## Illinois Utilities Come Together to Create More Opportunities for Diverse Suppliers

Illinois utility leaders announced the formation of the Illinois Utilities **Business Diversity Council** designed to grow business opportunities for diverse suppliers through closer collaboration, technical development and sharing of best practices. The Illinois Utilities Business Diversity Council members include Ameren Illinois, ComEd, Illinois American Water. Nicor Gas, North Shore Gas and Peoples Gas. In

2014, these companies spent a combined total of approximately \$708 million on goods and services provided by minority, women and veteran-owned businesses. In addition, the companies spent approximately \$440 million with small businesses.

Growth in utilities' spend with diverse suppliers is due in part to the Energy Infrastructure Modernization Act (EIMA) or "Smart Grid Bill" enacted in 2011, and the Natural Gas Consumer, Safety & Reliability Act enacted in 2013. As a result, Illinois utilities are undertaking a massive upgrade to the state's aging energy delivery infrastructure, installing new technologies and equipment to reduce outages, improve reliability, and provide customers with programs to manage and save energy.
