"Chicago is facing a humanitarian crisis as individuals and families continue to be sent here and other Democratic-led cities across the country without regard for their well-being," said Mayor Brandon Johnson. "My administration will do everything in our power to support these new

arrivals as they work to rebuild their lives in the U.S while still upholding our commitments to the residents of Chicago. This appropriation is critical to support our efforts to provide housing and services in the immediate future, and I will continue to advocate for additional state and federal funding for as long as needed." The funding was approved by a 34-13 vote.

In 2022, the City expended a total of \$17.5M to support the New Arrivals mission, which began on August 31, 2022. This included \$5.5M received from the FEMA Emergency Food and Shelter (EFSP) grant, demonstrating the City's commitment to providing immediate assistance and vital resources to migrants in need.

The City estimates projected costs of \$102M to address the ongoing migrant crisis from January through June 2023. To secure the necessary financial resources, the City has been awarded \$30M from the State of Illinois, highlighting its recognition of the urgency and significance of the situation. Additionally, \$4.3M has been granted to the City through the FEMA Emergency Food and

Shelter Program (EFSP-H). Over 8,000 migrants, most of them from Central and South America, have arrived in Chicago since last August. The City of Chicago received just \$5.5 million from

the Federal Emergency Management Agency to care for immigrants. Chicago opened temporary shelters at police stations across the city over the weekend to accommodate busloads of nearly 600

migrants. As of today, 300 migrants were recently moved to Wilbur Wright College in Chicago's Dunning neighborhood as a temporary shelter from now until the start of the school year.

La Rep. Hernández Defiende la Educación y la Responsabilidad Fiscal en la Sesión Legislativa de Primavera

En base a años de progreso fiscal histórico, la Rep. Estatal Elizabeth "Lisa" Hernández, D-Cicero, ayudó a aprobar el quinto presupuesto balanceado de Illinois, haciendo críticas inversiones en educación, cuidado de salud y otros servicios esenciales.

"Durante mi tiempo en el servicio público, mi principal prioridad siempre ha sido apoyar a los niños y a las familias, y ahora más que nunca. Después de meses de negociaciones, formulamos un presupuesto que mantiene a Illinois sobre una base fiscal firme mientras apoya

los servicios esenciales que necesitan nuestras familias y comunidades", dijo la Rep. Hernández. "En Illinois no tenemos que escoger entre responsabilidad fiscal y un gobierno compasivo. Este presupuesto es un documento moral que prueba podemos hacer ambas cosas". El presupuesto del año fiscal 2024, patrocina la educación para todas las edades, incluyendo una inversión de \$350 millones en el modelo de financiamiento basado en evidencia para las escuelas K-12, inversiones significativas en el programa Smart Start Illinois para la educación superior de la primera infancia, las subvenciones MAP están disponibles para estudiantes en edad universitaria no tradicional y DREAMers. Sin costo adicional para los contribuyentes, el Proyecto 3233 de la Cámara de la Rep. Hernández permite a los clientes de transmisores monetarios que envían dinero al extranjero, donar voluntariamente para apoyar el fondo Illinois DREAM.

El Concejo Municipal de Chicago Aprueba Financiamiento de \$51 Millones para Migrantes

Por Ashmar Mandou

El Concejo de la Ciudad de Chicago aprobó el miércoles un presupuesto de \$51 millones que atenderá la crisis migrante que afecta a Chicago, como parte de la misión Nuevos Llegados. El fondo, aprobado por el Comité sobre el Presupuesto y Operaciones Gubernamentales la semana pasada, fue aprobado oficialmente en el Concejo de la Ciudad y ahora asignará fondos para algunos problemas clave, como vivienda, comida, salud y bienestar, entre otros.

“Chicago enfrenta una crisis humanitaria ya que personas y familias continúan siendo enviadas aquí y a otras ciudades conducidas por demócratas

del país, sin importar su bienestar”, dijo el Alcalde Brandon Johnson. “Mi administración hará todo lo posible para apoyar a estos recién llegados que luchan por reconstruir su vida en E.U. mientras mantenemos nuestros compromisos con los residentes de Chicago. Esta asignación es indispensable para apoyar nuestros esfuerzos de proveer casa y servicios en un futuro inmediato y continuaré abogando por fondos adicionales estatales y federales, mientras se necesiten”. Los fondos fueron aprobados en un voto de 34-13.

En el 2022, la Ciudad gastó un total de \$17.5 millones para apoyar la misión de los Nuevos Llegados, que comenzó el 31 de agosto del 2022. Esto incluyó

\$5.5 millones recibidos del subsidio FEMA Emergency Food and Shelter (EFSP) demostrando el compromiso de la ciudad de proveer asistencia inmediata y recursos vitales a los migrantes que lo necesitaran.

La ciudad estima que los costos proyectados de \$102 millones atiendan la continua crisis migrante de enero hasta junio del 2023. Para garantizar los recursos financieros necesarios, la ciudad ha otorgado \$30 millones del Estado de Illinois, destacando su reconocimiento de la urgencia y la importancia de esta situación. Adicionalmente se concedió un subsidio de \$4.3 millones a la ciudad a través de FEMA Emergency Food and

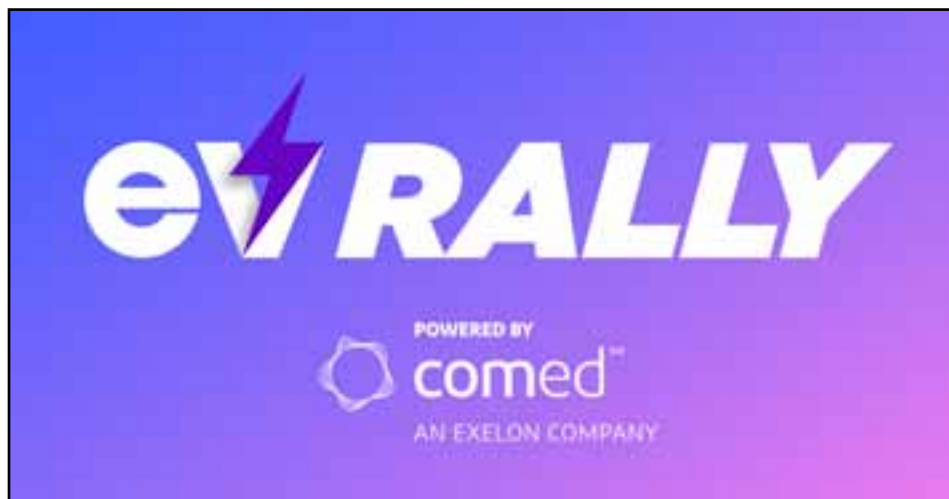

Shelter Program (EFSP-H) Más de 8,000 migrantes, la mayoría de ellos de Centro y Sud América llegaron a Chicago desde fines del pasado agosto. La Ciudad de Chicago recibió solo \$5.5 millones de Federal

Emergency Management Agency para atender a los inmigrantes. Chicago abrió albergues temporales en las estaciones de policía de la ciudad durante el fin de semana para acomodar camiones de cerca de 600

migrantes. Hasta hoy, 300migrantes fueron pasados recientemente a Wilbur Wright College en el Barrio Dunning de Chicago, como albergue temporal de ahora al principio del año escolar.

Help is on the Way for Struggling Homeowners

Cook County Treasurer Maria Pappas spearheaded the passage of the most significant property tax reform legislation to be approved by the General Assembly in decades. The interest rate homeowners and businesses in Cook County are charged for late property tax payments will drop from 18 percent a year to nine percent a year. The interest rate reduction will save struggling property owners between \$25 million and \$35 million a year, with most of those savings benefiting Black and Latino communities. “The vast majority of property owners who fall behind on their property taxes are in predominantly Black and Latino communities,” Pappas said. “These changes will prevent millions of dollars of generational wealth from being stripped from these households. This is a key step toward

greater equity in Illinois’ property tax system and long overdue.” The Illinois General Assembly passed Pappas’ Property Tax Equity Legislation — now a collaborative effort with The Chicago Community Trust philanthropic organization — on Wednesday, May 24. Governor JB Pritzker signed it into law. The

legislation was drafted by Pappas’ office following the release of studies by her research team last year. Pappas put the team together nearly two years ago to investigate flaws and inequities in the sprawling and complex property tax system. The Pappas studies can be found at www.cookcountytreasurer.com.

Hay Ayuda en Camino Para los Propietarios de Viviendas con Problemas

La Tesorera del Condado de Cook, Maria Pappas, encabezó la aprobación de la legislación de reforma del impuesto a la propiedad más importante aprobada por la Asamblea General en décadas. La tarifa de interés que se cobra a propietarios y comerciantes del Condado de Cook por pagos tardíos de impuestos de propiedad bajará del 18 por ciento al año a nueve por ciento al año. La reducción del índice de interés

ahorrrará a los propietarios con problemas entre \$25 millones y \$35 millones al año, con la mayoría de estos ahorros beneficiando a las comunidades afroamericanas y latinas. “La vasta mayoría de dueños de propiedad que se retrasan en el pago de sus impuestos de propiedad son predominantemente de las comunidades afroamericanas y latinas”, dijo Pappas. “Estos cambios evitarán que millones de dólares de riqueza generacional sean

despojados de estos hogares. Este es un paso clave a una mayor equidad en el sistema de impuestos de propiedad de Illinois por mucho tiempo descuidado”. La Asamblea General de Illinois aprobó la Legislación de Equidad en Impuestos de Propiedad de Pappas — ahora un esfuerzo colaborativo con la organización filantrópica Chicago Community Trust — el miércoles, 24 de mayo. El Gobernador JB Pritzker la convirtió en ley. La legislación fue redactada por la oficina de Pappas tras la publicación de estudios de su equipo de investigación el año pasado. Pappas reunió al equipo hace cerca de dos años para investigar fallas e inequidades en el complejo sistema de impuestos de propiedad. Los estudios de Pappas los puede encontrar en www.cookcountytreasurer.com.

Hernandez Champions Education, Fiscal Responsibility in Spring Legislative Session

Building on years of historic fiscal progress, state Rep. Elizabeth “Lisa” Hernandez, D-Cicero, helped pass Illinois’ fifth balanced budget, making critical investments in education, health care, and other essential services. “Throughout my time in public service, my top priority has always been to support children and families, and that’s true now more than ever. After months of negotiations, we put forth a budget that keeps Illinois on firm fiscal footing while supporting essential services that our families and communities need,” Hernandez said. “In Illinois, we don’t have to choose between fiscal responsibility and compassionate governing. This budget is a moral document that proves we can do both.” The fiscal year 2024 budget funds education for all ages, including a \$350 million investment in the evidence-based funding model for

K-12 schools, significant investments in the Smart Start Illinois program for early childhood education, and the expansion of Monetary Award Program (MAP) grants for those seeking higher education. MAP grants are available for students of non-

traditional college age and DREAMers. At no additional cost to taxpayers, Hernandez’s House Bill 3233 allows monetary transmitter customers sending money overseas to voluntarily donate to support the Illinois DREAM fund.

Assessor Kaegi Receives Outstanding Community Partner Award

Cook County Assessor Fritz Kaegi and team received the Outstanding Community Partner Award from the Community Investment Corporation (CIC) and the Preservation Compact during their annual Neighborhood Forum event hosted on Tuesday, May 23, 2023. This award is a special acknowledgment to honor the work done by the Cook County Assessor’s office and the partners that helped implement the Affordable Housing legislation (HB2621). Partners such as Stacie Young from the Community Investment Corporation, Allison Clements from the Illinois Housing Council, Dunni Cosey Gay from the Preservation Compact, and Bob Palmer from the Housing Action Illinois were pivotal in passing this legislation and taking step towards preserving and developing affordable housing in Cook County.

From this law, the Assessor’s Office created the Affordable Housing Special Assessment Program, a property tax relief incentive for housing providers who create and maintain this valuable housing category and expand the availability of rental units for low-income households. The program offers significant assessment relief to multi-family buildings that meet certain criteria with maximum rents at 60 percent of area medium

income (AMI). After a little over one year, 562 applications have been accepted and are currently eligible to receive the special assessment. The true impact and savings will be reflected on the second installment property tax bills that are mailed out later this year. For more information about this program, visit www.cookcountyassessor.com/affordable-housing or email the Assessor’s Office at assessor.ahsap@cookcountyil.gov.

El Asesor Kaegi recibe el Premio al Socio Comunitario Destacado

El Tasador del Condado de Cook, Fritz Kaegi, y su equipo recibieron el Premio al Socio Comunitario Sobresaliente de la Corporación de Inversión Comunitaria (CIC) y el Pacto de Preservación durante su evento anual del Foro de Vecindarios organizado el martes 23 de mayo de 2023. Este premio es un reconocimiento especial para honrar el trabajo realizado por la oficina del Tasador del Condado de Cook y los socios que ayudaron a implementar la legislación de Vivienda Asequible (HB2621). Socios como Stacie Young de Community Investment Corporation, Allison Clements del Illinois Housing Council, Dunni Cosey Gay de Preservation Compact y Bob Palmer de Housing Action Illinois fueron fundamentales para aprobar esta legislación y dar pasos hacia la preservación y el desarrollo de viviendas asequibles. en el condado de Cook. A partir de esta ley, la Oficina del Tasador creó el Programa

de Evaluación Especial de Vivienda Asequible, un incentivo de desgravación del impuesto a la propiedad para los proveedores de vivienda que crean y mantienen esta valiosa categoría de vivienda y amplían la disponibilidad de unidades de alquiler para hogares de bajos ingresos. El programa ofrece un alivio significativo en la evaluación de los edificios multifamiliares que cumplen con ciertos criterios con alquileres máximos del 60 por ciento del ingreso medio (AMI) del área. Después de poco más

de un año, se han aceptado 562 solicitudes y actualmente son elegibles para recibir la evaluación especial. El verdadero impacto y los ahorros se reflejarán en las facturas de impuestos sobre la propiedad de la segunda cuota que se enviarán por correo a finales de este año. Para obtener más información sobre este programa, visite www.cookcountyassessor.com/affordable-housing o envíe un correo electrónico a la Oficina del Tasador a assessor.ahsap@cookcountyil.gov.

unnecessary rate hikes. House Bill 579 establishes a state-based health insurance marketplace. Through the creation of this marketplace, the state of Illinois can expand

healthcare access by effectively identifying traditionally underinsured communities, conducting effective outreach to them, and assisting in the enrollment process

to ensure they receive the plan they need. The state-based marketplace also protects Illinois from efforts by future federal administrations to disrupt healthcare enrollment.

House Bill 2296 is a monumental piece of consumer protection legislation that substantially advances health care affordability. When signed into law, Illinois will join 41 other states in protecting

Illinois consumers and small businesses from unfair premium rate hikes. For the first time, insurance companies will have to provide specific information about how they set their rates and the Department of Insurance will have the authority to deny rate hikes that are not adequately justified. Both bills will now be sent to Governor Pritzker for his signature.

El Estado de Illinois Aplauda la Aprobación de una Legislación Histórica para Reducir el Costo del Seguro Médico y Proteger a los Consumidores

En un esfuerzo por bajar el costo del seguro de salud y reforzar la protección al consumidor de Illinois, el Gobernador JB Pritzker aplaudió la total aprobación del Proyecto 579 de la Cámara y el Proyecto 2296 de la Cámara, lo que creará un mercado de salud basado en el estado e instituirá el primer proceso de revisión de tarifa en Illinois para proteger a los consumidores de alzas innecesarias.

El Proyecto 579 de la Cámara establece un mercado de seguros de salud estatal. A través de la creación de un mercado, el estado de Illinois puede ampliar el acceso a cuidado de salud identificando en forma efectiva comunidades tradicionalmente con seguros insuficientes, conduciendo un enlace efectivo con ellos y asistiendo en el proceso de inscripción, para garantizar

que reciben el plan que necesitan. El mercado de salud estatal protege también a Illinois de los esfuerzos de futuros administradores federales de interrumpir la inscripción en el cuidado de la salud.

El Proyecto 2296 de la Cámara es una pieza monumental de legislación de protección al consumidor que mejora considerablemente la asequibilidad de la atención médica. Cuando se convierta en ley, Illinois se unirá a 41 otros estados para proteger a los consumidores de Illinois y al pequeño comercio de alzas injustas en las tarifas. Por primera vez, las compañías de seguro tendrán que proveer información específica sobre como fijan sus tarifas y el Departamento de Seguro tendrá la autoridad de negar tales tarifas si no son adecuadamente justificadas.

Laborer

The Metropolitan Water Reclamation District of Greater Chicago is preparing to hire a small number of laborers over the next four years. These jobs are in Cook County at plants that treat sewage. There are no jobs in downtown Chicago. People in these jobs may work in unpleasant surroundings and are exposed to unpleasant odors.

You must show your Social Security Card and photo identification (with your birth date) at the basic skills written test. Failure to show these documents may result in disqualification from the Laborer examination process. You must be at least 18 years old by June 12, 2023.

How we will hire Laborers:

1. As previously announced, the Illinois State Lottery Pick 4 (evening) game from Sunday, May 21, 2023 was used to get the numbers for the Laborer lottery list. (The Illinois State Lottery has no interest in the way the District hires people.)
2. The winning numbers are **3799. The Fireball number may not be used to substitute a number.**
3. If the last four digits of your Social Security number are between 3799 and 4299, you will have until June 12, 2023 to file an application for Laborer.
4. Applications **must** be filed by the following method:
Submitted online through the District's Online Employment Center at **www.districtjobs.org**. Applications must be submitted by 11:59 p.m. Central Time on the closing date, June 12, 2023, in order to be considered.
5. All communication with applicants during the selection process will be by email. It is the applicants' responsibility to check their email for important notifications from the District during the selection process.
6. Applications from anyone whose numbers are not between **3799 and 4299** will be disqualified. You must show your photo identification (with your birth date) and Social Security Card at the basic skills written test to confirm you have the winning numbers or are within the range of the winning numbers plus 500. Failure to show these documents may result in disqualification from the Laborer examination process.
7. Candidates must be able to read and understand simple instructions at approximately the sixth grade level and be at least 18 years old by June 12, 2023.
8. In the event that more than one applicant has the same last four digits of their social security number, ties will be broken by the date and time of application submission.
9. A short list of candidates, based on their rank in the lottery, will be asked to take a basic skills written test which is tentatively scheduled for Saturday, August 19, 2023. Candidates will receive more information about the basic skills written test if they are placed on the lottery list and are within the selected range.
10. A short list of candidates who pass the basic skills written test, based on their rank in the lottery, will be interviewed. Interviews are tentatively scheduled between the dates of September 19 - 21, 2023.
11. Candidates who pass the interview will be eligible for hire as a Laborer. Appointments will be made from the rank ordered eligible list. The eligible list has a duration of four years.
12. If you are offered a job, you will take a physical exam, including a drug test, criminal history background investigation and an evaluation of your ability to meet the specific physical demands of the job.
13. If you are hired, you will have a one-year probation period (250 days worked).
14. If you are hired, you must have a valid Illinois driver's license within six months of the date of appointment.
15. If you are hired, you must live in the boundaries of the District within six months of completing probation. (The District covers about 90% of Cook County.)
16. The hourly rate for a Maintenance Laborer B is \$30.02.
