City Unveils Upcoming Infrastructure Plan

By: Ashmar Mandou

The City of Chicago unveiled their latest multi-year, multi-billion dollar *Chicago Works Infrastructure Plan*, designed to improve the public infrastructure of all 77 communities. The announcement, made on Tuesday, is part of the Chicago Works Five Year Plan, which focuses on equity and the distribution of resources in underserved communities. "Ultimately, the goal of this multi-year initiative is to thoughtfully invest in our City's collective wealth—our streets, sidewalks, bridges, and waterfronts, etc.—to uplift the quality of life for all Chicago residents," said Mayor Lightfoot. "We're heading into year three of our first five-year plan and, already, residents are experiencing the benefits of this work with enhanced street safety, cleaner waterways, and improved public facilities throughout our city." Over the course of the next two years, the *Chicago Works Infrastructure Plan* will address "underinvestment in Chicago's infrastructure by prioritizing projects that improve the ways we move across the City, strengthen our economic position, and increase our environmental resiliency." The *Chicago Works* plan includes investments in all types of public infrastructure assets. Highlights of the 2023-2024 Plan include:

- **Aldermanic Menu Program:** \$216 million over two years—includes \$1.5 million per Ward per year plus supplemental CDOT funding.
- **Bridges and Viaducts:** \$114.2 million—20 bridge replacement projects, \$47.0 million for strategic bridge repairs, \$8.3 million to rehabilitate 7 underpasses annually; and \$12.0 million

to completely reconstruct two viaducts.

- **Streets and Alleys:** \$251.7 million—residential and arterial street resurfacing based on the Pavement Condition Index and ADA Ramp needs. Also funds the reconstruction of WPA streets, 100 new Green Alleys.

- **Traffic Signals:** \$81.1 million—modernize City's historically underfunded traffic signal system with 60 full intersection replacements, critical intersection signal modifications, traffic signal interconnectedness, and battery back-ups.

- **Sidewalks and Pedestrian Right-of-Way:** \$64.1 million—sidewalk repair (hazardous, vaulted, shared sidewalk programs, ADA ramps, curb and gutter, and alley aprons) to increase accessibility and public safety.

- **Facilities:** \$197.7 million—core facility renovations and facility upgrades to public facilities such as Department of Family and Supportive Service centers, Chicago Department of Public

Health locations, Chicago Public libraries, and dozens of non-public facing facilities. This budget also includes environmental remediation of City-owned land and demolition of hazardous buildings.

- **Equipment:** \$153.5 million—addressing City's aging fleet including purchasing over 280 light and medium duty electric vehicles, \$107.8 million to fund the City's IT Modernization efforts, \$14.0 million for public safety cameras, and \$2.2 million for bunker gear.

"Thanks to Chicago Works, CDOT has been able to make increased investments in Chicago's roads and sidewalks, bridges and viaducts,

street lighting, and safety improvements for people walking and biking over the last two years. These infrastructure investments make Chicago a stronger, safer city and improve quality of life for residents," said Chicago Department of Transportation (CDOT) Commissioner Gia Biagi. "The next phase of the capital plan will help us continue to move quickly and plan for long-term projects that spur economic growth and job creation in every Chicago community." de este trabajo con mayor seguridad en las calles, vías fluviales más limpias y mejores instalaciones públicas en toda nuestra ciudad". En el transcurso de los próximos dos años, el Plan de Infraestructura de Obras de Chicago abordará "la inversión insuficiente en la infraestructura de Chicago al priorizar proyectos que mejoren la forma en que nos movemos por la ciudad, fortalezcan nuestra posición económica y aumenten nuestra resiliencia ambiental". El plan Chicago Works incluye inversiones en todo tipo de activos de infraestructura pública. Los puntos destacados del Plan 2023-2024 incluyen:

- **Programa de Menú Concejal:** \$216 millones durante dos años, incluye \$1,5 millones por distrito por año más fondos complementarios del CDOT.

- **Puentes y viaductos:** \$114,2 millones: 20 proyectos de reemplazo de puentes, \$47,0 millones para reparaciones estratégicas de puentes, \$8,3 millones para rehabilitar 7 pasos subterráneos al año; y \$12.0 millones para reconstruir completamente dos viaductos.

- **Calles y callejones:** \$251,7 millones: repavimentación de calles arteriales y residenciales según el índice de estado del pavimento y las necesidades de rampas de la ADA. También financia la reconstrucción

de calles WPA, 100 nuevos Green Alleys.

- **Semáforos:** \$81,1 millones: modernizar el sistema de semáforos de la ciudad que históricamente ha tenido fondos insuficientes con 60 reemplazos completos de intersecciones, modificaciones críticas de semáforos en intersecciones, interconexión de semáforos y respaldo de baterías.

- **Aceras y derechos de paso para peatones:** \$64,1 millones—reparación de aceras (peligrosos, abovedados, programas de aceras compartidas, rampas ADA, bordillos y cunetas, y delantales de callejones) para aumentar la accesibilidad y la seguridad pública.

- **Instalaciones:** \$197.7 millones: renovaciones de instalaciones principales y mejoras de instalaciones a instalaciones públicas, como los centros del Departamento de Familia y Servicios de Apoyo, las ubicaciones del Departamento de Salud Pública de Chicago, las bibliotecas públicas de Chicago y docenas de instalaciones no públicas. Este presupuesto también incluye la remediación ambiental de terrenos propiedad de la Ciudad y la demolición de edificios peligrosos.

- **Equipo:** \$153,5 millones: para abordar el envejecimiento de la flota de la Ciudad, incluida la compra de

más de 280 vehículos eléctricos de servicio liviano y mediano, \$107,8 millones para financiar los esfuerzos de modernización de TI de la Ciudad, \$14,0 millones para cámaras de seguridad públicas y \$2,2 millones para equipo de búnker.

"Gracias a Chicago Works, el CDOT ha podido realizar mayores inversiones en las carreteras y aceras, puentes y viaductos, alumbrado público y mejoras de seguridad para las personas que caminan y andan en bicicleta en Chicago durante los últimos dos años. Estas inversiones en infraestructura hacen de Chicago una ciudad más fuerte y segura y mejoran la calidad de vida de los residentes", dijo Gia Biagi, comisionada del Departamento de Transporte de Chicago (CDOT). "La próxima fase del plan de capital nos ayudará a continuar avanzando rápidamente y planificar proyectos a largo plazo que estimulen el crecimiento económico y la creación de empleo en todas las comunidades de Chicago". Community Career Day Helps Students Learn More About One of the Fastest-Growing Industries

ComEd on Tuesday joined industry and education partners from the region to host “Powering Your Career Path,” a community career event at the United Center to inspire and recruit more young people to consider career pathways in STEM fields at ComEd. The event attracted 2,000 local students and included over 70 career booths, leadership panel discussions, networking opportunities and informational sessions designed to help the next generation prepare for employment in roles that will support the clean energy transition. At the career day, students visited on-site demonstrations, gathered information on scholarships at the college center, and attended informational and networking sessions with ComEd leaders, who described growing positions within the company, such

as construction and trades, engineering, IT, HR, finance, and administration. More than 50 local schools participated, including more than 20 Chicago Public Schools (CPS). ComEd has committed to expanding its workforce in the years ahead, with plans to onboard at least

500 entry-level craft roles in the next two years. This expansion will support ComEd as it prepares for the clean energy transition in Illinois, which requires new skilled talent to support integration of new technologies that will reduce carbon emissions and prepare

grid infrastructure to be resilient in the face of more extreme weather from climate change and increased demand as a result of the adoption of more electric vehicles (EVs). For more on these career readiness programs, please visit www.comed.com/cleanenergyjobs

quit my job." This lucky player is now the 10th Illinois Lotto player to win a prize of a million dollars or more since January 2022 - and this is the second largest Lotto jackpot win since April 2022. Retailers who sell winning tickets also have good reasons to celebrate as these wins

bring their business a cash selling bonus of one percent of the prize amount. For Rich's Fresh Market, that means a bonus of \$48,500 or selling the winning ticket. Winners have one year from the date of the winning draw in which to claim their prize.

Premio Mayor de Lotería de \$4.85 Millones Ganado en River Grove

Los empleados de una tienda de comestibles en River Grove están emocionados después de vender un boleto ganador de \$4.85 millones de Lotto® durante el fin de semana. El boleto ganador se vendió en Rich's Fresh Market, ubicado en 3141 N. Thatcher Ave. en River Grove, y acertó los seis números de Lotto en el sorteo del sábado por la noche, 8-12-14-22-27-36, para ganar el premio mayor. "Sabemos quién compró el boleto ganador: es uno de nuestros clientes habituales", exclamó Lucas Bujak, gerente general de Rich's Fresh Market. "El señor entró en la tienda el domingo por la mañana y comenzó a insertar sus boletos en la máquina de la Lotería. Uno de mis empleados le preguntó en broma si había ganado, pero antes de que pudiera responder, el cliente

casi se desmaya", dijo Bujak. Y luego, según su empleado, unos minutos más tarde, el cliente comenzó a gritar: "No puedo creerlo, en realidad gané el premio mayor de la lotería. Supongo que ahora puedo dejar mi trabajo". Este afortunado jugador es ahora el décimo jugador de Illinois Lotto en ganar un premio de un millón de dólares o más desde enero de 2022, y este es el segundo premio mayor más grande de Lotto desde abril de 2022. Los minoristas que venden boletos ganadores también tienen buenas ra-

zones para celebrar, ya que estos las ganancias traen a su negocio un bono de venta en efectivo del uno por ciento del monto del premio. Para Rich's Fresh Market, eso significa un bono de \$48,500 o vender el boleto ganador. Los ganadores tienen un año a partir de la fecha del sorteo ganador para reclamar su premio. IDPH Stresses Need to Close Cancer Screening Gap Ahead of National Mammography Day

With National Mammography Day approaching on October 21, the Illinois Department of Public Health (IDPH) is urging women in Illinois who have delayed breast cancer screenings to take action and schedule a comprehensive exam now. The National Cancer Institute has said that an estimated 9.4 million screening tests that normally would have taken place in 2020 did not happen because of the pandemic. Public health officials note that health disparities that have previously been detected – that show more Black women die of breast cancer than any other racial or ethnic group –

could be exacerbated by the screening gap. IDPH reminds the public that the department's Illinois Breast and Cervical Cancer Program (IBCCP) offers free breast exams and

mammograms to uninsured and underinsured women. The program also supports diagnostic services and assists with referrals for treatment options. To enroll in IBCCP, women

can call the Women's Health Line 888-522-1282 (800-547-0466 TTY). The Women's Health Line will be able to walk women through the eligibility requirements and the

screening process. Women can also contact their local IBCCP agency and schedule an appointment.

El IDPH enfatiza la necesidad de cerrar la brecha en la detección del cáncer antes del Día Nacional de la Mamografía

Con el Día Nacional de la Mamografía acercándose el 21 de octubre, el Departamento de Salud Pública de Illinois (IDPH, por sus siglas en inglés) insta a las mujeres de Illinois que han retrasado las pruebas de detección de cáncer de mama a tomar medidas y programar un examen completo ahora. El Instituto Nacional del Cáncer ha dicho que aproximadamente 9,4 millones de pruebas de detección que normalmente se habrían realizado en 2020 no se realizaron debido a la pandemia. Los funcionarios de salud pública señalan que las disparidades de salud que se han detectado anteriormente, que muestran que más mujeres negras mueren de cáncer de mama que cualquier otro grupo racial o étnico,
