Meridian Health Plan of Illinois Provides Sinai Chicago with \$100K Grant:

Provide Health and Digital Equity for West Side Patients

By: Ashmar Mandou

In an effort to provide ample health and digital equity to underserved communities, Meridian Health Plan of Illinois, Inc. (Meridian), a wholly owned subsidiary of Centene Corporation, announced a substantial donation of \$100,000 to Sinai Chicago.

"We appreciate Meridian's commitment to this incredible initiative," said Dr. Ngozi Ezike, CEO of Sinai Chicago. "It is good to have partners who believe strongly in our mission to eliminate health disparities. This game-changing solution puts Sinai on the same level as the top health systems in the country by modernizing Sinai's capabilities and truly transforming its work allowing Sinai caregivers to work better and faster, providing better care and service for the people they serve.'

Meridian's donation was made possible through Sinai Chicago's Digital Health Transformation campaign. The implementation of Epic over the last 18 months will allow Sinai Chicago to renovate its quality of care and service environment. "Meridian is proud to help support Sinai Chicago gain access to a fully integrated, modern EMR system," said Cristal Gary, Meridian Plan President and CEO. "We because your care should come from doctors you irusi unte lease see irusi unte irusi irusi

are excited to be a part of this transition which has the potential to be one of the most significant and impactful investments in Sinai Chicago's quality of care in decades and will better serve the community and our members."

With a service area that includes 1.5 million Chicagoans living on the south and west sides, Sinai Chicago serves populations who have experienced limited access to health services. According to Sinai Chicago, these patients face challenges accessing new health technology. Sinai Chicago seeks to change this dynamic through the implementation of a new best-in-class Electronic Medical Records System (EMR), Epic. Sinai Chicago launched Epic on September 7, 2023, replacing its previous EMR systems, which were dated and required communication between multiple platforms. With the help of Meridian's grant, Sinai Chicago's

In addition, healthcare users will have secure and comprehensive patient data and analytics right at their fingertips. In the end, moving to Epic will increase efficiency, reduce complexity, and improve both patient and physician satisfaction. "Moving to Epic is an investment in truly transforming the care our patients receive at Sinai Chicago, making sure they and their loved ones receive the right care, at the right place, at the right time," said Dr. Ezike. Drive Merry, Bright and Sober this Holiday Season Drive Sober or Get Pulled Over, Drive High Get a DUI

The holidays are a time for caring and sharing, which is why the Berwyn Police Department is partnering with the Illinois Department of Transportation to spread the word about the dangers of impaired driving with a "Driver Sober or Get Pulled Over" and "Drive High. Get a DUI." enforcement campaign. From Dec. 15 through Jan. 2, law enforcement across Illinois will show zero tolerance for alcohol- and drugimpaired driving to keep our roads safe and help ensure a happy holiday season.

According to the National Highway Traffic Safety Administration's Fatality Analysis Reporting System, in the United States in 2021, a total of 13,384 people were killed in motor vehicle crashes involving an alcohol-impaired driver. On average, more than 10,000 people were killed in alcoholrelated crashes each year from 2017 to 2021, with one person killed in a drunk-driving crash approximately every 45 minutes. These fatalities are preventable, and drivers must remember that driving impaired — by alcohol, cannabis or any other substance, whether legal or not — is potentially deadly and illegal behavior

The Berwyn Police Department recommends these safe alternatives to drinking and driving:

•Designate a sober driver or plan to use public transportation or a ride-sharing service.

•If you see an impaired driver on the road, pull over and contact the local police department.

•Have a friend who is about to drive impaired? Take their

Older adults came together Saturday afternoon, December 9, for a winterthemed celebration at Little Brothers – Friends of the Elderly (LBFE), which works to relieve isolation and loneliness in people who are over 70. Thirty-five older adults from around the city came together for this event, one of many year-round program activities offered by LBFE. "What we do is about sharing a connection with people," said Heather Dudzinski, Director of Program at LBFE. "We create opportunities for people to gather together and share a meal and good conversation."

The party, which was held at LBFE, 355 N. Ashland in Chicago, featured a home-made meal and a performance by Flor de Corazon, a folkloric dance group that is affiliated with the Cicero-based Flor de Corazon Dance Studio. Meals for the party were prepared by Fight2Feed, a nonprofit organization that works to reduce food waste and serve those who are in need of a fresh and hot meal.

Saturday's celebration was held at a time when more and more national attention is being focused on how older adults can connect with others in their community. In the coming weeks, LBFE will be visiting with and delivering food bags, meals, and holiday gifts to older adults in Chicago. Volunteers are involved in a wide range of activities, including wrapping gifts, driving older adults to and from events, and making visits to individual homes as well as nursing and assisted living facilities.
