El Profesorado y los Profesionales de City Colleges Llegan a un Acuerdo Provisional, Evitando la Huelga del Lunes

El Sindicato de Maestros de Cook County College, Local 1600 y City Colleges of Chicago, llegaron a una tentativa de acuerdo el pasado domingo en la noche en un nuevo contrato de cuatro años para la facultad y los profesionales. El acuerdo llega solo horas antes de que la facultad y los profesionales estaban listos para una huelga, el lunes, 19 de octubre. La huelga se canceló. "Me siento orgulloso de nuestros equipos de negociación, de nuestros miembros que estuvieron preparados para la huelga y de este contrato", dijo el Presidente de CCCTU Tony Johnston. "No debería haber sido necesario esperar hasta las 3:45 a. m. del día de una huelga para llegar a este punto. Pero nos alegra haber alcanzado un acuerdo justo, que respalda a los estudiantes, al profesorado y a los profesionales".

Puntos clave de un acuerdo tentativo:

•Salarios que se mantengan al paso con la inflación. La facultad y los profesionales recibirán aumentos anuales en un contrato de cuatro años que se mantiene al día con los aumentos del costo de vida. Los salarios iniciales también aumentan.

•Protección del seguro de salud. El acuerdo mantiene vigentes las actuales contribuciones y los topes para el seguro médico. La administración ha presionado para trasladar una mayor parte de los costos a los empleados.

•Salvaguardas en torno a la inteligencia artificial. El contrato establece un comité conjunto sobre la IA para tratar el uso de la inteligencia artificial en los City Colleges of Chicago.

•Un camino hacia una educación de nivelación gratuita. Un documento anexo establece un grupo de trabajo para estudiar la posibilidad de que la educación de nivelación sea gratuita para los estudiantes de los City Colleges.

Las negociaciones comienzan en febrero. Los miembros votaron 96 por ciento para autorizar una huelga. El acuerdo debe pasar ahora a la membresía para un voto de ratificación. Si los miembros aprueban, el acuerdo pasará a la Junta de Fideicomiso de City Colleges para su aprobación. Para más información, visite www.CCCTU.org.

Berwyn Police Department Announces Additional Traffic Enforcement

The Berwyn Police Department will conduct additional traffic enforcement from Oct. 1, 2026, through Sept. 30, 2027, to help reduce crashes and save lives. The effort is supported by a federal fiscal year 2027 Sustained Traffic Enforcement Program grant administered by the Illinois Department of Transportation. "This grant helps us put additional officers on the road to address behaviors that lead to serious crashes," said LT Chris Anisi. "We urge everyone to make safe choices behind the wheel. Our priority is getting everyone home safely." During this enforcement period, Officers will focus on impaired driving, distracted driving, and seat belt violations. The enforcement effort will support "Click It or Ticket". These high-visibility campaigns combine enforcement and public awareness to encourage safer driving. The FY27 STEP grant period runs from Oct. 1, 2026, through Sept. 30, 2027. Throughout the grant year, Berwyn Police Officers will conduct additional enforcement, including during periods with a higher risk of serious crashes.

El Departamento de Policía de Berwyn Anuncia Medidas Adicionales de Control de Tráfico

El Departamento de Policía de Berwyn conducirá un control de tráfico adicional del 1º de octubre del 2026 al 30 de septiembre del 2027 para ayudar a reducir los choques y salvar vidas. Esta iniciativa cuenta con el respaldo de una subvención federal correspondiente al año fiscal 2027, destinada a un programa de vigilancia vial continua (Sustained Traffic Enforcement Program) y administrada por el Departamento de Transporte de Illinois. "Este subsidio nos ayuda a poner oficiales adicionales en las carreteras para atender comportamientos que conducen a graves choques", dijo la TNT Cris Anisi. "Exhortamos a todos a tomar alternativas seguras tras el volante. Nuestra prioridad es que todos lleguen a casa a salvo". Los agentes se centrarán en la conducción bajo los efectos de sustancias, la conducción distraída y el incumplimiento del uso del cinturón de seguridad. Esta labor de control respaldará la campaña 'Click It or Ticket'. Estas iniciativas de gran visibilidad combinan la aplicación de la ley con la sensibilización pública para fomentar una conducción más segura. El periodo de la subvención STEP para el año fiscal 2027 abarca desde el 1 de octubre de 2026 hasta el 30 de septiembre de 2027. A lo largo de los años que abarca la subvención, los agentes de policía de Berwyn llevarán a cabo labores adicionales de aplicación de la ley, incluso durante periodos en los que existe un mayor riesgo de accidentes graves.

CDA Announces Temporary Runway Closure for Safety Repairs at Midway

In consultation with the Federal Aviation Administration (FAA), the Chicago Department of Aviation (CDA) announced on Monday the temporary closure of Runway 22L at Midway International Airport to arrivals and departures for repairs to a runway safety system. The closure is effective immediately, and repairs are currently targeted for completion in mid-November. The Engineered Materials Arresting System (EMAS) at the departure end of Runway 22L sustained damage from recent aircraft activity, including jet blast, necessitating the repairs. The closure has the potential to cause flight delays and cancellations. The extent of these disruptions will vary based on airline schedules and weather conditions, particularly wind direction, which affects how the airport's four-runway network can be used for arrivals and departures. Travelers should monitor their flight status and check with their airline before heading to the airport. Passengers whose flights are affected should work directly with their air carrier on rebooking or other itinerary changes. CDA will coordinate closely with the FAA and airlines operating at Midway to minimize operational impacts whenever possible. The department will keep travelers and airport partners informed throughout the repair process.

El Distrito de Parques de Chicago Abre las Solicitudes para Puestos de Salvavidas Durante el Verano.

El Distrito de Parques de Chicago pone a la disposición las solicitudes para salvavidas de verano para la temporada de natación del 2027. El año pasado, el Distrito de Parques contrató más de 700 salvavidas de verano, lo que permitió al Distrito de Parques abrir todas las playas y piscinas exteriores, siete días a la semana, así como todas las piscinas interiores seis días a la semana para una semana extra de operaciones. El ampliado programa de piscinas es un aumento del 2023, cuando las piscinas estaban abiertas cinco días a la semana y en el 2024, cuando estuvieron abiertas 6 días a la semana. El Distrito de Parques de Chicago atribuye sus exitosos esfuerzos de contratación al aumento del marketing y la difusión, así como a nuestro innovador Programa de Capacitación para Exploradores de Socorristas. En 2025, el Distrito de Parques de Chicago se asoció con After School Matters para expandir el programa de capacitación basado en estipendios, a tres parques adicionales y aumentar el acceso a este programa en toda la ciudad, donde los participantes fueron invitados a aprender las habilidades de salvamento necesarias para completar la Prueba de Habilidades del Socorrista y convertirse en socorrista de verano. La Secretaria del Condado de Cook Celebra el Regreso del Premiado Programa de Votación Anticipada Para Escuelas Secundarias

La democracia se apoderó del estrado en docenas de secundarias suburbanas esta semana, cuando la Secretaria del Condado de Cook, Mónica Gordon lanzó el regreso del premiado programa de votación de Secundaria, presentando la iniciativa 'Toma de Control de las Elecciones por parte de los Jóvenes' (Teen Takeover of Elections) de la Oficina de la Secretaria; este proyecto, dirigido a las escuelas secundarias, transformó 27 centros educativos suburbanos en centros de votación anticipada. Allí, los estudiantes y el personal escolar habilitados para votar pudieron emitir su sufragio, mientras que estudiantes capacitados y certificados —que actuaron como jurados electorales— ayudaron a registrar a los votantes, entregar las boletas y llevar a cabo otras tareas propias del proceso electoral. El programa fue lanzado durante las elecciones primarias de marzo del 2026, cuando 24 escuelas secundarias participantes registraron 1.136 votos emitidos en un solo día. La iniciativa también entrenó y certificó a más de 125 estudiantes como Jueces de Elección. El programa ha recibido reconocimiento nacional, obteniendo un premio Clearinghouse de la Comisión de Asistencia Electoral de los EE. UU.

(U.S. Election Assistance Commission) correspondiente a 2026, así como un premio a la innovación de la NACo. Para más información sobre la Votación Temprana y las Elecciones Generales del 3 de noviembre en los suburbios del Condado de Cook, visite cookcountyclerk.com/elections.
