Gov. Pritzker Signs Legislation Expanding Youth Access to Prosthetics Care

Governor JB Pritzker signed SB 2195, also known as the "So Kids Can Move" initiative, which will allow thousands of children and vouth with limb loss or limb difference to afford prosthetic care that enables them to participate in physical activities. This legislation makes Illinois just the fourth state in the nation to pass this act. "Our children deserve quality healthcare and today we take another step to make that a reality," said Governor JB Pritzker. "I'm proud to sign this legislation into law that will provide thousands of children with the appropriate prosthetic care they need to participate in physical activities-ensuring they can remain active and healthy."

"The So Kids Can Move Initiative expands pathways to equitable healthcare by providing children and their families access to prosthetic care — and it is a critical step in the mission to ensure

every child has access to the care and resources they need to play, be active, and thrive," said Lt. Gov. Juliana Stratton. "We must continue

breaking down barriers so our youngest Illinoisans with limb loss or limb difference can lead full lives and reach new heights with the support they need and deserve." The legislation requires insurance coverage for medically necessary prosthetic or custom orthotic

devices to maximize the patient's whole-body health and function. It amends the Accident and Health Article of the Illinois Insurance Code and codifies that with respect to an enrollee at any age, coverage of a prosthetic or custom orthotic device shall be provided.

El gobernador Pritzker Firma una Ley que Amplía el Acceso de los Jóvenes a la Atención Protésica

El gobernador JB Pritzker firmó la SB 2195. también conocida como la iniciativa "Para que los niños puedan moverse", que permitirá que miles de niños y jóvenes con pérdida o diferencia de extremidades puedan costear cuidados protésicos que les permitan participar en actividades físicas. Esta legislación convierte a Illinois en el cuarto estado de la nación en aprobar esta ley. "Nuestros niños merecen atención médica de calidad y hoy damos otro paso para hacerlo realidad", dijo el gobernador JB Pritzker. "Me enorgullece promulgar esta legislación que brindará a miles de niños la atención protésica adecuada que necesitan para participar en actividades físicas, lo que garantiza que puedan permanecer activos y saludables".

"La iniciativa So Kids Can Move amplía los caminos hacia una atención médica

equitativa al proporcionar a los niños y sus familias acceso a atención protésica, y es un paso fundamental en la misión de garantizar que cada niño tenga acceso a la atención y los recursos que necesita para jugar, ser activo y prosperar", dijo la vicegobernadora Juliana Stratton. "Debemos seguir derribando barreras para que nuestros habitantes más jóvenes de Illinois con pérdida o diferencia

de extremidades puedan llevar una vida plena y alcanzar nuevas alturas con el apoyo que necesitan y merecen". La legislación requiere cobertura de seguro para prótesis o dispositivos ortopédicos personalizados médicamente necesarios para maximizar la salud y el funcionamiento de todo el cuerpo del paciente. Hernandez Bill Promoting Better Enforcement of **Water Sanitation Regulations Becomes Law**

Cook County's water management agency will be able to more quickly and efficiently hold accountable those who violate the law by improperly discharging waste into the sewage system—under a new law introduced by state Rep. Norma Hernandez, D-Melrose Park. "When hazardous waste is being introduced into our sewer system by unscrupulous businesses or other entities, we can't afford to let that go on any longer than it has to," Hernandez said. "Having to wait for a letter to arrive in the mail and for the offender to read it takes too long and results in additional contamination and longer and more expensive cleanup." Under existing law, when a person or entity was found to be unlawfully discharging waste into the sewer system, notices and orders-including ceaseand-desist orders-had to be sent either by certified mail or by official courier. Hernandez's House Bill 3133 permits Cook County's Metropolitan Water Reclamation District (MWRD) to implement an electronic reporting system that, once operational, can be used to serve notices and orders to violators via email. It also stipulates that such electronic notices have the same validity and effect as those delivered by mail or by hand. The bill was signed into law by Gov. J.B. Pritzker on July 28 and took effect immediately. "Protecting the water supply that Chicago families depend on is far too important for

authorities to be forced by

outdated policies to drag their feet," Hernandez said. For more information about House Bill 3133 and all Illinois legislation, visit ilga.gov.

Proyecto de Hernández que Promueve una Mejor Aplicación de las Normas de Saneamiento del Agua Se Convierte en Ley

La agencia de administración del agua del condado de Cook podrá responsabilizar de manera más rápida y eficiente a quienes violen la ley al descargar desechos de manera inadecuada en el sistema de alcantarillado Bajo una nueva lev introducida por la Rep. Estatal Norma Hernández, D-Melrose Park. "Cuando desperdicios peligrosos son arrojados en nuestro sistema de alcantarillado por negocios inescrupulosos u otras entidades, no podemos permitirlo más.", dijo Hernández. "Tener que esperar a que llegue

una carta por correo y que el delincuente la lea lleva demasiado tiempo y da como resultado una contaminación adicional y una limpieza más larga y

costosa". Bajo la ley existente, cuando una persona o entidad se encuentra descargando ilegalmente desperdicios en el sistema de alcantarillado, las notas y órdenes – Incluyendo las órdenes de cese y desistimiento – tenían que ser enviadas o por correo certificado o por entrega oficial. El Proyecto 3133 de la Cámara, de Hernández, permite que el Distrito de Reclamo de Agua Metropolitano del Condado de Cook (MWRD) implemente un sistema de reportes electrónico que, una vez que opere, puede ser utilizado para enviar notificaciones y órdenes a los violadores via correo electrónico. También estipula que tales notas electrónicas tienen la misma validez y efecto que las entregadas por correo o en propia mano. El proyecto fue convertido en ley por el Gob. J.B. Prizter el 28 de julio y entró en efecto inmediatamente. "Proteger el suministro de agua del que las familias de Chicago dependen es demasiado importante para que las autoridades se vean obligadas a demorarse por políticas obsoletas ", dijo Hernández. Cook County Launches American Rescue Plan Acting Spending Website

On Tuesday, Cook County Board President Toni Preckwinkle announced the launch of a new website arpa.cookcountyil.gov — to show how Cook County's \$1 billion in American Rescue Plan Act (ARPA) funds are being spent. The new site explains how ARPA works, displays dashboards, spotlights programs made possible through ARPA and serves as a one-stopshop for ARPA reports and information. "This new website serves as an important tool to ensure transparency and encourage public input," President Preckwinkle said. "We have developed a plethora of new programs with measurable outcomes that can now be tracked through these public dashboards." The Biden Administration announced ARPA in 2021 "to change the course of the

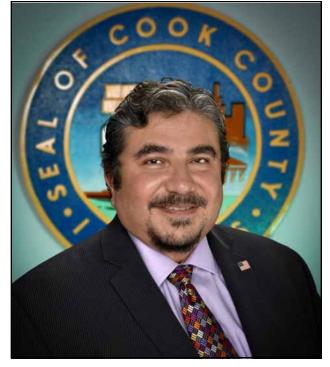

pandemic...[and] build a bridge towards economic recovery and invest in racial justice." In addition to providing support for the national vaccination program, financial relief payments to families, rental assistance and several other programs, ARPA distributed more than \$360 billion in emergency funding for state, local, territorial and tribal governments. Cook County programs already making significant community impact with ARPA include the Cook County Promise initiative. which currently serves as the largest Guaranteed Income pilot in the nation, abolishing medical debt and placing money directly into communities for violence prevention purposes. Commissioner Frank J. Aguilar Introduces Ordinance to Create a Property Tax Credit Program for Storm Relief

On Thursday, July 20th during the Cook County Board of Commissioners meeting, Cook County Commissioner Frank J. Aguilar (16th) introduced a property tax credit uninsured underinsured homeowners who experience damages due to storms and flooding. The ordinance moved forward to the Finance Subcommittee, where it will undergo further discussion and evaluation. Flooding and flood mitigation are significant issues in Cook County that plague thousands of residents every year. The ordinance is aimed to provide relief to Cook County property owners, who otherwise would be forced to incur and expend unforeseen costs due to storm damage. In an effort to alleviate part

of the financial burden to Cook County residents and businesses caused by catastrophic storm water, the ordinance would establish a real Property Tax Credit Program for disaster relief. The Relief Program who undertake certain types of storm damage repairs or remediation to submit provable evidence of the costs of the repairs to Cook County, which, if approved, would allow for a real property tax credit in the amount of the provable repairs. Municipalities that wish to participate must submit their request to Cook County within 30 calendar days of the declaration of a disaster. If municipalities do not pass, approve, and submit an ordinance or resolution electing to participate in the Relief Program to Cook County within 30 calendar days of the passage and approval of this ordinance, such municipalities will be ineligible to participate in the Relief Program for this disaster.
