Es a través de sus programas, centrados en la juventud, como la Academia Juvenil CONSTRUCT, que estamos alcanzando la fuerza laboral futura y ampliando un grupo de talento diestro y diverso que será clave para entregar un futuro más limpio y más brillante a nuestras comunidades”.

ComEd en colaboración con sus afiliados YMCA de Metropolitan Chicago y Goodwill Greater Milwaukee & Chicago, ofreció un programa de exposición profesional de verano, pagado para estudiantes de secundaria interesados en carreras en los campos de la construcción y la energía. aprendieron sobre la amplia variedad de carreras en energía desde posiciones a nivel de entrada a puestos en STEM, como ingeniería. “Fue verdaderamente interesante y aprendí mucho”, dijo el nativo de Cicero y reciente graduado de CONSTRUCT, Jacob Sosa, Quien supo del programa a través del YMCA. “Tuvimos la oportunidad de hacer excursiones, aprendimos sobre redes eléctricas, hablamos con líderes del sector... fue muy grato conocer gente nueva”. Sosa expresó sus planes de dedicarse a los oficios después de graduarse de la escuela secundaria. Vengo de una familia de electricistas, por lo tanto es algo que me interesa. ComEd Celebrates Recent CONSTRUCT Youth Academy Graduates

By: Ashmar Mandou

According to ComEd, with as many as 150,000 jobs coming to Illinois by 2050 to support the clean energy transition, its successful CONSTRUCT Youth Academy is one way to equip future generations with opportunities to grow in a fast-paced industry. “ComEd and our partners are committed to ensuring that our youth are aware of the wide variety of in demand and good-paying careers in the energy sector that deliver reliable power to more than 9 million people across northern Illinois,” said Melissa Washington, SVP of Customer Operations and Strategic Initiatives. “It is through youth-centered programs, like the CONSTRUCT Youth Academy, that we are reaching our future workforce and expanding a skilled and diverse talent

pool that will be key to delivering a cleaner and brighter future for our communities.”

ComEd in conjunction with its partners the YMCA of Metropolitan Chicago and Goodwill Greater Milwaukee & Chicago, offered a paid summer career exposure program for high school students interested in careers in the construction and energy fields. During the three-week program, teens learned about the wide array of careers in energy, from entry-level craft positions to roles in STEM, such as engineering. “It was really interesting and I learned a lot,” said Cicero native and recent CONSTRUCT graduate Jacob Sosa, who learned about the program through the YMCA. “We had the opportunity to take field trips, we learned about power grids, spoke with leaders in the field... it was really nice to

meet new people.” Sosa expressed plans to go into the trades upon high school graduation. “I come from a family of electricians, so it’s something that always interested me. With the help of the CONSTRUCT program I am able to understand the field a little more,” said Sosa. “I would tell students interested in careers in the trades to give this a program a chance. You will learn a lot.”

This year’s CONSTRUCT Youth Academy participants attended classroom sessions three times a week held across YMCA locations in Woodlawn, West Humboldt Park, and Little Village, and through Goodwill’s Workforce Connection Center in Englewood. The CONSTRUCT Youth Academy builds on the success of the CONSTRUCT Infrastructure Academy,

ComEd’s workforce development program, which has trained more than 900 local residents for roles in the construction and energy fields and placed more than 70 percent in entry-level jobs. Cervantes to Host Back to School Fair

To help students and families prepare for the start of the fall semester, State Senator Javier Loera Cervantes is hosting a Back to School Fair providing essential supplies for children in the community. "No child should feel insecure about their lack of school supplies when they walk in to the first day of school this fall, but far too often, that's a reality," said Cervantes (D-Chicago). "Lacking

supplies can negatively impact performance and self-esteem. I am proud that my office and other local organizations have come together to help prevent young people from experiencing this, and to be able to focus on their education, not economic status." Cervantes' office is hosting their Back to School Fair on Saturday, Aug. 9 from 10 a.m. – 12 p.m. at the Early Childhood Center of Cicero District

99, located at 5330 W. 35th St. in Cicero. In partnership with La Casa Norte, Youth Crossroads, Family Focus, and El Valor, the senator's team will be giving out backpacks, school supplies, and other resources for students and families to help get this school year off to a good start. For more information, reach out to Cervantes' office by calling 773-869-9050, or by emailing senator.jcervantes@gmail.com.

Cervantes Organizará la Feria de Regreso a Clases

Para ayudar a los estudiantes y sus familias a prepararse para el inicio del semestre de otoño, el senador estatal Javier Loera Cervantes organiza una Fe-

ria de Regreso a Clases que proporcionará útiles escolares esenciales a los niños de la comunidad. "Ningún niño debería sentirse inseguro por la falta de útiles

escolares al comenzar el primer día de clases este otoño, pero con demasiada frecuencia, esa es la realidad", declaró Cervantes

Cerca de 90 Jóvenes de HACC se Gradúan del Programa de Trabajos de Verano en las Reservas Forestales del Condado de Cook

Un verano de aprendizaje, exploración y servicio culminó la semana pasada en una ceremonia de graduación para 89 jóvenes del Condado de Cook en South Suburban College en South Holland. Ahora en su 10º año, Forest Preserve Experience (FPE) es un programa colaborativo coordinado por Friends of the Forest Preserves y Forest Preserves of Cook County, con el generoso apoyo de la Oficina de Desarrollo Económico del Condado de Cook, La Autoridad de

la Vivienda del Condado de Cook (HACC), Forest Preserve Foundation, El Departamento de Recursos Naturales de Illinois y otros. “Este programa no sería posible sin el árduo trabajo y afiliación de estas organizaciones, quienes trabajan incansablemente para proporcionar a los jóvenes increíbles oportunidades para explorar las potenciales carreras profesionales, así como la experiencia de la belleza natural del Condado de Cook”, dijo la Presidente de la Junta del

Condado de Cook y de las Reservas Forestales, Toni Preckwinkle. Por cinco semanas este verano, los jóvenes de 14 a 19 años que viven en familias que reciben servicios de HACC trabajaron en grupos en varios sitios de Reserva Forestal en los suburbios del sur y el sudoeste, aprendiendo sobre la conservación del ambiente y contribuyendo a la salud y belleza de las reservas.

Nearly 90 HACC Youth Graduate from Summer Jobs Program in the Forest Preserves of Cook County

A summer of learning, outdoor exploration and service culminated last week in a graduation ceremony for 89 Cook County youth at South Suburban College in South Holland. Now in its 10th year, the Forest Preserve Experience (FPE) is a collaborative program coordinated by Friends of the Forest Preserves and the Forest Preserves of Cook County, with generous support from the Cook County Bureau of Economic Development, the Housing Authority of Cook County (HACC), the Forest Preserve

Foundation, the Illinois Department of Natural Resources and others. “This program would not be possible without the hard work and partnership of these organizations, who work tirelessly to provide the youth with incredible opportunities to explore potential careers paths as well as experience Cook County’s natural beauty,” said Cook County Board and Forest Preserves President Toni Preckwinkle. For five weeks this summer, young people ages 14-19 who live in households that receive services from HACC

worked in crews at several Forest Preserves sites in the south and southwest suburbs, learning about environmental conservation and contributing to the health and beauty of the preserves.

Two Illinois iLottery Players Strike It Big

Two Illinois iLottery players struck it big last night, each scoring a staggering prize of \$1 million or more. One lucky online player won a whopping \$1,742,056 jackpot playing *Ultimate Diamond Jackpot*, a FastPlay progressive jackpot game exclusive to the Illinois Lottery. The jackpot starts at \$75,000 and increases with every ticket sold across the state—both in-store and online—until someone wins. This is the 10th time a player has taken home a

prize of \$1 million or more with *Ultimate Diamond Jackpot* since the game launched in May 2024. So far this year, nearly 693,000 winning tickets have been sold, awarding more than \$46.2 million in prizes to players statewide. The second big iLottery winner won a cool \$1 million prize playing *Lotto*. The winner matched all six *Lotto Million 1* numbers in the Monday, August 4 drawing: 2-7-12-15-25-29. This marks the fifth time in 2025 that a *Lotto* player has won \$1 million or more.

So far this year, over four million winning *Lotto* game tickets have been sold, with total prize payouts surpassing \$28.5 million to lucky players across Illinois. *Lotto* is an Illinois-only game that is played three times a week on Monday, Thursday and Saturday. The estimated jackpot for the upcoming Thursday, August 7 drawing is \$13.4 million. jackpot progresivo FastPlay exclusivo de la Lotería de Illinois. El Jackpot empieza en \$75,000 y aumenta con cada boleto vendido en el estado – tanto en la tienda como en línea – hasta que alguien gana. Esta es la décima vez que un jugador se lleva a casa un premio de \$1 millón o más con *Ultimate Diamond Jackpot* desde que el juego

fue lanzado en mayo 2024. Hasta este año, cerca de 693 boletos ganadores han sido vendidos otorgando más de \$46.2 millones en premios a jugadores en todo el estado. Cicero Police Announce the Arrest of a Suspect in Connection with an Armed Robbery

The Cicero Police Department has announced the arrest of Montreal Carr, a 30-year-old resident of Chicago, in connection with an Armed Robbery. Carr has also been charged in relation to a separate Armed Robbery case by the Glenview Police Department. On February 18, 2025, at approximately 2:38 PM, Cicero Police responded to a report of an Armed Robbery in the 1800 block of South 49th Avenue. The victim stated that he was approached by two offenders who threw him to the ground, held him at gunpoint, and robbed him of cash, a cell phone, and other personal items. The offenders fled the scene in a blue sedan, which was quickly identified. Following an extensive investigation, Cicero detectives identified Carr as one of the offenders. They also uncovered intelligence linking Carr to another Armed Robbery that occurred in Glenview on April 21, 2025. Cicero and Glenview detectives collaborated in sharing information, which led both agencies to obtain arrest warrants for Carr regarding their respective cases. Detectives later

discovered that Carr had fled Illinois to the State of Georgia. Detectives then enlisted the help of the U.S. Marshals Service. Carr was apprehended by U.S. Marshals on June 18, 2025, and then extradited to Illinois on July 29, 2025, by the Cook County Sheriff's Police Fugitive Apprehension Unit. After a review by the Cook County State's Attorney's Office, charges were approved for Armed Robbery with a Firearm related to the Cicero incident. Glenview Police also filed an additional count of Armed Robbery with a Firearm in their case. Cicero Police Superintendent Thomas Boyle noted that, "This arrest exemplifies successful teamwork and investigative collaboration among multiple law enforcement agencies at various levels." Members of the public are reminded that these charges do not constitute proof of the defendant's guilt. A defendant is presumed innocent and is entitled to a fair trial, during which it is the government's responsibility to prove guilt beyond a reasonable doubt. **Photo Credit: Town of Cicero**

Town of Cicero Offers Assistance to File Property Tax Appeal

The Town of Cicero, Office of the Assessor, Emilio "Emo" Cundari, will assist property owners to appeal with the Cook County Board of Review. Staff are able to help complete the appeal paperwork at the assessor's office, 4949 W. Cermak, now through August 19th. Cook County is the only county in the state of Illinois in which local assessment decisions are made only by the County Assessor rather than the local township assessors. "Cook County's laws do not give the Town or Township of Cicero the authority to reduce or change anyone's property assessments, regardless of the factors that caused those increases, or to reduce assessments because of damaging impacts such as flooding," Town President Larry Dominick said. "The County Assessor is

the sole authority which decides what our property assessments are and like everyone, we have all seen our property assessments increase. Property owners can challenge those increases, which in many cases have been dramatic, by submitting their appeals to the Cook County

Board of Review, and the Town of Cicero has the resources and staff to help you begin that process." Property owners can also appeal at home, on-line, by visiting: Appeals.cookcountyboardofreview.com There is a step-by-step process that must be followed. When your appeal

is completed, property owners should receive an email confirmation of your submission. For more information, contact the Assessor's Office at 708-656-3600, ext. 225, 226 or 228 (habla espanol) or email to ecundari@thetownofcicero.com.

La Ciudad de Cicero Ofrece Asistencia para Presentar una Apelación del Impuesto a la Propiedad

La Oficina de Cicero, la Oficina del Evaluador, Emilio "Emo" Cundari, asistirá a los propietarios para apelar con la Junta de Revisión del Condado de Cook. El personal puede ayudar a completar los papeles de apelación en la oficina del evaluador, 4949 W. Cermak, de ahora hasta el 19 de agosto. El Condado de Cook es el único condado en el estado de Illinois en el cual las decisiones de evaluación locales las decide únicamente el Evaluador del Condado en vez de los evaluadores del municipio local. "Las leyes del Condado de Cook no dan al municipio de Cicero la autoridad de reducir o cambiar las evaluaciones de propiedad de nadie, sin importar los factores que hayan causado

esos aumentos o reducir las evaluaciones por daño de impactos como inundaciones", dijo el Presidente de Cicero, Larry Dominick. "El Evaluador del Condado es la única autoridad que decide cuales son las evaluaciones de nuestra propiedad y como todos, hemos visto aumentar dichas evaluaciones. Los dueños de propiedad pueden debatir estos aumentos, que en muchos casos han sido dramáticos, enviando sus apelaciones a la Junta de Revisiones del Condado de Cook y el Municipio de Cicero tiene los recursos y el personal para ayudarle a comenzar ese proceso". Los propietarios pueden hacer su apelación en casa, en línea, visitando: Appeals.cookcountyboardofreview.com. Hay un proceso,

paso a paso, que debe seguirse. Cuando su apelación esté completa, los propietarios deben recibir una confirmación electrónica de su envío. Para más información,

comunicarse a la Oficina del Evaluador al 708-656-3600, ext. 225, 226 o 228 (en español) o por correo electrónico a ecundari@thetownofcicero.com.
