esa capacidad, generó más de \$10 millones en

adquisición de vivienda y desarrollo comercial de los sectores público y privado. En el 2016, Salazar cofundó y se convirtió en Directora Ejecutiva de Chicago Latino Alliance (CLATA), organización no lucrativa lanzada para ayudar a manejar la comunidad de teatro latino local de la ciudad a un nivel más prominente. El programa principal de CLATA es *Destinos, The Chicago International Latino Theater Festival*

[*Destinos, Festival de Teatro Latino Internacional de Chicago*]. Ahora en su quinto año, *Destinos* es un festival anual en toda la ciudad que presenta a artistas y compañías de teatro latinos de Chicago junto con los mejores artistas latinos de los EE. UU. y América Latina. El 5to *Destinos* se llevará a cabo del 14 de septiembre al 16 de octubre de 2022 en lugares de toda la ciudad.

Salazar ha sido recipiente de numerosos premios y reconocimientos de muchas organizaciones. La más reciente en junio del 2022, en que fue nombrada recipiente del Premio Sor Juana por el Museo Nacional de Arte Mexicano por su destacado impacto en las artes y en la industria de la cultura de Chicago. Salazar obtuvo un Diploma de Bachiller del Programa *Regent External* de la Universidad del Estado de Nueva York y un Diploma de Asociado de Columbia College Chicago en Broadcast Communications and Arts Management.

Cicero in Line for Federal Grants to Replace Old Water Mains

Town President Larry Dominick and the Town of Cicero Board of Trustees received a report Tuesday, August 9, 2022, from Paul Rosenfeld, who is working to bring Federal Grant money to the community regarding the effort to replace old water mains. Rosenfeld reported to the board that \$2 million is included in the U.S. House water & energy appropriation bill. It has now survived in the U.S. Senate version. Once it is signed into law Cicero can expect to receive the money later this year. The funds will be used to replace older water main pipes with newer more modern water pipes that are Iron and copper. Rosenfeld said the Federal Government passed a \$1.2 trillion dollar infrastructure bill earlier this year that included \$48 billion dollars to be spent in the next five years for water infrastructure upgrades and improvements to municipalities around the country and that Cicero should be a recipient of additional financial support. Upgrading the town's water distribution system was a top priority in securing funding, Rosenfeld said. "The costs of replacing the old water mains is overwhelming but it is

important to replace them. We are doing that each year until all of them are replaced," Town President Larry Dominick said. "Every community faces

the same challenge when it comes to water mains, and we want to ensure that our citizens receive their share of Federal funding to help make this transition to new

water mains throughout the community." Rosenfeld credited Congress Jesus "Chuy" Garcia with pushing for the Federal Grants funds for Cicero.

Cicero en Línea Para Subsidios Federales Para Reemplazar Viejas Tuberías de Agua

El Presidente Municipal Larry Dominick y la Junta Directiva del Municipio de Cicero recibieron un reporte el martes, 9 de agosto del 2022, de Paul Rosenfeld, quien lucha por llevar dinero de subsidios federales a la comunidad, sobre el esfuerzo de reemplazar las viejas tuberías de agua. Rosenfeld reportó a la junta que \$2 millones están incluidos en el Proyecto de Ley de Asignación de Agua

y Energía de la Cámara de los EE. UU. Ahora ha sobrevivido en la versión del Senado de E.U. Una vez que el proyecto sea convertido en ley, Cicero puede esperar recibir el dinero más tarde este año. Los fondos serán utilizados para reemplazar las tuberías de agua viejas con tuberías más modernas de hierro y cobre. Rosenfeld dijo que el Gobierno Federal aprobó un proyecto de infraestructura de \$1.2 trillones de dólares

a principios de este año, que incluye \$48 mil millones de dólares que serán gastados en los próximos cinco años para actualizaciones en la infraestructura de agua y mejoras a las municipalidades del país y que Cicero debería ser recipiente de un apoyo financiero adicional. Actualizar el sistema de distribución de agua del municipio era una gran prioridad para asegurar los fondos, dijo Rosenfeld. "Los costos de reemplazar las viejas tuberías de agua son abrumadores pero es importante reemplazarlos. Estamos haciendo eso cada año hasta que todas queden reemplazadas", dijo el Presidente del Municipio, Larry Dominick. "Toda comunidad enfrenta el mismo reto cuando se trata de tuberías de agua y queremos asegurarnos de que nuestros ciudadanos reciben su parte de fondos federales para ayudar a hacer esta transición a las nuevas tuberías de agua en la comunidad". Rosenfeld le dio crédito al Congresista Jesús "Chuy" García por impulsar los fondos de Subvenciones Federales para Cicero.

The lakefront will be open to the public beginning at 6 a.m. both Saturday and Sunday. •Refreshment options will be plentiful, with food vendors located up and down the lakefront, along with plenty of restroom facilities, including in the North Avenue Beach House and portable facilities scattered throughout the primary viewing area.

•Spectators are encouraged to bring a hat, binoculars, chairs, plenty of sunscreen and earplugs, especially for children and those who are have hearing sensitivities, due to heightened noise levels from the low-flying, supersonic stunt aircraft. •Herb Hunter, the long-time official announcer of the Chicago Air and Water Show, returns to the booth this year and his commentary can be heard from Oak Street Beach to Fullerton Beach. In addition, WBBM Newsradio 780 / 105.9 will broadcast the show live Saturday and Sunday, on both the radio and the free Audacy app.

•The following items are prohibited on show grounds at North Avenue Beach: BBQ grills (open flames), drones (personal or commercial), alcohol, fireworks or explosives, illegal substances or weapons, pop-up tents or canopies, helium balloons, kites, flag poles and all pets, excluding service animals.
